Epitome is defined as something that is a perfect example of a particular quality or type. For example, Lehigh is the *epitome* of higher education. *Epitome* is also synonymous with embodiment and essence. The intention of the *Epitome* yearbook is to capture, embody, and *epitomize* the year 2012 at Lehigh University. It is a time capsule of memories that authenticates— we were there!

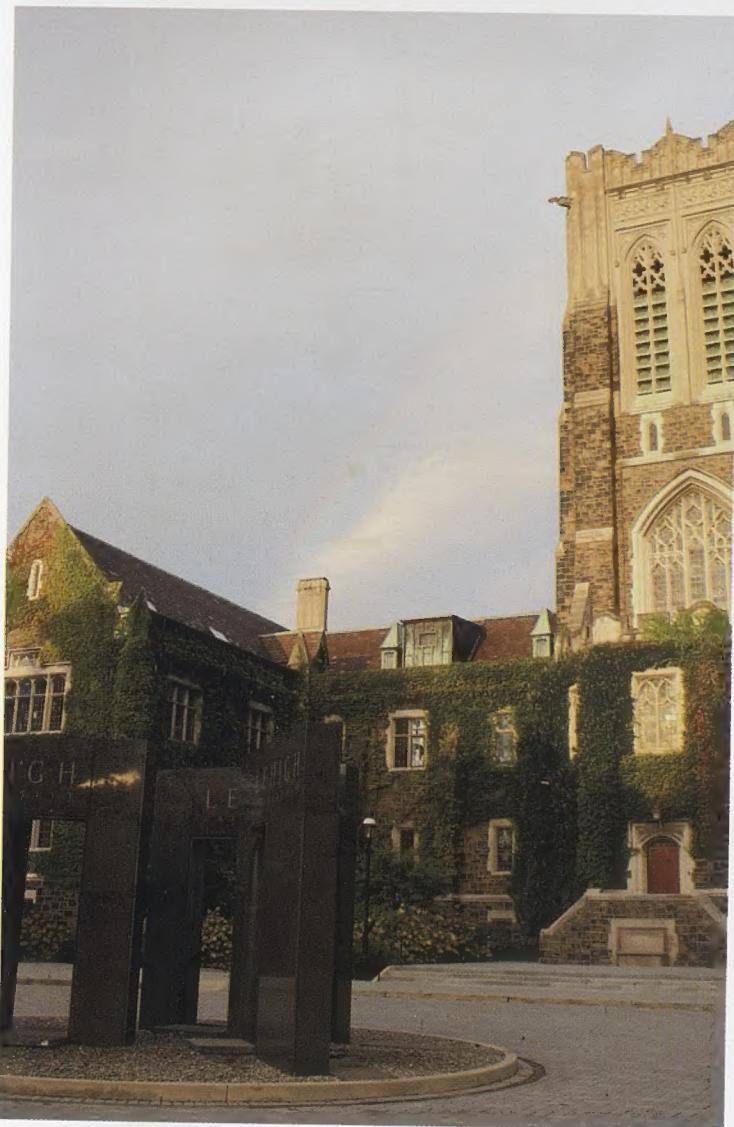

For the graduates of the Class of 2012, the journey really began when we were in our mid-teens as a discussion with a guidance counselor, a parent, a sibling, a friend. Always with the question, “Where do you want to go to college?” So we visited the rolling hills of eastern Pennsylvania and walked the campus of the distinguished Lehigh University. For some of us, it was love at first sight, for others...a safety school. We applied, we were accepted and then, the decision. In the Fall of 2008 that decision was questioned. Away from home, family, and friends, we were challenged. Thankfully, with love, support, and friendships made, we rose to that challenge and settled in to what many of us now believe were the best years of our lives.

Our senior year was truly extraordinary. Of course, it was the year that marked 40 years of women at Lehigh. It was the year the Mountain Hawks trampled over the Lafayette Leopards in the annual football game for the fourth year in a row, adding the Class of 2012 to the short list of undefeated classes. It was the year the Lehigh Valley experienced a 5.9 magnitude earthquake, Hurricane Irene, and a freak October nor'easter that dumped over a foot of snow on South Mountain leading to power outages, evacuation of students, and three days of cancelled classes. It was the year we experienced a meningitis scare and Day-Glo, a rave-like dance party in Rauch Fieldhouse. It was the year Lehigh Men's Basketball defeated second-seeded Duke in the NCAA Tournament, marking the program's first-ever NCAA Tournament victory.

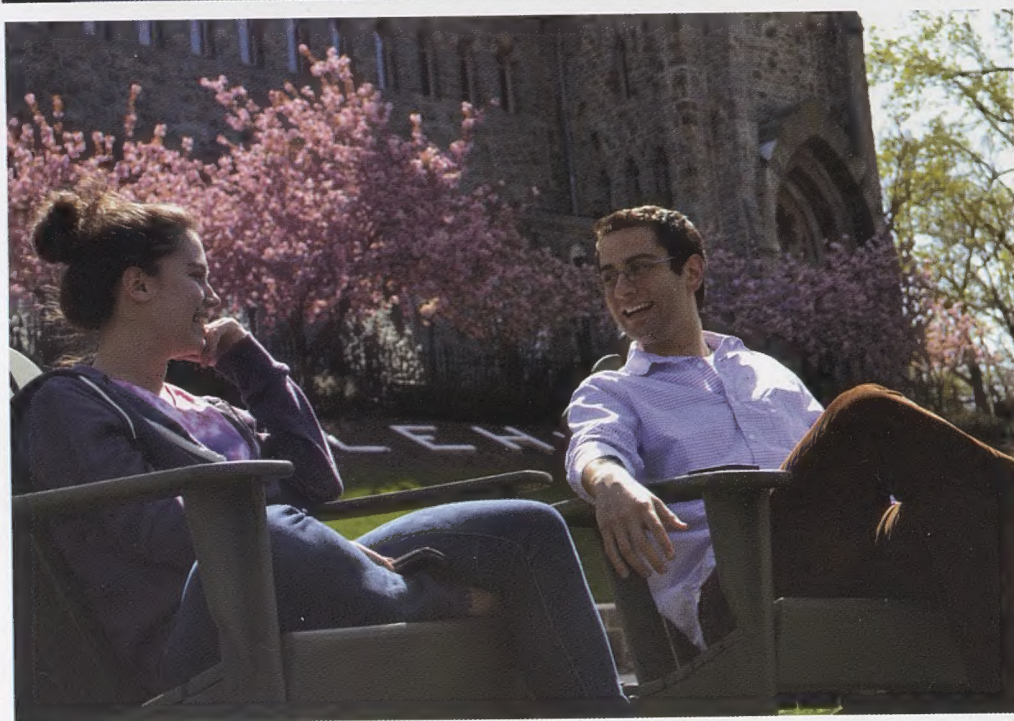

Whether it was an event that went down in history or something more personal, we will always remember our days at Lehigh and hopefully look back on many fond memories. Perhaps it was your favorite professor who had a profound impact on you, or that class that helped you decide what you wanted to do after college. Maybe the extracurricular activity where you met your best friend or the semester you studied abroad. Possibly the performance where you received a standing ovation; the exam, paper, or four o'clock you aced; or the money you raised to benefit a cause that was close to your heart.

I think we will always remember the mornings we wore those ridiculous outfits for morning cocktails and tailgates before a football game, or the Saturday afternoons spent at McGrady's. How about the nights spent at a favorite fraternity or bar whether that bar be Leons, Mollys, Tally-Ho, The Fun House, The Bookstore, or Loopers. Maybe only the stories from friends the next day, but nevertheless great memories made. And of course, we can't forget all of the bucket list activities and “YOLOs” that consumed our senior year, especially on Spring Break and down in Ocean City, Maryland for Senior Week before graduation.

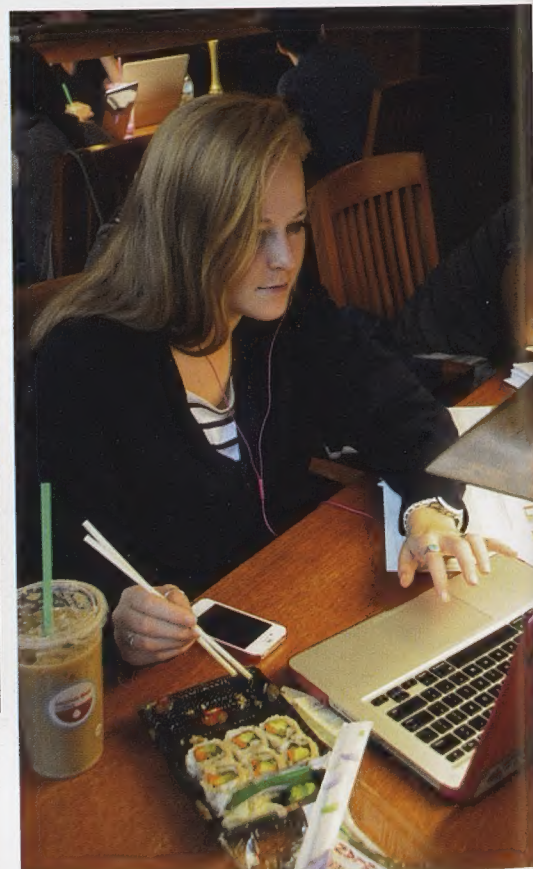

The Epitome Staff was determined to capture our collective memories in the book you are now holding. You'll be the judge if we achieved our goals. We hope you never forget the memories created on Old South Mountain.

Celebrating the Women
of Lehigh University

Mary Ann Wymore, Class of 1979, with her daughter, Krissy Wymore, Class of 2012 during the 40 Years of Women at Lehigh celebrations in September 2011.

Of Women at Lehigh

A Mother-Daughter Legacy

Beginning September 9, 2011, the university celebrated 40 Years of Women at Lehigh. In the fall of 1971, Lehigh implemented the change allowing 169 female undergraduate students to enroll.

Mary Ann Wymore was one of students accepted into the third class of women at Lehigh as a member of the incoming class of 1973. Looking back, Mary Ann noted several strong similarities in the Lehigh culture, such as the strong presence of Greek life, the Brown & White and Lehigh University volunteers.

Initially, there were very few opportunities for women to be included around campus as they were so new to the atmosphere. She recalled one class when she was the only woman in a lecture of hundreds of people, and during the class there was a dog outside scratching at the door. Several minutes later when someone opened the door, the dog came running right onto her lap. "The professor made some comments about how the dog of course goes right to the person who stands out in the whole hall (a female)," said Mary Ann.

She also recalled the social life during her college years, which was different mainly because there were a number of parties open to the whole community. The Residence hall parties would be the most exclusive, as opposed to how it is now when the fraternity parties are generally restricted to the sorority that is invited that night. Yet, at a school with such immense Greek involvement, there were no sororities.

One of her biggest achievements at Lehigh was co-founding a sorority chapter, Gamma Phi Beta.

Mary Ann believes that the three sororities that were simultaneously being started at Lehigh were chosen specifically because they were some of the first that were formed in the country at Syracuse University. These houses were Gamma Phi Beta, Alpha Gamma Delta and Alpha Phi. Starting sororities provided an opportunity for women to network on campus, and enabled these first few classes of women to find houses that would allow women to have a more equal ability to come together like fraternities did. "As pioneering women at Lehigh, we realized that we could really set the stage and make it easier for women after us," said Mary Ann.

She met her husband while she was at Lehigh; he lived on the same floor in Richards freshman year. Now that she has a daughter, Krissy Wymore, here currently in her senior year, Mary Ann has been able to recognize some drastic differences between life at Lehigh during her undergraduate years and the atmosphere now:

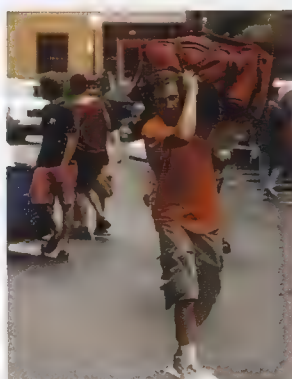

"Campus was always beautiful, but it's more stunning now with walking paths and landscaping. There is also a shuttle available to you students now, which was not around during my years. We had to walk all over campus, including to Saucon Valley! There was also no shopping like there is now at the Promenade," said Mary Ann. One of the major changes of scenery in South

Bethlehem is the Steel Mill. "Bethlehem Steel was still around, and had a great presence in the community, providing many opportunities. Now to see it developed into a casino is so funny!" said Mary Ann.

She returned to campus to take part in the celebration of 40 Years of Women at Lehigh. Over the weekend, Mary Ann was able to reunite with some of her old friends and classmates whom she has not seen in the thirty-four years since she graduated. Lehigh offered a gridiron dinner on Saturday night for the women, and Mary Ann was able to get together with the other five women who played with her on the first powder puff football team. She was also a member of the first varsity women's softball team, and therefore she attended the exhibition of women's sports that was held at Taylor Gym.

The celebration was a great way to recognize the impact that women have made on the university since 1971. Mary Ann has enjoyed being able to share her Lehigh experience with her husband and also her only daughter, who will graduate in the spring. Both Mary Ann and Krissy look forward to returning together in the future to celebrate even more years of women at Lehigh.

Freshmen Move-in

Lehigh Welcomes
the Class of 2015

Rain greeted the early hours of Freshmen Move-In Day, and umbrellas bobbed above heads as students and parents walked into Iacocca Hall on Mountaintop Campus to pick-up orientation packets, parking permits and Hawk's Nest t-shirts. Luckily the rain soon stopped, but then the humidity took over and though it made things a bit sticky, it simply added to an unforgettable first day.

After finally arriving on main campus, locating their dorms and obtaining their room keys and swipe cards, freshmen met their roommate(s) and unpacked. Whether they were from far away and shipped their belongings in boxes, or packed the car tight, they exerted no energy to transport all their possessions up the many stairs. The Orientation Leaders, members of Greek Life, and upperclassmen were ready to assist the newcomers, and in a matter of minutes their rooms were overflowing with boxes, crates and refrigerators and their hands were empty.

The freshmen settled in, making beds, unpacking suitcases and learning their hallmates' names. Soon it was time to go to their first orientation session and say goodbye to parents, siblings, old friends and boyfriends/girlfriends. This parting for some was the moment they had been waiting for, while others cried and held on tight for one more hug. Yet, there was little time to think about it, with residence hall meetings, dinner and a carnival to attend, which had been relocated to the inside of the UC due to the weather. At last, exhausted from the day's activities, students flopped into bed and perhaps thought of home, but most likely the last thought going through their minds was all that awaited them here at Lehigh.

Tamara Huson '15

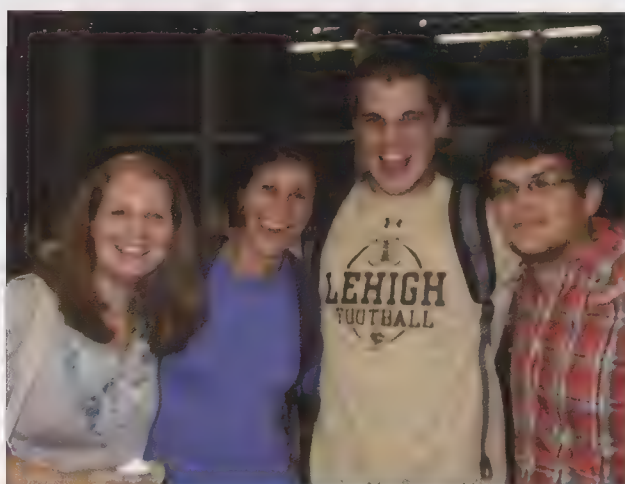

Senior Kick-Off

The Class of 2012 Starts the Year off Right

On Thursday, September 8, 2011, members of the Class of 2012 started their year off with a bang. The Annual Senior Year Class Kick-Off was located in the newly constructed STEPS building where the Class of 2012 gathered for refreshments and music as well as a chance to reconnect with old friends.

Officially making their imprint on campus as seniors, they filled the room with much excitement. A slideshow featuring pictures of seniors when they were freshman allowed individuals to reminisce about the past three years at Lehigh.

Following the celebration in STEPS, the senior class migrated to Molly's, a popular bar located off-campus. The bar featured drink specials and promotions in honor of Senior Night. The Class of 2012 enjoyed the evening and looked forward to upcoming, celebratory events.

Julie Laskin '12

A Great Son of Lehigh

Lee Iacocca Visits Lehigh

Lee Iacocca, '45 — a man President Alice P. Gast described as “a great son of Lehigh” — imparted words of wisdom for a long and happy life to an assembly of Lehigh students; faculty; staff and alumni; and business, community and government leaders from around the world on Friday morning, September 16, 2011. “Over the years, I think I have discovered a few truths,” the 86-year-old world-renowned business leader said. “The secret to living long is enjoying life, and part of enjoying life is to give back. And believe me, giving back really does make you happy. And, I’ve lived pretty long, by the way.” Iacocca spoke at a breakfast reception celebrating his donation of \$1 million in challenge-grant money toward the new Lee Iacocca International Internships program being launched by his alma mater, Lehigh.

In the late 1980s, Iacocca led a four-year campaign to raise the funds necessary for Lehigh to purchase the mountaintop from Bethlehem Steel, which it did in 1991 to the tune of \$58 million. The dining room features glass walls on three sides, which provides a breathtaking, panoramic view of the Lehigh Valley on a crisp, sunny September morning. “It’s always good to come back to Lehigh, especially on a fall day,” Iacocca said.

Iacocca had entered the room arm-in-arm with Gast, as a crowd of about 250 rose to greet him with applause. The audience responded on its feet to applaud Iacocca at different points during his remarks. Iacocca remarked at the size of the crowd and joked with Gast, saying she really knew how to throw a party.

Gast said she noted a special buzz in the air at Lehigh during the week leading up to Iacocca’s visit. “A great son of Lehigh is here with us today,” she said. “Lee Iacocca has

come home.” She thanked Iacocca for his continued efforts on behalf of his country and his alma mater. “Lee Iacocca is once again providing an unparalleled opportunity to Lehigh students,” Gast said of his financial support of the Lee Iacocca International Internships program.

The new program was pilot-tested over the last few summers with steadily increasing numbers of students going abroad. In 2011, nine Lehigh interns worked for companies in Belgium, China, India, Italy, Portugal, Turkey and Ukraine.

Two upperclass students, who participated in the 2011 Iacocca International Internships program, spoke at Friday’s breakfast. Megan Dano, '13, and Michael Arak, '12, are part of the integrated business and engineering honors program at Lehigh. Both students said before their involvement with Global Village and Lee Iacocca International Internships program, they had very limited international exposure.

Over the summer, Dano worked for CFC Consulting Company in Kiev, Ukraine—a place radically different from anything a family vacation in Western Europe could have prepared her for, she said. She described the bleak “Soviet-style” buildings and very limited number of people she encountered who spoke English, as challenges she had to overcome. Dano said she credits her coworkers at CFC for helping to ease the transition; they made an effort to speak only English in the workplace and took her to famous sites and cultural events in Kiev. Dano said the experience prepared her for a future of “travel and work in global markets.”

“It was one of, if not the best, experience I’ve had since coming to Lehigh,” she said. “It

was more valuable than any class I’ve taken.”

Arak said he served as a student host for the Global Village during the summer between his sophomore and junior years and made enduring friendships with interns from all over the world. He maintained some of these relationships throughout the next year and half by visiting his Global Village friends in Spain, Portugal, Italy, Germany and Turkey—“just a little bit farther than Canada,” he said.

Arak spent his Iacocca internship this summer working on supply chain management for IKEA in Turkey. He said participating in the internship was the best decision he made all year.

“I gained life experiences that cannot be replicated in any other type of program,” Arak said. “I grew tremendously over the course of six weeks, and I now have clearer goals for the future, which definitely include more traveling.”

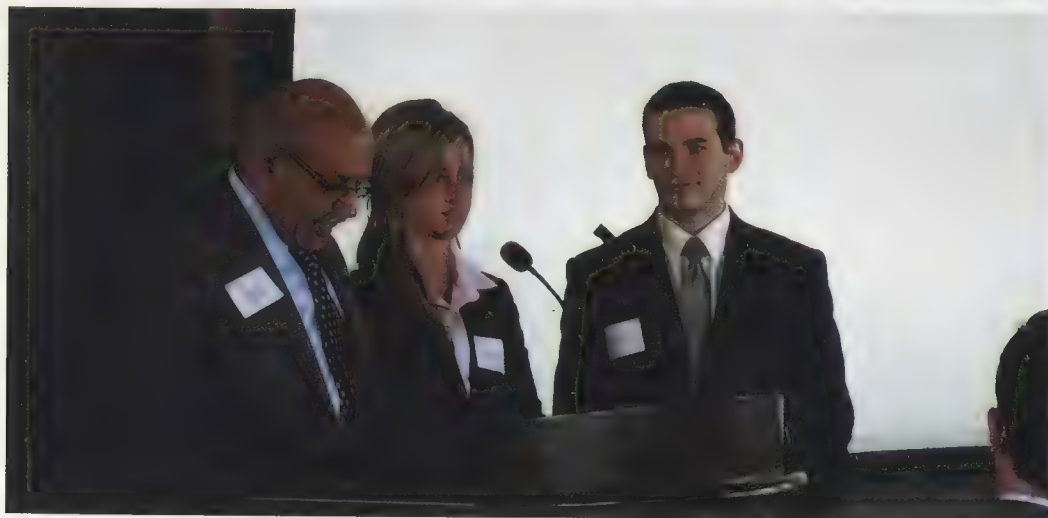

Both Arak and Dano expressed gratitude to Iacocca for his gift to present and future Lehigh students.

“Every student could learn something from this program given the opportunity,” Dano said. “It is a life-changing experience.” Iacocca left the crowd with an exhortation to live a life as committed to helping others as his own continues to be.

“Try to give back; try to help other people especially other students,” Iacocca said. “Education is key.”

A Family Affair

Family Weekend 2011 at Lehigh

Beginning Friday November 4th, 2011, an abundance of family members gathered at Lehigh University to celebrate a special weekend with their loved ones. Following their long-awaited exchange of hugs and greetings, families set out to embark on a fun-filled weekend. Guided tours of the campus, residence halls, and the historic town surrounding the university followed a warm Presidential welcome Saturday morning to all those visiting. Most were sure to be seen crowding into Goodman Stadium to witness Lehigh's football team beat Holy Cross 14-7 in a Patriot League game. The night's highlight consisted of a top-notch performance by popular comedian Myq Kaplan. His show, targeting those of all ages, was a definite crowd-pleaser. Many families rose early the next morning to participate in the annual Family Weekend 5K Walk/Run across Lehigh's own Goodman Campus and to enjoy a glorious afternoon before it was time for everyone to say their goodbyes. This was surely a weekend to remember.

Cassandra Homick '14

Founder's Day

Celebrating Asa Packer's Legacy

As distinguished professors, class officers, and students carrying the four current class flags proceeded into Packer Memorial Church, starting the 133rd celebration of Founder's Day, those sitting in the audience were aware of a proud, scholarly atmosphere hanging in the air. Current students, alumni, family and friends filled the church, excited to be part of this Lehigh tradition. President Alice P. Gast welcomed everyone to the ceremony, reiterating a common theme that receiving a higher education is the key to a better future, and that Lehigh is our key to success. Then the featured speaker Andrea Lavin, Class of 2012, spoke about student leaders as the backbone of the Lehigh community, and how these students are becoming the

influential leaders of the larger world. Both Gast and Lavin commented on how our founder, Asa Packer, would be proud of Lehigh today. The reason behind Founder's Day is this: to recognize the outstanding leaders, in faculty, students, and alumni of Lehigh University, who have done exceptionally well. Class presidents, student senate, graduate student senate, newly promoted and tenured faculty, endowed chairs, and many others were honored. The ceremony ended on a high note with an enthusiastic singing of the alma mater by all, and a pouring out of people from the church for a crowded rally on the STEPS lawn which included food, music and talk.

Tamara Huson '15

"Lehigh students are continuing Asa Packer's vision by discovering and seizing leadership opportunities all over the world. I feel proud about being a Lehigh student and I look forward to witnessing the impact my generation of Lehigh alums will have on this world."

Andrea Lavin '12

"I am optimistic about the future because I have seen the transformation that our students make over their time at Lehigh. I am hopeful because I have seen leadership in action. I think Asa would indeed be proud."

President Alice P. Gast

Morning Cocktails & Tailgates

A Unique Lehigh
Tradition

An outfit of metallic spandex leggings, a construction hat and fairy wings is what you can expect to see a Lehigh student wearing on the Saturday morning of a football game. Dressing up in the most random assortment of clothing has been a tradition at Lehigh for years, as an attempt to psych everyone up for football games. Lehigh students don't just show up for tailgates; around 10 a.m., Morning Cocktails begin!

Members of a fraternity will come to whichever sorority they are hosting for Morning Cocktails that day and wake the girls up by banging pots and pans throughout the hallways, while also blasting music and yelling. Although this is typically an annoying way of waking up on a Saturday, it does start the day off on a fun and exciting note. After dressing in proper 'Mocos' attire, the girls head to the fraternity's house to begin to "celebrate" the game day. The mere fact that everyone is willing to start drinking at ten in the morning, as if it were a party, makes the festivities all the more thrilling! After about two hours, everyone packs into a bus and heads up to Goodman Stadium, where round two begins.

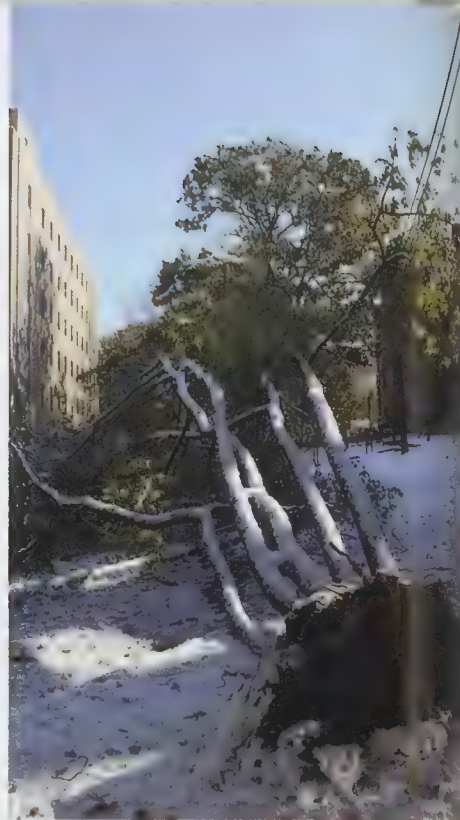

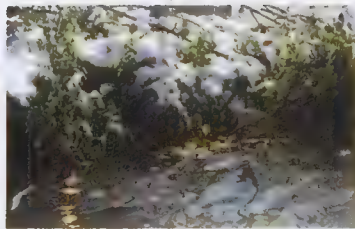

Tailgates have an even more amusing atmosphere, as everyone is still dressed ridiculously and dancing around, but now they are also surrounded by parents, alumni, and professors at the game. A parent once came up to me after tailgates and asked, "I have to know - is there any reason at all that you guys dress that way for the football games?" This is the natural reaction of any outsider that attends Lehigh's home games, yet we students still pride ourselves on carrying on the tradition of neon and costumes to show our unique support for our football team! While many of the 'Mocos' and Tailgate members may not make it inside the actual game, there is always a huge crowd of students around Goodman Stadium on game day!

Erin Cook '13

A Snowy Halloween

The Storm Didn't Halt the Typical Halloween Festivities

"According to twitter a few mins ago, PPL hopes to restore power today to Lehigh... but you can't really trust twitter. Please don't freeze to death, I need 10 people to take Web 2 next semester & if a couple of you die, that's really going to hurt enrollment."

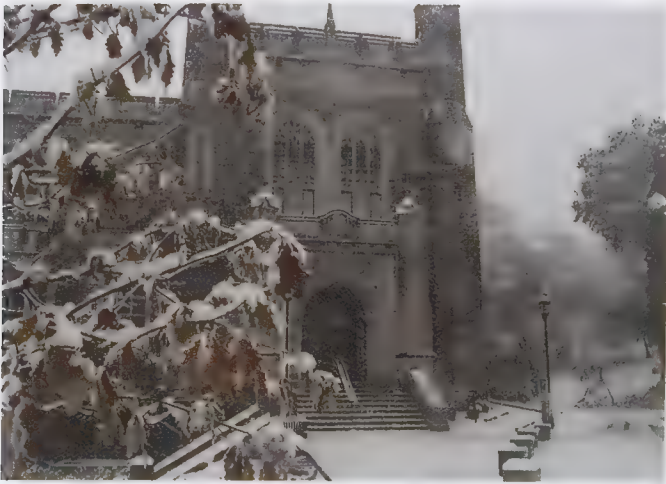

*Web Design Professor
Joshua Miller*

"Lehigh might shine tomorrow night,
Lehigh might shine (x3)
When the power grid goes back up,
and the students come back,
Lehigh might shine"

Steve Hansen '15

Blackout Week

Classes Cancelled on Halloween due to Historic October Snowfall

It was the Saturday of Halloween weekend and students around Lehigh's campus were bundling up in anticipation of the freezing weather, and looking forward to a fun night out. A light snow had started that night and many people watched it continue to fall that morning. Students planned on spending the day in different ways, many involving sitting around with friends and not venturing outside. Some of those plans, however, were ruined once the power suddenly gave out. The snow continued to fall and students and faculty were left without power all through the night and into the morning. Students were told to evacuate their buildings by 5pm. Many went home, but some were stranded on campus for the next three days! They were finally called back to campus after power had been restored on November 2. Classes resumed on November 3.

Kelsey Hoyt, '15

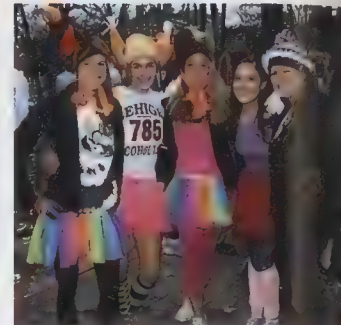

"Another day off...I feel like this is Groundhog Day."

Anna Warner '12

Lehigh Week Lafayette

Mon. Nov 16

SPIRIT MY RIDE

2-5pm

Alumni Memorial Driveway

Free car painting

"I got my car painted to show support for Lehigh on the Alumni Memorial Driveway, and it was pretty funny to have to drive around in my wildly colored car all over campus afterwards," said Sam Goldberg '13.

Tues. Nov 17

KICKOFF CARNIVAL

3:30-6pm

UC Front lawn

"Everyone really came together to start the week of celebration at this event, with great music, food and carnival games," said Alex Phipps '13.

SPIRIT OF LEHIGH PARADE

4:15-4:30pm

"The parade showed the pride that Lehigh has in winning this game," said Liz Keenan '12.

POTATO SACK RACES

4:30-5:30pm

"This is always a hysterical event, as you watch your classmates stumble along to the finish line in the race," said Mike FitzMaurice '12.

ARE YOU SMARTER THAN A MOUNTAIN HAWK?

4-6:30pm

"This competition was really unique and fun to participate in, as it combined academics that we are proud of with our Lehigh spirit," said Katie Prosswimmer '12.

Wed. Nov 18

LEHIGH LAFAYETTE LEGACY

7-8pm

Packard 101

"The presentation made by Joe Sterrett was really great, as he explained the details behind our long-lived Lehigh-Lafayette rivalry, and some of the traditions and events that used to take place years ago," said Erick Walker '13.

HOUSE DECORATING CONTEST

Judging took place in the afternoon

"Every house and residence hall looked so awesome, and really brought a spirited sense of unity on campus," said Abby Brown '13.

Thurs. Nov 19

TURKEY TROT

4:20pm

End of UC Front Lawn

"Lehigh's Turkey Trot around campus this year was the 55th Annual event, and the 2.6 mile run was really a sight with all of the crazy outfits the runners wore. It's great to see all the support that everyone shows outside as the run takes place too," said Alexa Procaccino '13.

LEHIGH-LAFAPALOOZA

9-11pm

Featuring Reel Big Fish and RBC Courtyard

"Lehigh-Lafapalooza was a blast, with Reel Big Fish entertaining during the pep rally to hype up the Lehigh community," said Connor Marr '13.

Fri. Nov 20

BED RACES

5-8pm

Linderman Library

"Bed Races are a great tradition to be a part of at Lehigh, because seeing five people race down the UC walkway in a bed is hysterical and a little dangerous, but always a welcomed event," said Alex Lass '13.

MARCHING 97 ON CAMPUS

"When the marching band strolls casually through every class on the Friday before the big game, no one can help but laugh and take a break from work to celebrate together," said Emma Shannon '13.

Sat. Nov 21

THE GAME

The 147th Meeting of the Mountain Hawks and the Leopards at Goodman Stadium

The Rivalry

Mountain Hawks Defeat the Leopards for the Fourth Consecutive Year

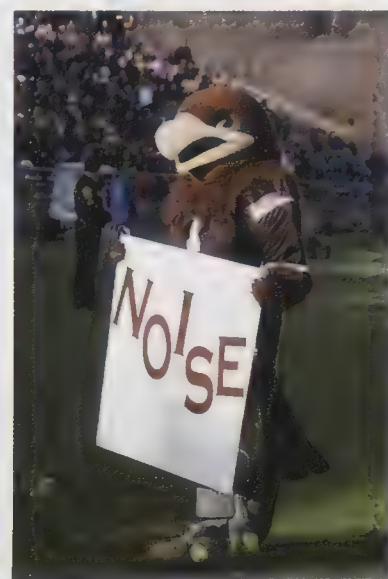

For the 147th year, Lehigh faced Lafayette for one of college football's longest running rivalries in history. Festivities started around 8 am on Saturday morning where students started making their way down to Lehigh's traditional morning cocktails. For the first time all season everyone was wearing Lehigh apparel, decked in brown and white, unlike the typical wacky morning cocktail attire. Later that morning everyone headed over to tailgates where both Lehigh and Lafayette students, along with alumni continued to get hyped up for the game.

Barbeques were smoking and music was blasting as the excitement continued to grow. As it got closer to game time, a sea of brown and white paraded into the stadium with everyone anxiously awaiting the big game. For the fourth year in a row, Lehigh walked away proud with a win. As the final score, 37-13, shone bright on the scoreboard, Lehigh students rushed the field in celebration of another victory.

Community Service Events

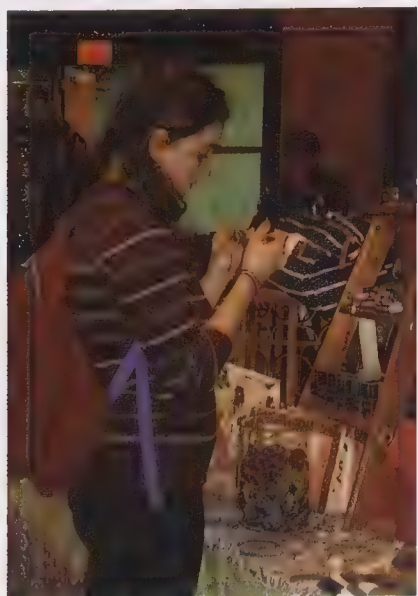

Spooktacular

Fun Halloween Activities for Local Families

Lehigh students put aside their costumes and partying on Halloween this year, and dedicated their time to the local community. Families from Bethlehem came dressed in full costume to Lehigh's traditional "Spooktacular" on the UC front lawn. Various organizations on campus including sports teams, clubs, and Greek chapters hosted booths for all to come visit and celebrate Halloween. Every booth was unique and creative, ranging from decorating cupcakes to face painting and bracelet making. It was certainly a fun way to kick-off Halloween festivities for all families of the community.

Ali Motola '13

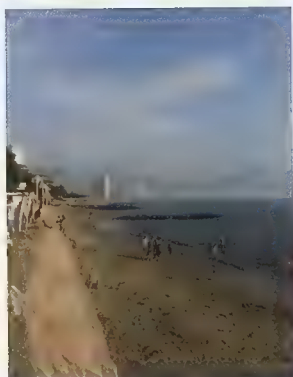

Feel Good Look Good

Building Self Confidence

For the second year in a row, Alpha Chi Omega has successfully put together Feel Good Look Good. On October 25th, 2011 the women of Lehigh's campus gathered together in Lamberton Hall to listen to influential and inspiring women speak about how to build self-confidence. Health Coach Quinn touched upon eating healthy and maintaining healthy sleep patterns, while the Women's Center of Lehigh taught everyone how to foster a healthy mindset. Throughout the entire event, both Loose Threads Boutique and Apotheca Salon from Bethlehem showcased items from their stores. Attendees shopped with the proceeds benefiting Alpha Chi Omega's philanthropy, Turning Point. To top off a great afternoon, Missy Modell, an upcoming artist put on an extremely entertaining performance.

Ali Motola '13

Spring Break 2012

XTreme Trips Hosts
Lehigh in Puerto
Vallarta, Mexico

Eagerly anticipating the start of spring break, Lehigh students arrived at Newark airport as early as 3:00am. They were excited to embark on their weeklong trip to Puerto Vallarta, Mexico for a time they certainly would never forget. They organized their "vacation" through a company called Extreme Trips. The students were greeted at the Vamar Vallarta all-inclusive resort with pina colodas and shots of tequila, foreshadowing a week of absolute insanity. Room keys were distributed and after a quick turn around, the spring breakers followed the sound of techno pulsing through their veins to the beach.

For five straight days, the music didn't stop, the dancing didn't stop, and the drinking certainly did not either. Tequila for breakfast, chips and guacamole for lunch, and tequila for dinner. Everyday the beach was packed with college students not only from Lehigh, but from University of Pennsylvania, Penn State, Miami of Ohio, and Vanderbilt as well. The pool was filled with people both dancing and jumping around. Margaritas and daiquiris flowed from the bar.

After a long day in the sun, people went back to their hotel rooms to take a mid-day siesta; but, the partying didn't end there. This nap was essential to provide everyone with enough energy to keep partying the rest of the night. When everyone woke up, it was time to start getting ready for the club. Each night, Extreme Trips rented out a different club exclusively for their spring breakers. They were able to get well known DJs to come play their sets. Morgan Page, Tim Mason, Lil' Jon, and Deniz Koyu are just a few of the big names that partied with the students. Even though they got back as late as four in the morning, everyone was up at nine, ready to start the routine again. It didn't matter that they got a total of 15 hours of sleep the entire week; they wouldn't have changed a thing about spring break 2012.

Ali Motola '13

For the majority of students at Lehigh, one day a year in particular stands out as the day to let loose and celebrate. This day is St. Patrick's Day.

Traditionally an exclusively Irish holiday, St. Patrick's Day has been opened up to include people of all nationalities at Lehigh. One tradition that is equally as important for everyone to recognize on this day is the Irish drink of choice: beer. While celebrated safely, the students enjoy the united front that Lehigh offers on this day, and engages in a wide variety of events that are prominent both on and off campus. The Hill is full of barbeques with Irish green themes where all are welcome. The fraternities take matters into their own hands to make sure that each house has ample activities, drinks and food to entertain all who stop by.

Off campus, the seniors and the older crowd mirror the celebration on The Hill. There are outdoor barbeques at different houses, and it is a great atmosphere to wander through town, where you are guaranteed to find many groups of friends to enjoy yourself with. Since the residents of these off campus houses are mostly seniors, this party also continues down to the bars. Molly's is jam-packed, and it is very difficult to even make it in the door! Tally Ho, Leon's and other local bars also receive their fair share of business from all the "Irish for the day" students.

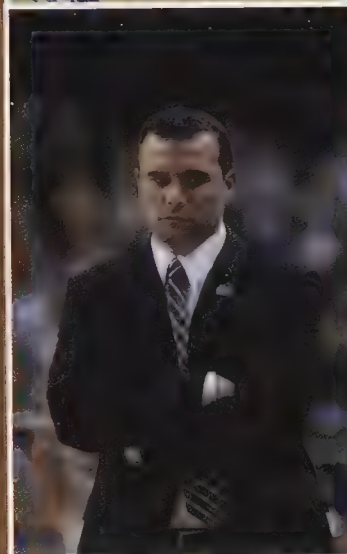

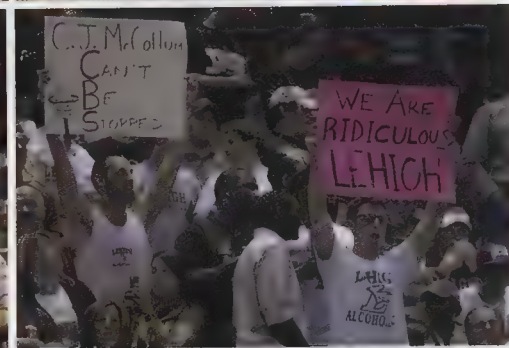

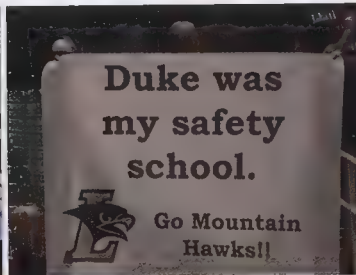

Ultimately, St. Patrick's Day is a decidedly annual event dedicated to coming together and enjoying the fun and carefree atmosphere that is Lehigh. If you're not Irish, and you go to Lehigh, you are an honorary Irish on March 17th.

The Excitement on Campus

We Beat Duke

Lehigh, #17 Seed, Takes Down #2 Duke in NCAA Tournament

The Lehigh University men's basketball team upset Duke University 75-70 on Friday, March 26, and advanced to the third round of the NCAA Tournament for the first time in school history.

"I sit here humbled today by these wonderful student-athletes who have invested so much time into their academic pursuits, building character, being unified as a team and ultimately fighting through a great deal of adversity through an entire season to grow and learn together," Head Coach Brett Reed said.

Junior guard CJ McCollum led the charge with 30 points, six assists, seven rebounds and two steals. "When I get the ball I try to clear my mind and read the whole floor, the entire floor," McCollum said. "But usually when I have the ball, I'm trying to make a play for my team."

"I want to congratulate Lehigh, their kids played a great game," said Duke Head Coach Mike Krzyzewski. "They had the best player on the court tonight in McCollum. He's been their Player of the Year, and he's really one of the outstanding players in the country. You could see why tonight."

Junior forward Gabe Knutson finished the game with 17 points and shot a perfect five for five from field goal range. Knutson also contributed eight rebounds and one block.

The first half was a seesaw battle with four lead changes and seven ties. Despite tight coverage and numerous double teams, McCollum led first half scoring with 12 points.

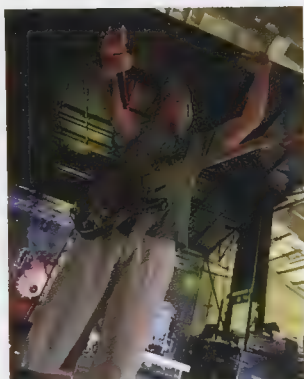

The Hawks played tight perimeter defense and held Duke's star guard Austin Rivers to a mere four points in the first half. The Blue Devils came out strong in the second half, and pulled out by five to lead, 37-32. The Hawks came back, taking a 50-49 lead after sophomore guard Mackey McKnight drained a critical three pointer. Lehigh never lost the lead, and they made 10 clutch free throws in the last minute of the game to seal the win.

Duke forward Mason Plumlee gave the Hawks the most trouble, scoring 19 points and grabbing 12 rebounds. But, the Hawks ultimately prevailed, showing composure and poise to come out with the victory.

Sunless Sundaze

A More "Intimate"
Concert in the RFH

Despite warnings of rain and lightning, students gathered together in Rauch Field House, the prearranged rain location for the annual Sundaze concert on Saturday, April 21. The event's headliners, Slightly Stoopid, took the stage and energized the smaller-than-usual Sundaze crowd with their reggae, acoustic rock and blues jams. Radical Something was one of the opening acts for Sundaze. As the concert was not in its usual home of Sayre Field, many students said they felt discouraged from attending, which vocalist, Miles Doughty of Slightly Stoopid acknowledged as much. "I love Slightly Stoopid and have always been a huge fan but because it's inside a little part of me didn't really want to go," said Sarah Lynott, '13.

However, the two vocalists, Doughty and Kyle McDonald, of the five-person band, soldiered on and referred to the concert as "intimate." "There would obviously be a bigger crowd had it been outside," Doughty said. "But it was cool because we got to tailor our set to the audience." The setting inside Rauch Field House provided a close, intimate atmosphere for this year's Sundaze concert. Radical Something vocalist, Josh Cocktail, said he appreciated the energy of the Lehigh students.

In Loving Memory

Debbie Pearsall

Debbie Pearsall was an amazing person. The experiences, friendships, strength and wisdom that she possessed showed me how much she packed in to a life cut short. Her ability to make me laugh and smile is something I will never forget. Debbie fought for what she believed in, supported those who needed her, and took every chance to make your day better. Debbie epitomized the perfect friend. Everyone knew when Debbie was in the room; she was engaging, funny, and always had the best stories to tell. She changed everyone she met for the better. We are all extremely lucky to have had the chance to get to know Debbie, and I will be forever thankful that I had the honor of calling her my friend.

Mary Nunley '12

"I wanted her to be remembered by everyone who walks through these doors, even those who didn't know her. Just like Debbie, it's not going anywhere."

Matt Brietel '12

This beautiful memorial was dedicated in loving memory of Debbie Pearsall on Thursday, April 5, 2012. Debbie's closest friends and colleagues spoke in her memory, including Jack Lule, chair of the journalism department, and Matt Breitel, '12, who helped organize the planting of the tree and the dedication.

colleges & disciplines of study

--	--	--	--	--	--

College of Arts & Sciences

New Dean of the College of Arts & Sciences: Donald E. Hall

Donald E. Hall was named the new Dean of the College of Arts and Sciences at Lehigh University on July 28, 2011. Hall has expressed how much he loves the warmth of the Lehigh community and how supportive the faculty and students are of one another. Dean Hall is excited to work with the students, who he says are world class.

Donald E. Hall grew up in rural Alabama and was a first generation college graduate. Early in his life, Hall became committed to diversity issues because of his life experiences and is now committed to better diversifying the Lehigh community. Before coming to Lehigh, Hall worked at California State North Ridge and then West Virginia University in 2004. He served as department chairs at both colleges and is now excited to be in a deanship position at Lehigh.

Hall's main goal as Dean is to diversify faculty and students; he will consider himself successful if there is an increase in diversity over the next five years. One of the ways in which Dean Hall will work to reach this goal is by making sure that the new faculty members he interviews come from diverse backgrounds. He wants to bring more women into the sciences, and bring more African Americans and Hispanics into the entire Lehigh community to better mirror the diversity of the larger American community. He has recently hired a new director of Africana Studies and has hired a new faculty member from Ghana. He hopes that a diverse faculty will help to draw in more diverse students.

In addition to diversifying Lehigh, Dean Hall also wants to offer more research opportunities in the Humanities and Social Sciences. The Strohl awards, which were made possible by a donation from Dale S. Strohl, '58, are meant to provide these exciting opportunities for students to conduct research. Further, Hall wants to change the first year writing requirement in order to make sure that the curriculum is properly advancing the writing skills of the students. Dean Hall is also very passionate about developing deeper ties to Africa and African Universities. Earlier in his career, Dean Hall was a professor at the National University of Rwanda and wants to open up some opportunities for students to do research with various universities across Africa. He hopes that the students can have the same life-changing experiences that he has had.

Whether he is trying to diversify the campus or facilitate more research opportunities, Dean Hall has many great goals that he would like to achieve throughout his future at Lehigh. With his passion and determination, Dean Hall will serve as a great asset to Lehigh University.

Mariel Tendler '13

"South Mountain College provided one of the best learning experiences for me. I have learned to think critically and not be afraid to debate my opinions, as long as facts are correct. I recommend that style of learning to any student coming into Lehigh who would like to not just get a degree but also become a better thinker in the future."

Mary Soplop '12
Graphic Design & Asian Studies

"Academics were the main reason I came to Lehigh and I was not disappointed. The opportunity to connect with professors and peers on a deep intellectual level was something that really attracted me to Lehigh. I would not have traded my experiences in the classroom here for anything else."

Aaron Wilensky '12
Political Science

Professor Profiles

Keith Schray - Chemistry

Keith Schray is known at Lehigh for being a great Professor of some very hard classes, including organic chemistry and biochemistry courses. "He is the ultimate teacher," explains freshman organic chemistry student Adam Long, "he possesses the knowledge of a teacher and the ability to think like a student." Despite the academic rigor of the courses taught, Schray is known to be a very approachable and friendly Professor. Having received his Ph.D. from Penn State in 1970, Schray has been a member of the Lehigh community since 1972, serving as both Professor and Chair of Lehigh's Department of Chemistry. In addition to numerous awards, grants, and publications in both chemistry and education related topics, he has consistently won notable outstanding teaching and service awards throughout his career, and it is evident that he is much appreciated by the University and its students. "I'm good at interacting with people," states Schray, "I advise well, I have a good rapport with my classes, I have a touch of nuttiness which I don't hide." He goes on, "I care about my students in whatever venue it is, and

students pick up on that very easily and that relationship makes everything go better. I'm patient and not easily frustrated so that kind of problem doesn't crop up to hurt the interaction." Schray's genuine care for his students is one of the traits that make him a very special and esteemed member of the Lehigh community. Demonstrating his passion, Schray offers the following message to Lehigh students: "By now you know that Lehigh academically does two things well, better than most places. One is to make you work hard - way past what you thought possible. You simply don't know how amazing you can be till you've been pushed, pulled beyond, way beyond, what you thought yourself capable of. The second is to think. Most of us go through high school not doing that and college is supposed to make that rote approach impossible. To be competitive in the world you have to outperform machines; and so far they don't think. And if we've beaten you down in this competitive, challenging environment to the point that you are not sure of yourself anymore, wait until you get to the real world - you'll be impressed with how you stack up."

Jeremy Littau - Journalism & Communications

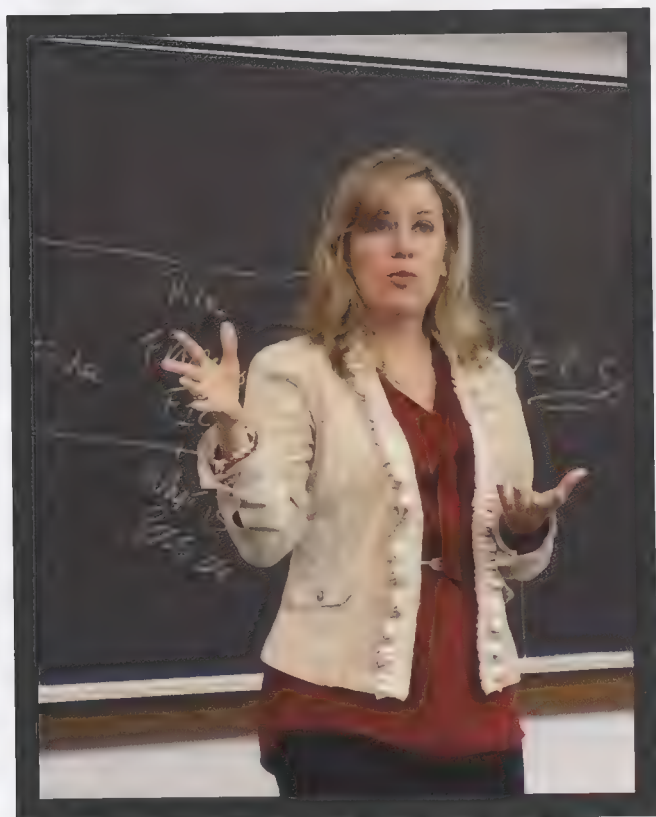

Professor Littau has taught media studies in the Department of Journalism and Communications since 2009. He received his M.A. and Ph.D. in Journalism from the University of Missouri and has worked in his field for 10 years before coming to teach at Lehigh. Professor Littau is very passionate about his field and strives to teach students the importance of communications in society. He believes that the story of human history is intertwined with the story of developing language and communication. In his Media Studies class, he stresses the importance of how we communicate and its impacts on our society. To relate this directly back to his students, Professor Littau works to educate his class on how to carry themselves on social networks and maintain a respectable image online because that is how society judges them.

The reason why Professor Littau began teaching was to convey a message to the younger generation about the impacts of communication and stress the topic of media studies in a way that he could not achieve through his prior work. He finds more fulfillment and satisfaction in teaching and in the strong personal relationships he builds with his students in watching them grow intellectually over the years. Professor Littau is truly enthusiastic about teaching and finds his impact on students, well after they have taken his course to be the most rewarding part of his job. The most cherished moments in the span of his career are hearing back from students about their continued interest in the topics he taught them, knowing that he has truly influenced his pupils with his teachings about topics he loves.

College of Business & Economics

Bidding Moral Courage: Cynthia Cooper, whistleblower in WorldCom accounting fraud, visits Lehigh

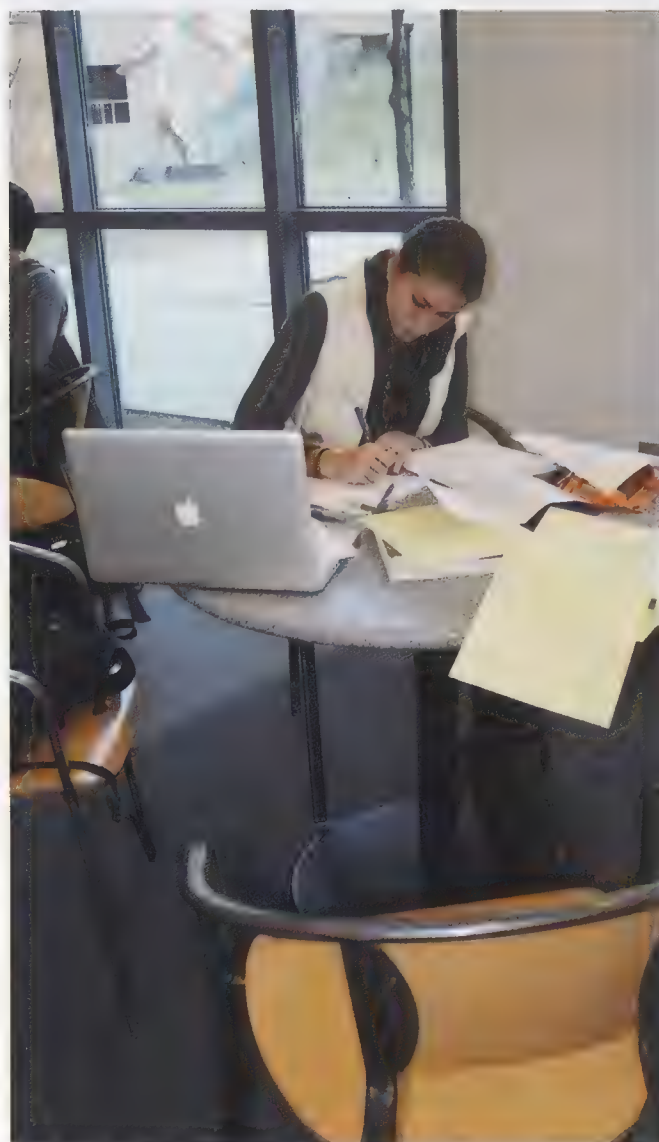

One of the main endeavors of the College of Business and Economics is to educate students about the importance of business ethics in order to create well-rounded, principled members of society upon graduation from Lehigh. In the midst of a major recession and several company frauds and scandals, this emphasis on ethical business practices aims to aid students in their future careers to act with integrity in accordance to their values. To supplement the current business ethics course offered, the College of Business and Economics also invited Cynthia Cooper, renowned whistleblower in the WorldCom accounting fraud, to come speak to students about acting on what is right in the face of adversity. The event was an open-forum style talk in which Cooper interacted with the audience while retelling her harrowing story about discovering and subsequently reporting one of the largest frauds in history. The WorldCom case resulted in multiple convictions of several upper management employees and spurred on the enactment of the Sarbanes-Oxley Act, which introduced harsher regulations on public company accounting and financial recording.

Cooper, who left the company and became a speaker, had an inspirational message for students about acting on personal instincts and not being afraid to stand up to those ranked above you when you feel something is wrong. Having the moral courage to do what is right even when it is more difficult is the foundation of ethics in business and in life. The lesson learned from her story is that every individual in a corporation is responsible for their own actions and one should not compromise personal values for anyone. While she was speaking about business ethics and corporate responsibility, the insights Cooper had to offer can be applied to any moral dilemma.

Jennifer Nguyen '15

"Lehigh has provided me with a wealth of opportunities inside and outside of the classroom. Leaving this university, I feel like I have been given the tools to really make my way as a leader into the world - and I have the professors, advisors, and rigorous curriculum to thank for that."

Jena Viviano '12
Finance & Marketing

"I have had an amazing academic experience at Lehigh and truly believe I am ready to start my career."

Brendan Hannon '12
Finance

Professor Profiles

Geraldo Vasconcellos - Finance and Economics

December 5, 1949 –
August 29, 2011

Professor Vasconcellos was a respected professor in the Perella Department of Finance with an undergraduate college background in technology. Born and raised in Brazil, he earned a B.S. in Telecommunications in 1971 from the Military Academy of Agulhas Negras, after which time he spent seven years as a Signal Corps officer in the Brazilian Army. For three years, he taught at the Military Academy and earned a second Bachelor's degree in Economics from the State University of Rio de Janeiro. Professor Vasconcellos continued his education after resigning from active military duty in 1979, and pursued an M.S. in Business with a concentration in Finance from the Federal University of Rio de Janeiro, which he earned in 1981. Later that same year, Professor Vasconcellos moved to the United States to attend the Ph.D. program at the University of Illinois at Urbana-Champaign.

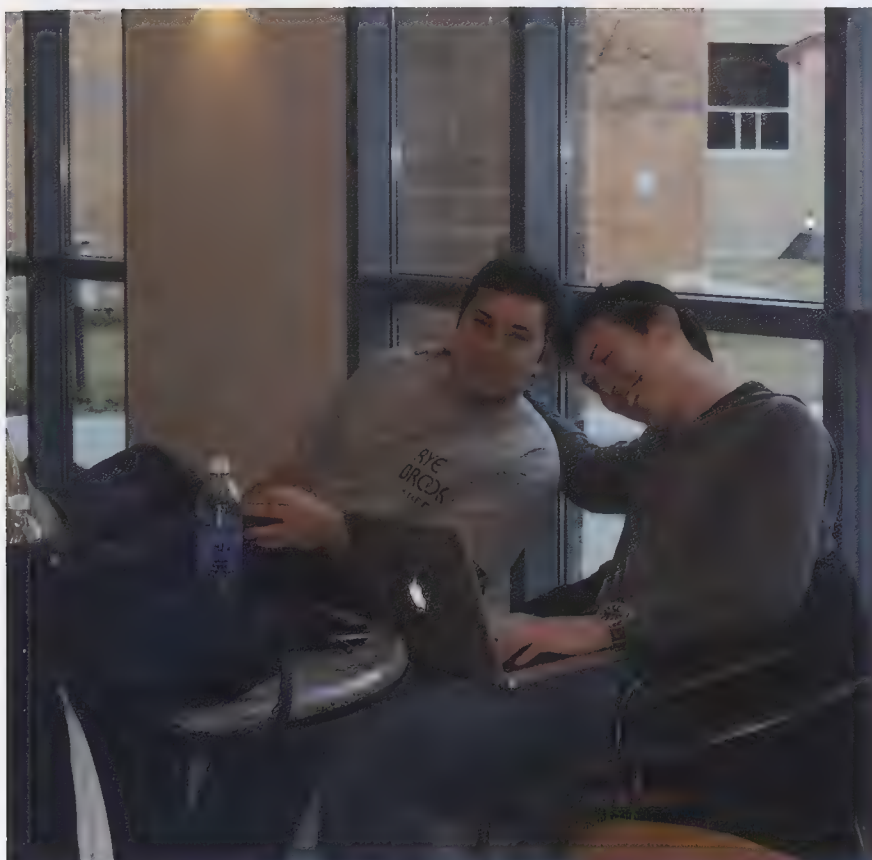

His passion for finance and economics is reflected in his extensive education and teaching career. At Lehigh, he won several teaching and research awards. More recently in 2006, Professor Vasconcellos was awarded the Deming Lewis Award, which is given to, "a person who was a faculty member while the ten-year reunion class was in school and who is judged by the ten-year reunion class to have most significantly influenced their members' educational experience." Professor Vasconcellos was highly admired for the energy he brought with him, both in and out of the classroom. He was an enthusiastic teacher who loved the subject he taught as much as his interactions with his students. Known for his Brazilian pride and service to the University, Vasconcellos will be missed by the entire Lehigh community. He is survived by his wife, two children, and grandson.

Todd Watkins - Economics

Professor Watkins currently holds the Arthur F. Searing Professorship, a three-year award given out by Lehigh University to one faculty member at a time. Having graduated from the University of Rochester with a Bachelors of Science, Professor Watkins went on to earn his Master of Public Policy and Ph.D. from Harvard University. He is also the Executive Director of the Dexter F. Baker Institute for Entrepreneurship, Creativity and Innovation and the Director of Lehigh's Microfinance Program. Professor Watkins is highly involved in the Lehigh community due to his role in co-founding Lehigh's Community Research and Policy Service (Lehigh Corps) and Integrated Product Development Program. He has won multiple teaching awards including Lehigh's MBA teaching award and Outstanding Instructor, for which he is a four-time winner.

Professor Watkins' work is highly distinguished and varied. His writing has been featured in publications such as Science, Research Policy, Technology Review, and Industrial Relations, among other journals and books. His interest and passion for Microfinance can be seen in his writing, activities, and organizations that he is a part of. In addition to teaching courses in the Department of Economics, Professor Watkins also works as a research consultant to the U.S. Department of Commerce's NIST Advanced Technology Program, the U.S. Congressional Office of Technology Assessment, and is a member of The National Academies' Committee on Innovation Models for Aerospace Technologies, and advises NASA. His expertise and involvement are a great contribution to the University and his programs seek to promote innovation in the fields of technology and Microfinance worldwide.

P.C. Rossin College of Engineering and Applied Sciences

Change in the Freshmen Engineering Curriculum

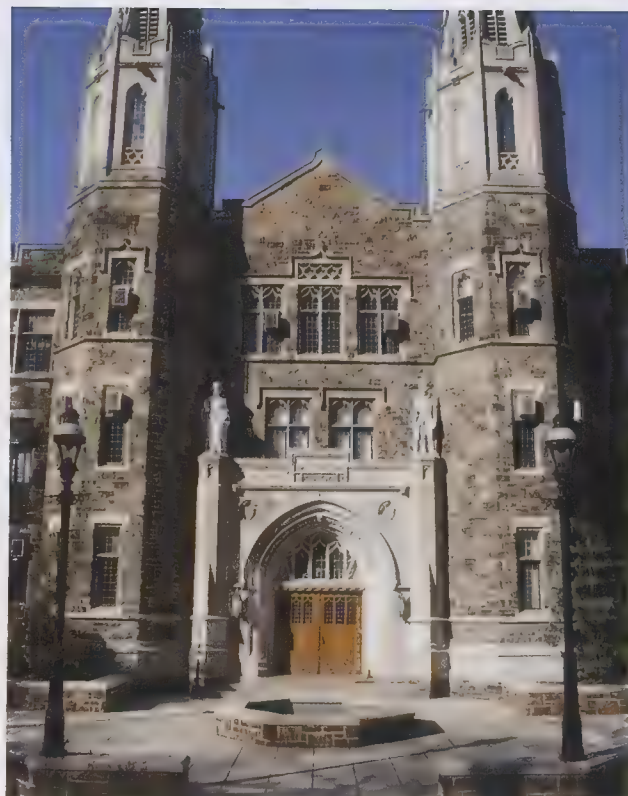

Incoming freshmen engineers starting in the Fall 2011 Semester experienced a brand new experimental curriculum. Rather than enrolling in ENGR 1 and ENGR 5, the introductory courses offered in previous years, freshmen found two new numbers on their schedule: ENGR 97 and ENGR 98. These experimental courses correspond to Applied Engineering Computer Methods and Introduction to Engineering Practice, respectively, each two credit courses. These new courses have a similar foundation as their previous counterparts; but changes in the number of credits and class time, in addition to the changed curriculum, seeks to “make beginning computer programming more exciting and relevant to students” as well as “provide room for an elective in the first year,” says Dean Gregory Tonkay. The change in number follows Lehigh’s standards for any provisional course (ending in 95, 96, 97, or 98), and both will likely be renumbered if found to be successful. ENGR 98 is very similar to ENGR 5, and it will likely be renumbered to the original course number. On the other hand, ENGR 97 has vast differences from ENGR 1 will likely earn it a new number in the course catalog. The ENGR 97 curriculum involves the use of MatLab, a useful programming environment for engineers, and Arduino, a programmable circuit board which bridges the gap between theoretical code and physical feedback. This is in contrast to the ENGR 1 course, which focused on the utilization of the C++ programming language. Tonkay explains, “our hope is that students will be more excited about this approach to programming” as opposed to ENGR 1 which focuses on “numerical methods and more theoretical engineering problems to learn how to program.” Overall, the newly structured freshman engineering courses are expected to hook Engineering students with a simplified but dynamic curriculum.

Marc Weiner '15

"Lehigh has always been known for its outstanding academic achievement. During my time here it has proved to be both rigorous and rewarding endeavor. Looking back, I realize that my education at Lehigh encompasses so much more than what I have learned inside the classroom."

Jill Erbrick '12
Material Science & Engineering

"During my time at Lehigh, I have learned what it is like to truly study and do schoolwork outside of the classroom. I've also learned to get past obstacles such as bad grades even though I studied for hours, because I can't let a bad grade get in the way of my ultimate goal."

Anonymous
Civil Engineering

Professor Profiles

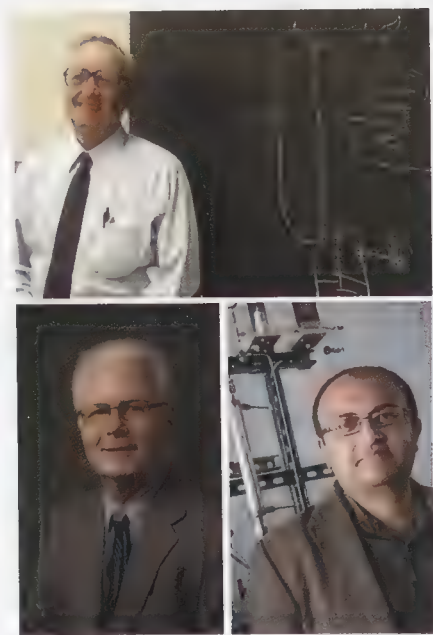

Arup SenGupta - Civil & Environmental Engineering

Dr. Arup SenGupta exemplifies the intersection of academia and global citizenship. A professor in the departments of Civil and Environmental Engineering and Chemical Engineering, SenGupta has been a member of the Lehigh community for over 25 years in addition to his years of professional experience. Lehigh students may know Professor SenGupta from introductory and advanced Environmental Engineering courses. In addition to his professorship at Lehigh, SenGupta has numerous scholarly publications, patents, and awards, which attest to the incredible contributions he has made to his field. His focus is water decontamination, which includes numerous international projects and extensive research. He has recently been awarded the Fulbright Environmental Leadership award for his current project, an inexpensive water filtration system to remove arsenic and other deadly

contaminants from water sources. SenGupta traveled to India for six months beginning in January 2012 to work on this effort as part of an ongoing project there, for which he has received numerous awards. Concerning his work, SenGupta says, "Developing innovative water technology is my primary research interest. I try to identify difficult research problems that, when solved, will have a meaningful consequence for real people." Yet another example of his contribution to society is the non-profit Tagore SenGupta Foundation, whose motto is: "Knowledge is not enough, we must apply. Willingness is not enough, we must act." Professor SenGupta clearly practices what he preaches, shown by his involved hands-on approach. In addition to his international engineering work with Lehigh, Professor SenGupta has published three books of poetry.

Tony McHugh, Mayuresh Kothare, and Bill Luyben

Clockwise from top: Professor Luyben, Professor Kothare, & Professor McHugh

This year, three members of Lehigh University's Chemical Engineering Department were especially successful. Professors Mayuresh Kothare, Anthony McHugh, and William Luyben were each honored by professional engineering societies for their contributions in their respective fields. Professor Kothare, a chemical engineer, was honored by the Institute of Electrical and Electronics Engineers (IEEE) as a new Fellow in 2012; a very prestigious honor, for "contributions to multivariable constrained control systems and model predictive control." Kothare's honor is especially great as he is one of two new Fellows who are chemical engineers in a society made up of mostly non-chemical engineers, reflecting his wide multidisciplinary contributions. Professors McHugh and Luyben were both honored by the American Institute of Chemical Engineers (AIChE) for their contributions.

AIChE recognized Luyben for his work in distillation. Luyben has been a professor at Lehigh for 45 years and his research focuses on design and control. McHugh, the current Chair of Lehigh's Department of Chemical Engineering, was honored as a Fellow in 2012, stating, "Being named a Fellow is a truly special honor, especially because it's an honor coming from professional colleagues." These three honorees demonstrate Lehigh's commitment to excellence in both education and research. Kothare reflects on his role at Lehigh: "My research and training goals are two-fold: produce highly trained and motivated students ... and conduct research that is widely useful and relevant to the field." These two goals are evident in many of Lehigh's faculty and are a big part of what makes Lehigh such a great University.

Integrated Programs

Integrated Business & Engineering (IBE)

Danielle Papermaster

Danielle Papermaster, a senior in IBE from Austin, Texas, who started in the IBE Program during her sophomore year. Danielle began in the School of Arts and Sciences during her first semester at Lehigh and was also in the Global Citizenship program. By her second semester, Danielle switched into the College of Business and Economics, and finally into the IBE Program at the start of her sophomore year. She chose to join the program because she was very interested in having an engineering background while also pursuing a business degree. She is currently majoring in Mechanical Engineering and is truly enjoying her studies through the IBE Program. Danielle said that the most beneficial thing she has learned in IBE has been the importance of integrating the

communication skills of the business world with a technical engineering background. Danielle would definitely recommend IBE to other students, but says that you will be challenged and forced to work hard. "If you're willing to do those things than the reward is there and will pay off." After graduating, Danielle plans to pursue operations jobs at engineering companies. Having been accepted to a leadership development program at Lockheed Martin, Danielle is still considering her options but she feels very lucky for the opportunities the IBE Program has given her.

Dor Ghivoni

Dor Ghivoni, a senior in IBE, was originally born in Tel-Aviv, Israel but moved to Fair Lawn, New Jersey at the age of nine, where he currently lives. Dor is involved in many organizations on campus such as The Hillel Society, the CHOICE/Sub-Free Community, Marching 97 and he also plays the trumpet in the Symphonic Band. Dor is majoring in Finance and Industrial Engineering. The rigorous, unique curriculum that is IBE drew Dor to the program. The opportunity for him to take both business and engineering courses along with the Freshman Workshop and Senior Capstone courses appealed to him. Throughout his four years in the program, Dor has had the chance to

network and develop good connections with students and professors. The life-long friendships that he has made throughout his time in the IBE courses have proven to add to his Lehigh and overall college experience. Largely, Dor believes that the most beneficial part of the program has been the opportunity to work on real-world problems and have the chance to collaborate with other students to develop and present solutions to those problems. After graduating, Dor will be working for the Nielsen Company in their Emerging Leaders Associate Program.

Computer Science & Business (CSB)

Armando Berdeil Chavez

Armando Berdeil Chavez, a senior and President of the CSB Program, is from Trujillo Alto, Puerto Rico. The Diversity Life Weekend at Lehigh initially drew Armando to the University. His passion for technology and the benefits of having a technical, as well as a business background, was something Armando saw to be very beneficial. CSB allows students to be knowledgeable in business strategy and to be able to program codes that companies will implement. He says that the program is very challenging, but there is much to be gained from the experience. As President, Armando loves working with a dedicated board to plan social, academic and professional events. He has planned Go-Carting, laser tagging, web-design workshops and has hosted companies such as IBM, Accenture, and KPMG.

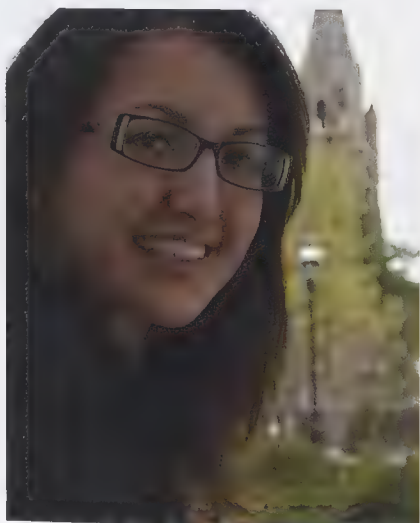

One of the greatest opportunities the CSB Program has given Armando was his trip to Lusaka, Zambia. Armando and a team of

students traveled to Africa to make a database and phone program for the locals, to enable better communication. The CSB Program paid for the flights, meals, sleeping arrangements and two safari trips. The students were able to experience the culture, see exotic animals and eat exotic foods. Armando said that this was his favorite Lehigh experience and it could not have happened without the CSB Program.

Armando definitely recommends the program to other students for its benefits as well as its versatility and rigor. CSB boasts that 100 percent of members receive job offers or acceptance into graduate schools upon graduating, which is outstanding. Armando will be working at an engineering and software company after graduation and he is very excited to start his career.

Integrated Degrees in Engineering, Arts, and Sciences (IDEAS)

Deniz Cetin

Deniz Cetin, a senior from Turkey, has greatly enjoyed her experiences in the IDEAS program at Lehigh. When she first came to Lehigh she wanted to pursue both Molecular Biology and Engineering. After receiving an email about the program, shortly after being admitted to Lehigh, she knew the IDEAS program would allow her to study both of her passions. She is currently studying Molecular Biology and Chemical Engineering and has enjoyed building her degree around these two fields. The IDEAS seminars have been especially interesting to Deniz. These

seminars have truly helped her to think on a deeper level about topics such as engineering ethics, engineering and society, and engineering and media, to name a few. Upon asking Deniz if she would recommend this program to other students she said, "Definitely! IDEAS is an exceptional experience for anyone with interdisciplinary interests." After graduating, Deniz plans to go to graduate school and obtain a PhD.

athletic teams

Football

Lehigh's football team had yet another astounding season, finishing 11-2 overall and 5-0 in the Patriot League. The Mountain Hawks' win over Georgetown qualified them for the NCAA FCS playoffs for the second straight year. It also marked Lehigh's eleventh straight win over the Hoyas. Following the game, junior cornerback Bryan Andrews and sophomore kicker/punter Tim Divers received Patriot League Defensive Player of the Week and Rookie of the Week awards, respectively.

Heading into the highly anticipated matchup against Lafayette, Lehigh fans had little reason to be nervous. In front of a crowd of about 16,000 at Goodman Stadium, Lehigh defeated Lafayette 37-13 in their 147th meeting. Lehigh students proudly wore their "#rivalry147" shirts and showed a great deal of school spirit as their team proved victorious for the fourth year straight.

"We came out today and played with a lot of passion and emotion," Coach Andy Coen said. "The execution on defense was excellent the whole game, and offensively we made all of the plays that we needed in order to come out with the victory."

The following weekend, the Mountain Hawks defeated Towson with a score of 40-38 to advance into the quarterfinals of the NCAA FCS playoffs. On December 10, in its fourth appearance in the National Quarterfinals, Lehigh faced number two seed North Dakota State. Despite their glorious season heading into the game, the Mountain Hawks fell 24-0, ending a season full of hard-work.

Jacquelin Botello '14

"The highlight of the season was winning the Patriot League Championship and beating Lafayette to a sold-out crowd in Goodman Stadium. My favorite memory is beating Lafayette on their home turf last year."

Keith Sherman '14

"I think that we need to continue being hungry. We had a great season but ended it with a tough loss so we need to work really hard this offseason and get some key guys healthy and then try to win an eleventh championship and make it even further in the playoffs."

Senior Spotlight: Chris Lum

In his second year as starting quarterback, Captain Chris Lum once again led the Mountain Hawks to a successful and hard-fought season.

Lum was recently named a finalist for the Walter Payton Award, given to the division's most outstanding offensive player, making him the first Lehigh player to be nominated in its twenty-five-year history. Lum will be the third Patriot League player to earn the award. He was also named Patriot League Offensive Player of the Year and earned First Team All-Patriot League honors for the second consecutive year.

Additionally, Lum has surpassed or challenged every significant Lehigh single-season passing mark. In eleven games this season, Lum completed sixty-seven percent of his passes for 3,739 yards and thirty-one touchdowns. He has set school records for yards and completions (297), a record set by Glenn Kempa in 1991, and continued on to tie Kempa's single-season touchdown mark.

"What I will miss the most is playing with my best friends at practice every day and the games on Saturday," Lum said. "I have made some very strong friendships these last four years. Even though we have a one-hundred-man roster, we're all brothers and are very close."

"Without a doubt the highlight of this season was our second round playoff game against Towson. It was a back and forth battle all day long and it was our first game where offensively and defensively we came together and made plays in the clutch."
Ryan Spadola '13

Men's Soccer

Lehigh men's soccer team completed another successful season of soccer this fall, with an overall record of 8-4-6, a 4-4-2 record in the patriot league, and an appearance in the Patriot League semifinals, the team's third straight and tenth appearance in the last twelve seasons.

After opening the season with a loss and a tie against Stony Brook and Fordham respectively, the team's confidence matured with a win against Yale. The team then traveled across the country to the CAL Legacy Classic in California, where they tied nationally-ranked Berkeley and defeated Stanford. Shortly thereafter, the Mountain Hawks were triumphant in their Patriot League opener; defeating Bucknell in double overtime.

The team followed the exciting win over Bucknell with a tie against Colgate, a close 0-1 loss to school rival Lafayette, and a hard-fought tie to Penn. The Mountain Hawks bounced back with three consecutive wins over Navy, Albany and Holy Cross, and then suffered two tough losses to American and Princeton. The team's final home game against Army was a decisive 3-0 win that sent them into the Patriot League semifinals against Colgate. Unfortunately, the team was outshot 5-4 in double overtime penalty kicks, ending a fairly successful season too early.

Although the team will lose eight seniors going into next season, a strong incoming class will further bolster the team's defensive dominance, giving hope that this strong squad will lead the Mountain Hawks towards an even more successful season.

Megan Hoyt '13

Senior Spotlight: Kevin Strunk

Senior Kevin Strunk has proven to be a solid defenseman and overall great teammate throughout his Lehigh career. In his final season of soccer at Lehigh, Strunk was named to the MAC Hermann Trophy Watch List, which acknowledges outstanding accomplishments by the year's best college soccer players. He was also unanimously named the Patriot League Defensive Player of the Year. Strunk also earned NSCAA First Team All-Mid-Atlantic Region, ECAC Division First Team All-Star, First Team All Patriot

League, Patriot League Championship All-Tournament Team, and CAL Legacy Classic All-Tournament Team honors.

"Being a Lehigh student-athlete means being held to a certain standard of academic and athletic excellence, and living up to the legacy and expectations established by past Lehigh student-athletes," Strunk said. His commitment and talent led Lehigh's nationally-ranked defense over the last several seasons, earning him the team's Athlete of the Year award and ensuring his time at Lehigh will not soon be forgotten.

Women's Soccer

Top Row: Mary Grace Doyle '13, Sophie Mayeux '15, Jana Basubas '12, Rosie Vitta '14, Jaime Townsend '13, Jordan Goodwin '15, Hannah Cochran '12 **Middle Row:** Ali Griffin '14, Emily Strackhouse '14, Ardyn Olszko '13, Ali MacLeod '12, Isabel Clements '15, Heather Camperson '14, Darby Wiegand '15, Paige Dyrek '14, Ashley Blanks '15 **Bottom Row:** Leak Kulp '12, Genana Pepe '12, Katie Gavalchijn '14, Murphee Greeley '14, Danielle Salans '15, Darby Dustman '15, Isabelle U '13, Megan Cain '12, Sarah Motta '15, Elizabeth Bergman '15

Coming off of a Patriot League Championship last year, the Lehigh women's soccer team had high expectations for the 2011 season. The team started the season off slowly, struggling to find a steady line-up and formation. Although scoring was one of the team's major issues, the women found confidence in games five and six with back-to-back wins against Quinnipiac and NJIT. Unfortunately, they lost the next three games including the Patriot League opener against Lafayette.

Shortly thereafter, the women went on a three-game winning streak which put the Mountain Hawks in a great position to make the playoffs. Unfortunately a tie against the United States Military Academy and two losses against Bucknell and Colgate prevented them from qualifying for the tournament and another Patriot League title.

The women's soccer team ended the season with an overall record of 6-9-2 and a Patriot League record of 2-3-1. The season served as a huge learning experience. Coach Eric Lambinus recognized the team's future potential. "Our goal for 2012 is to qualify for the Patriot League playoffs which will give us an opportunity to win another championship," he said.

The team will say goodbye to six graduating seniors, all of whom have taught the underclassmen what being a member of LUWS is all about: passion, respect, commitment, accountability and focus.

Hannah Cochran '12

Senior Spotlight: Genna Pepe

Co-captain Genna Pepe played a major role in the team's success by unfailingly displaying consistency, skill and selflessness on the field.

"She works hard, was our most consistent and dangerous player," said fellow teammate and co-captain senior Jana Basubas. "She also cared a lot about the team."

Although Pepe spent most of her time playing outside back during the 2011 season, she was one of the team's best offensive threats. Her confidence on the ball and one-on-one skills made her a standout player in many games. This year she was selected to First Team All-Patriot League.

Pepe says she will greatly miss playing college soccer and constantly being in a team atmosphere. She graduates with a B.A. in Psychology and, luckily for LUWS, will be returning to Lehigh to earn her Masters in education while also acting as a graduate assistant for the team.

"My favorite memory of this season was playing our last game in the snow at Holy Cross. I've never played under circumstances even remotely close to that so it was pretty fun and ridiculous."

Ali MacLeod '12

Field Hockey

The Lehigh women's field hockey team finished the 2011 season with a 6-13 overall record (up from its 3-13 record in 2010) and a 3-2 Patriot League record for the first time since 2007.

The Mountain Hawks got off to a rocky start, dropping their first three games of the season and only winning two out of the first twelve. It was after a 2-1 win over Patriot League opponent Colgate, however, that they soon found their rhythm. The team went on to win three of its five following games, which included clutch victories over Bucknell and Holy Cross. With these wins the Lady Mountain Hawks advanced into the Patriot League Tournament as the number three seed, set to face number two seeded Lafayette in the semifinals. Despite entering the game with positive momentum coming off several recent wins, the Mountain Hawks were outplayed by the Leopards who triumphed 8-0.

Although it may not have turned out to be as successful a season as hoped, members of the team remain optimistic about the potential for next season.

"As we prepare for the new season, our team can train so we are in great shape physically, and we can maintain our high dedication for winning the Patriot League Tournament," said junior Carly Smith.

Allison Schwartz '13

Senior Spotlight: Madison Ingal

Co-Captain Madison Ingal has been a solid competitor throughout her four years on the women's field hockey team. As both a center midfielder and English major, Ingal is the quintessential student-athlete. She has made Patriot League Honor Roll (awarded to student-athletes who receive a GPA of 3.2 or above while in season) as well as Lehigh Athletics Department Honor Roll.

"Field hockey was a large reason why I chose Lehigh, but it was not the only reason," Ingal said. "I liked that Lehigh was less than an hour away from home, the beautiful campus and the rigorous academic reputation."

Though her time as a Mountain Hawk has come to an end, Ingal has no intentions of getting out of the game. "I will try to keep field hockey a part of my life by joining any club teams over the summer and definitely returning each year for the alumni game at Lehigh," Ingal said.

Top Row: Head Coach Stacey Blue, Sierra Segear '14, Carly Smith '13, Kimberly Eng '13, G. LEHIGH

Top Row: Graduate Assistant Amy Gulyas, Assistant Coach Yun Yi Zhang, Assistant Coach Corey Novak, Jade Van Streepen '15, Courtney McCutchan '14, Amanda Clark '14, Hannah Bennett '13, Paige Kruse '14, Taylor Poole '13, Assistant Coach Neil Ammary, Head Coach Bob Bertucci
Bottom Row: Jessica Kudirka '12, Dana Raber '14, Kaylynn Genemaras '15, Lizzy Silverstein '14, Angelika Kopacz '12, Sarah Giegerich '15, Rachel Charles '14

The Lehigh women's volleyball team finished this season with an overall record of 19-10 and a Patriot League record of 10-4. The Mountain Hawks notably defended their home court, winning nine out of ten games at Grace Hall.

A great victory during the season came when Lehigh defeated American University 3-0 at home. The girls also beat a solid Temple University team and came out with a hard-fought five-set win against Colgate on senior day.

"The team met my goals and exceeded some of my expectations," said Coach Bob Bertucci. "We made the conference championship tournament and finished in third place, and we had a much improved record from 2010."

The team made it to the semifinals in the Patriot League tournament before suffering a devastating loss to Navy to end the season. The girls finished with the best overall and conference records Lehigh volleyball has seen since 2002, showing signs of a bright future for the program.

Brandyn Bok '15

"The highlight of this season was sweeping American University for the first time in Patriot League history."
Taylor Poole '13

Senior Spotlight: Jessica Kudirka

From day one, the number 16 jersey Jessica sported on the court let competitors know that she was a force to be reckoned with.

"I'd have to say my most treasured memories would be beating American in three games this past year and also beating Colgate for the first time in my career," Kudirka said. "Additionally, I loved making it to the Patriot League Tournament twice in my career, with this past season being honored on the Patriot League Volleyball All-Tournament Team."

In her senior season, Kudirka led the team in assists, with 1,004, and was second in service aces, with 31. Kudirka leaves Lehigh with a lot to be proud of.

Men's Cross Country

The Lehigh men's cross country team kicked off the season with a first place finish at the Lehigh Invitational at Goodman Campus. The team then went on to defeat rival Lafayette at home with a score of 50-15. The men finished twentieth overall at the Lehigh Paul Short Run and had consecutive fourth place finishes at the Penn State and Lafayette invitational meets. The team capped the season off with a third place finish at the Patriot League Championship, finishing only behind Navy and American who finished first and second respectively.

Coach Todd Etters is extremely proud of the team for battling adverse weather conditions all season and still delivering exceptional performances. "Six out of the eight meets we competed in were in extremely sloppy conditions," Etters said. "Top that off with a blizzard at the Patriot League Championships... Through it all, the men just kept battling and never let it be a distraction."

Megan Hoyt '13

Senior Spotlight: Evans Kosgei

Evans Kosgei has been an instrumental part of the men's cross country team throughout his time at Lehigh. Coming from his hometown of Moiben, Kenya, Kosgei graduates Lehigh as a computer science and engineering double-major.

In his senior year, Kosgei led the Mountain Hawks in finishes as the first member of the team to cross the finish line at the Iona Meet of Champions, the Paul Short Run and at the Penn State Invitational. He placed

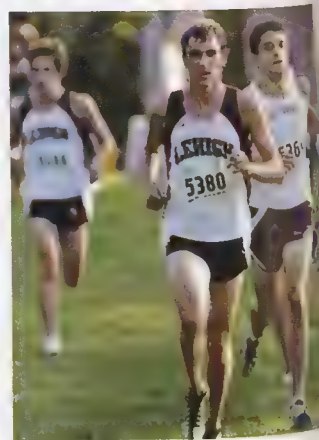

eighteenth, forty-fifth and forty-third, respectively. He was also named the Patriot League Scholar-Athlete of the Year for a second time. Additionally, Kosgei earned All-Region honors for the third year in a row for his eleventh-place finish in the 10,000-meter Regional race with a time of 30:52.3.

"There's a certain bond that you develop with your teammates when you're out running alone with them for hours a day and pushing yourselves to the limit with the same people in workouts and races that I'll always remember."

Women's Cross Country

Top Row: Jen Curran (coach), Volunteer Assistant Erin, Shannon Nelson '15, Savanna Plombon '15, Carolyn Morse '12, Megan Hetzel '12, Katherine Pierce '14, Amanda Gosselin '12, Marissa Galante '14, Head Coach Deb Utesch **Middle Row:** Jessica Kendzor '14, Samantha Andersen '13, Peggy Lai '14, Alyssa Autieri '15, Hannah Pierce '14, Elizabeth Sinclair '15 **Bottom Row:** Charlotte Malmberg '14, Courtney Klsner '15, Victoria Berard '13, Katherine Howley '14, Shannon Wright '15, Catherine Toblasen '12, Ingrid Simon '15

"The highlight of the season for me was beating Lafayette for the fourth time. It's incredible to be part of such a famous rivalry, but it's even better to shut them out all four years. We like to keep the trophy in house."
Carolyn Morse '12

The women's cross country team competed in eight races this season, four of which were held on Lehigh's Goodman Campus. The Lady Mountain Hawk's performance at the Lehigh Invitational kicked off the season with a first-place finish. Continuing to show its talent, the team placed fifth out of nineteen at the Meet of Champions. Lehigh also placed twenty-fourth out of forty-five at the Paul Short Run and thirteenth out of twenty-nine at the Penn State National Invitational.

An unexpected October snowstorm dampened the team's performance at the Patriot League Championships, where they placed fifth out of eight, but beat Lafayette in the process.

The season culminated in the Mid-Atlantic Regional meet, at which a number thirteen-ranked Lehigh placed seventeenth out of twenty-nine.

"This season we had a lot of ups and downs, but we had a team of great talent and it was an honor to run with such talented girls," said senior Katherine Pierce.

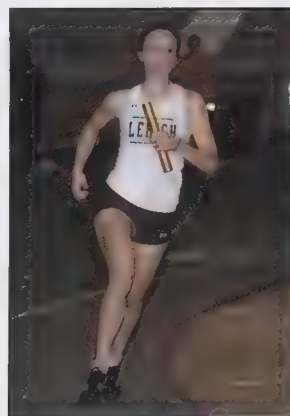

Abby Farrell '15

Senior Spotlight: Katherine Pierce

Captain Katherine Pierce has been a crucial member of the team since she was a freshman. Pierce turned out a tremendous performance in her 2011 season, carrying the team through the Mid-Atlantic Regional Qualifiers with a forty-third-place finish. Not only has she dominated her competition on the course, but in the classroom as well. Pierce boasts a 3.51 GPA and has twice been named to the Cross Country Academic All-Team League. She was also a recipient of All-Patriot League First Team honors following her second place finish at the 2011 Championships.

Katherine's fondest memories of her time extend to her final race against the other Patriot League schools. "Patriot's this year was a once in a lifetime experience,"

Pierce said. "Most people would think we were crazy to run in a blizzard, but I loved it. I will never forget that race." Pierce plans to attend graduate school with an IDEAS degree that is concentrated in civil engineering and architecture.

"I think one of the greatest parts of being a member of this team is having such a supportive coach. Deb is like a mother to us, and I know I can confide in her with anything. I think Deb had high expectations for this team that were not met this year, but I definitely think she thinks we can bring it next year!"

Player Spotlight: C.J. McCollum

A journalism major from Canton, Ohio, junior C.J. McCollum has earned his place in Lehigh history through hard work over the past three years. Placing ninth in scoring with an average of 21.8 points and named the Patriot League player of the year his sophomore year, McCollum quickly emerged as a team leader. Throughout his junior year, McCollum received seemingly endless awards and nominations, such as the two-time ECAC player of the week, the MVP of the Patriot League Tournament, and the Patriot League player of the year for the second time. McCollum had a season average of 21.9 points a game, making him the nation's fifth-leading scorer. He became a media sensation after showcasing his talent against Duke; becoming a trending topic on twitter. In regards to the season, McCollum stated, "Lehigh basketball will forever be remembered for beating Duke, but I will always remember the moments we spent time together in practice and the work it took to build the chemistry that made us virtually unstoppable down the stretch of this season."

About his time thus far at Lehigh, McCollum remarked, "I am blessed to have been given the opportunity to attend Lehigh University and will be forever grateful of everything I've been able to go through."

"I've never seen a team come together like our team did this year. We play with heart, we play with intensity, and most of all we play with each other."

Seniors Justin Maneri, John Adams, and Jordan Hamilton attended a Yankee game in May where they had the opportunity to meet Yankees manager, Joe Girardi, as well as, Mickey Rivers (not pictured), an all-star centerfielder for the Yankees in the 70s and 80s.

It was a season of history for members of the men's basketball team, who found themselves in the national spotlight as the campus rallied around their success. After an appearance as a 16-seed in the 2010 NCAA March Madness tournament, the Mountain Hawks were poised to do more than simply repeat history. Opening the season with two tough losses to St. John's and Iowa State, the team bounced back and won 26 of their next 31 games, finishing the season with a record of 27 wins and 8 losses.

"This year, we have won more games in our non-conference schedule than any other team at Lehigh," said head coach, Brett Reed. He goes on to attribute the successes to the diligence of his team, commenting, "Our team has worked extremely hard and has been committed to working together towards the accomplishment of our team goals."

Accomplishing those goals is exactly what happened. After overtaking Bucknell in the Patriot League Championship with a score of 82-77, Lehigh was headed to the March Madness tournament for a game that would be called "the biggest upset in NCAA history."

The odds did not favor the number 15-seeded Mountain Hawks as they walked on the court against four time national champions and 2-seeded Duke, led by Hall of Fame coach Mike Krzyzewski. Only five times in March Madness history has a 15-seed outscored a 2-seed, but the Mountain Hawks proved to defy the odds. In their first ever March Madness victory, Lehigh out-fought Duke 75-70.

Lehigh's win gained national attention, with "Lehigh" becoming the most searched item on Google. Lehigh also became a trending topic on twitter.

The Mountain Hawks could not keep the winning streak alive and they fell to 10-seeded Xavier 70-58. Coach Reed was disappointed in the outcome of the final game, but remembered the team's successes, "We would have loved to have an opportunity to finish out this game, however I think there are a lot of positives we have to draw from this experience." He claims that, "[the Xavier game] does not take away some of the memories that I believe our team will have, these young men will have, moving forward as byproduct of their experience together."

The Mountain Hawks made history this season. Lehigh students, fans and alumni will be forever proud to say, "We beat Duke." Coach Reed is now looking to use their momentum to gear up for another exciting March Madness appearance in 2013.

Abby Farrell '15

Women's Basketball

This season, Lehigh's women's basketball team boasted a record of 17 wins and 13 losses, with nine wins and five losses within the Patriot League. The season started off slowly with three straight losses against La Salle, St. Joe's, and Sacred Heart, but the team picked up its first win at home against St. Peter's in a decisive 64-48 victory. It wasn't until the team beat Valparaiso in Indiana that the Lady Mountain hawks got into a groove; winning five straight games in December. Despite its successes, the team also had to deal with some setbacks throughout the season.

"We dealt with a lot of adversity this year, especially with the injuries of two of our key contributors Emily Gratch and Kelly Peterson, who both broke their left hands. I think the team did a great job in not letting this hinder our performance too much as many people stepped up unselfishly and did an awesome job filling their role," said Senior Forward Alexa Williams.

The team continued to fight hard, winning five of seven games in January, one against Lafayette. The Mountain Hawks and the Leopards met once again, and Lehigh remained victorious.

Towards the end of the season, a hard fought win against Navy would stand out for Williams, who said the comeback win "...just showed the fight and determination that we had all year."

The Lady Mountain Hawks certainly showed this determination as they headed into the Patriot League Tournament. Coming off of a three game winning streak, the team clinched the 2-seed, and handily beat 7-seeded Bucknell in the Quarter-Finals. Unfortunately, the team fell in its next matchup against 3-seeded Navy.

"Despite coming up short in the tournament, the team is focused on the future, and how they can become a better team next season," says Williams, "I do not think next year's team will have any problem taking their play to the next level. They are all extremely hard working and know what it is going to take."

Megan Hoyt '13

Top Row: Assistant Coach Tricia Smith, Associate Head Coach Glenn Rigney, Team Manager Brittany Layton, Lindsay Hoskins '14, Emily Gratch '12, Alexa Williams '12, Alexandra Yantzi '14, Marisa Repasch '14, Sarah Pearce '13, Kelela Blake '12, Director - Basketball Operations Caitlin Gillard, Assistant Coach Tiffany Coll, Head Coach Sue Troyan **Bottom Row:** Sarah Williams '15, Marybeth Egan '13, Hilary Weaver '14, Kelly Peterson '13, Aly Byorick '12, Becky Guman '13, Mary Jo Horgan '15, Katie O'Reilly '15

1. Kelly Peterson '13
2. Emily Gratch '12
3. Becky Guman '13
4. Aly Byorick '12

Senior Spotlight: Alexa Williams

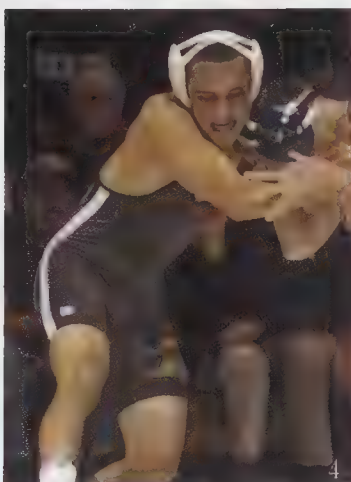

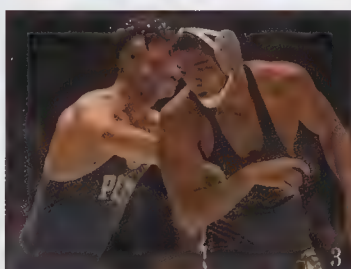

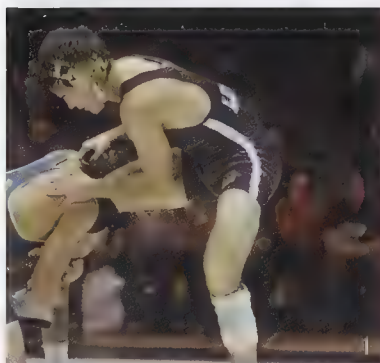

Alexa Williams has been a team leader both on and off the court during her four years as a Mountain Hawk. Williams entered her senior season with high hopes, which were displayed through her consistent play, leading the team in scoring, rebounding, steals, and blocks. Alexa was also named the Patriot League player of the Week twice during the season. Williams' efforts and leadership were evident to the entire league, being named to the First Team All-Patriot League at the end of the season.

"My favorite memory of this season was the rush during the conference tournament. We were so close to winning the tournament over Cornell and it came down to the very last match. We fell short, but the whole tournament was such an exciting time."

Joshua Fitch '12

The Lehigh wrestling team leaves this season with a 12-5 overall record and an Eastern Intercollegiate Wrestling Association league record of 6-1. An impressive nine wrestlers qualified for the NCAA Nationals Tournament led by team leaders junior Robert Hamlin (31-3) and senior Zach Rey (26-3). As a traditionally successful team, the Mountain Hawks were nothing short of remarkable this season, finishing eighth at the NCAA Nationals and placing second at the EIWA Championships. "Even though we had a better performance at the NCAA's this year compared to last year, the team was a little disappointed because we're capable of being national champions," remarked Brandon Hatchett on the season.

At the 89th Annual Lewis Wrestling Dinner, four wrestlers were awarded All-American titles including seniors Zach Rey and Brandon Hatchett. Joe Kennedy and Robert Hamlin were also awarded All-American titles. Several other awards were given out including the Scholar Athlete Award, awarded to Kevin Bailey for earning an impressive 3.73 cumulative GPA as a mechanical engineer.

Looking back on the season, senior Joe Kennedy states, "We were a little upset with the finish at the time (on not winning or placing top three at Nationals), but we overcame a lot of injuries and adversity and overall had a pretty good season." The Mountain Hawks are gearing up for next year with an enthusiastic outlook. Fourteen freshmen are joining the squad as they hope to win the EIWA Championship and a NCAA National Title.

Hannah Cochran '12

Senior Spotlight: Zach Rey

Three-time All-American (3rd, 1st, 2nd) heavyweight Zach Rey has had a tremendous impact on Lehigh's wrestling program throughout his college career. Going into the 2012 season, Zach hoped to repeat his 2011 success by winning once again the National Championship. Despite a brilliant season, he came up just short at the NCAA Nationals. On the loss, Zach remarks, "...I would have to say I would like to redo my national finals match my last year because I had some opportunities to win. I just didn't do what was needed because I was almost surprised in the situation."

Rey's Lehigh wrestling career ends with a career record of 116-14, placing him third on Lehigh's career wins list. He also became Lehigh's first ever heavyweight All-American.

Leaving Lehigh with a major in Earth & Environmental Science and a minor in Business, Rey is committed to keeping his wrestling career alive, stating, "after graduation I'm going to continue to compete in the sport of wrestling with intent to make it to the Olympics in 2016." We wish him all the best!

Men's Track & Field

The men's track and field team once again had a successful indoor season. The Mountain Hawks started strong and defeated Lafayette 97-84 in an early season dual-meet. The team grew stronger throughout the winter in their non-scoring meets against top competition, and paved the way for some great individual achievement. The season culminated with a fourth place finish at the Patriot League Championships.

Lehigh's own senior Steve Tutunjian received the honor of the Field Athlete of the Patriot League Championship meet by winning both the long jump and the triple jump. Tutunjian went on to earn All East in the Long Jump at the IC4A Championships. Senior Kyle Forrest also earned league honors, earning All Patriot League and taking second place in the heptathlon.

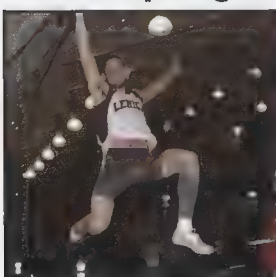

Head Coach Matt Utesch and the rest of the coaching staff share great pride for this year's team. Coach Utesch expressed his excitement about the future of Lehigh track and field, stating, "We still have the outdoor season to go, and I'm expecting great things."

Brandyn Bok '15

Top Row: Assistant Coach Todd Eters, Benjamin Beauchamp '14, Dan Soltan '12, Casey Gilboy '15, Kyle Forrest '12, Stephen Rumizen '12 **Row 3:** Head Coach Matt Utesch, Ben Sourbeer '14, Martin Otieno '14, Evans Kosgel '15, Christopher Buck '13, Joseph Glanndrea '12, Kenneth Wilkinson '14, Nicholas Molloy '14, John 'Paul' Clavardelli '14 **Row 2:** Assistant Coach Deborah Utesch, Ryan Rhodes '15, Joseph Prestifillippo '15, Ryan Knouse '13, Nicholas Ward '15, Stephen Keith '15, Russell Vignall '13, Evan Flach '12 **Bottom Row:** Assistant Coach Jen Curran, Tyler Mueller '14, Donald Scatena Jr. '15, Gregory Caldwell '15, Simon Voorhees '15, Daniel Paez '15, Samuel Bernitt '14

Senior Spotlight: Stephen Tutunjian

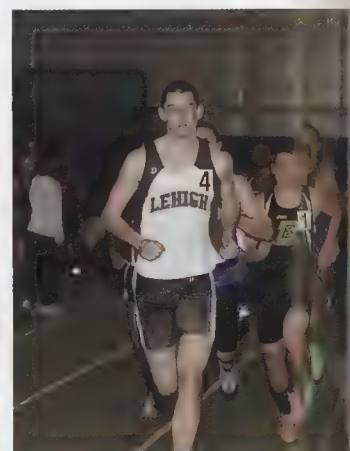

A seasoned track runner, senior Stephen Tutunjian's career at Lehigh grew from years of dedication. His first great accomplishment as a Mountain Hawk came when he qualified for Nationals during the 2010 season. Tutunjian also made Patriot League Honor Roll and qualified for the 2010 NCAA Eastern Regional Championships in the triple jump. He also has pride in quite a few more recent feats, including a personal best in jumping over 50 feet this past indoor season.

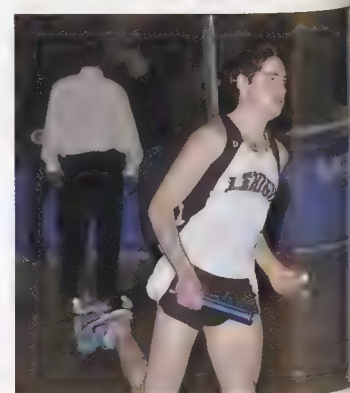

Looking back on his senior indoor season, Tutunjian says, "The highlight of this season was winning first place in both long jump and triple jump at the Indoor Patriot League Championship and being named Outstanding Field Performer of the meet"

Lehigh's track and field team will not soon forget the contributions Stephen has made, and he admits he will miss his teammates and coaches the most. He recalled, "The team was like a family to me that will always be a part of my life." Leaving Lehigh with a degree in Materials Science and Engineering, Tutunjian's successes will not soon be forgotten.

"Since my freshman year, I feel the team has become much more focused and competitive, and I attribute a lot of that to this senior class."

6. Tiffany Penge '14

With another season of women's winter track and field complete, the players look back at all they have accomplished. The Lady Mountain Hawks defeated Lafayette in their annual indoor meet once again this year, winning every event with the exception of the pole vault and the triple jump. The team also had great success in the Patriot League Championships, finishing third out of eight overall.

Individual successes for the team include Jessica Kendzor, who won the 800m, and Brooke Astor, who placed first in the pentathlon. Lehigh's 4 x 800m relay team placed at the top of the podium along with their distance medley relay team. Elana Lemon, Katherine Pierce, and Julia Perry were given the title of All Patriot League in the events of the 20-pound weight throw, 3 km run, and mile run respectively.

A few team members made it past the Patriot League and into the ECAC Championships. Julia Perry was awarded All East in the 1000m run, and Jessica Kendzor achieved All East status in the 800m run.

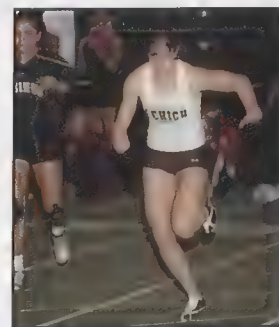

Head Coach Matt Utesch reflects quite positively on the indoor season stating, "We have had tremendous success this year, exceeding several of our goals." He has great pride in his women's team, and he looks forward to a strong team once again next season.

Brandyn Bok '15

Senior Spotlight: Alexandra Doersam

From a young age, Alexandra Doersam's speed brought her recognition and encouragement. Voted by her teammates into the role of Captain, Doersam served as a team leader both her junior and senior years. Individually, she had great success as both a sprinter and a jumper, competing in the 100m, 200m, long jump, and triple jump. When asked about the highlight of her Lehigh career, Doersam remarked, "breaking the Patriot League record in the outdoor long jump during the spring season of 2011."

Doersam did a great deal in contributing to the team's success by consistently scoring points throughout her career. As a final thought, she remarks "I will definitely miss my teammates and the atmosphere with them both on and off the track. I have become so close with this group of people and will miss practicing with them and seeing them every day." Doersam was a great leader and athlete for Lehigh track and field, and her guidance as a captain and thirst for competition will motivate the team in the future.

Men's Swimming & Diving

The men's swimming and diving team had great success in 2012. The Mountain Hawks started out by winning their first four meets against Holy Cross, West Chester, Colgate, and Rider. Following those wins, the team had a successful weekend at the Princeton Invitational. Four more wins followed when the Mountain Hawks defeated Lehigh-rival Lafayette, NJIT, Marist and Bucknell. At the Navy Invitational, the Mountain Hawks competed against athletes from a number of Patriot League schools, in addition to Shippensburg. Junior Jeff Capobianco paced the Lehigh men with a second place finish in the 200 yard butterfly. Despite losing their last two dual meets against Drexel and Penn State, the Mountain Hawks were able to attend the Patriot League Championships in Annapolis where they placed fourth.

Team honors for the season went to senior Kevin Shoemaker, who received the Scholar Athlete award. Shoemaker, a senior leader and one of the program's strongest swimmers, holds school records in the 200 yard butterfly and as part of the 400 freestyle relay. A new award, the Bruce Gardiner Leadership Award, was presented this year. The award, named for former head coach Bruce Gardiner, recognizes swimmers or divers who display outstanding team leadership. The recipient of the honor was senior Jared Blacker, who demonstrated leadership in and out of the pool during his four years as a Mountain Hawk, both as a contributor to the swimming and diving program and through the Lehigh Athletics Leadership Academy.

Senior Spotlight: Connor Styles

A civil engineer from Chappaqua, New York, Connor Styles led Lehigh divers through a strong 2012 season. Lehigh's 2011 Male Diver of the Year, Styles's hard work paid off this season with his qualification for NCAA Regionals, Lehigh's first diving appearance since 2008. Although placing third in the three meter event with a school record of 315.25, Styles did not advance to the next round. A strong teammate and leader, Styles has accomplished much during his four-year Lehigh career. In February of 2011, he broke an

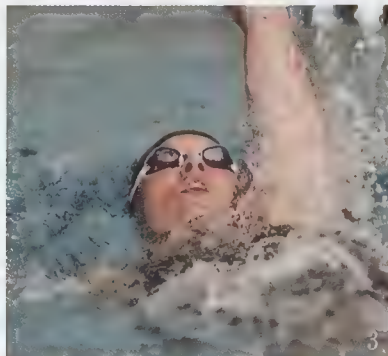

eighteen-year-old school record for the three meter during his participation at the Patriot League Championships. His personal bests are one meter 267.98 points and three meter 286.68 points. After successfully walking on to the team his freshman year, Styles's hard work and dedication have paid off. He was named an All-Patriot League selection this season.

Women's Swimming & Diving

Top Row: Assistant Coach Erin Matyus, Taylor Wise '15, Madeleine Smith '15, Kimberly Weyand '15, Katie Brinkhoff '13, Head Coach Rob Herb **Row 3:** Assistant Coach Bruce Gardiner, Sara Blacker '15, Mary Samuels '15, Emily DiDonato '13, Alissa Leung '15, Meredith Bayer '14, Strength Coach Markus Riggelman **Row 2:** Mercy Du '14, Brooke Smalley '13, Giovanna Patafio '14, Danielle Caruso '13, Stephanie Yaszemski '14, Katie Haycraft '13, Rachel Movius '15 **Bottom Row:** Lauren Armstrong '12, Daniela Sonderegger '13, Paola Simon '12, Jill Rann '12, Priscilla Barletta '12, Elizabeth Marchese '12, Alyssa Slano '12

"My favorite memory would be beating Lafayette all four years."
Lauren Armstrong '12

Scheduled to compete alongside some of the best swimming and diving teams in the country, the women's swimming and diving team had a lot of good competition in order to prepare during preseason. The season opened up to Holy Cross where the training paid off and Lehigh earned a decisive score of 130-104. The following two meets against West Chester and Colgate proved to be more of a challenge as the Mountain Hawks fell; but the team continued to work hard.

A much anticipated November meet against Rider would ultimately become one of the season highlights. Senior Jill Rann recalls the event, "Every year Rider is one of our closest meets, but in the past we have always fallen short. I'm so happy to be part of the team that finally defeated them for the first time." Lehigh won ten of the sixteen events against Rider and prevailed with a score of 169 to 111.

The Rider victory built positive momentum leading into the Lafayette meet, where Lehigh came out victorious with a score of 169-131. This win marked the fourth straight year that Lehigh defeated Lafayette. Coach Herb was proud of his team and commented, "There were races won by fingertips on both sides, but our team came out and dominated."

Lehigh continued to compete strongly in the pool and picked up another win against Drexel with a score of 182-112, taking them right along to the Patriot League Championships. Lehigh ultimately took fifth place in the Patriot League with a total score of 317.5--over 100 points more than Lafayette.

Coach Herb anticipates another great season in 2013 commenting, "We have had a great recruiting year for the women and expect a big push to the top of the league next year."

Abby Farrell '15

Senior Spotlight: Priscilla Barletta

Senior Priscilla Barletta has been competing in the pool for at least fifteen years. Her main events at Lehigh are the 200 Free, the 200 IM, the 100 Free and the 200 Fly. Barletta is the school record holder for the 200 Free with a time of 1:52.81. Barletta's proudest moment on the Lehigh Swimming and Diving Team came her junior year at the Patriot League Tournament when the 800 free relay she was a part of placed third. Barletta has a sense of pride about Lehigh's swimming and diving team and remarks, "I feel like I improved tremendously over the past 4 years at Lehigh in swimming ability, physical strength, and leadership skills." Graduating with a degree in Biology, Barletta is planning on attending Dental School in 2013.

5. Giovanna Patafio '14

Baseball

The Lehigh men's baseball team fought hard during the 2012 season to end with a record of 18-31-1, seeing a 6-14 record in the Patriot League. Concerning the season, Head Coach Sean Leary stated, "The team battled a tough schedule and some adversity, and continued to give tremendous effort each practice and game." The team had a great start to their season with a 3-1 win against Davidson and an 8-7 win against Farleigh Dickinson in their opening weekend. However, Lehigh followed that with a ten game losing streak that proved difficult for the team to overcome.

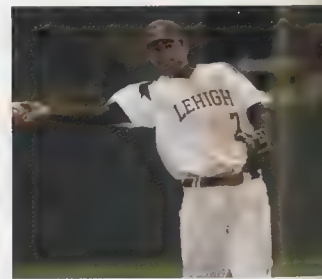

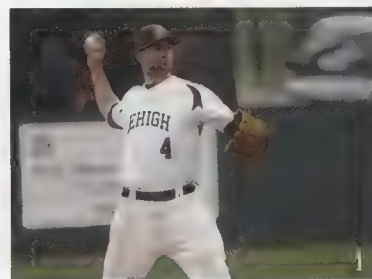

A big win came against Coppin State in Baltimore, where the team ended the tough losing streak with a 14-4 victory. The team continued into April, and won four consecutive games. It had a chance to earn a seed in the league tournament, but lost twice to Navy in the last day of the season to end the year. Coach Leary has a positive attitude on the performance of his team: "Each week the team improved, and our double header sweep on the final weekend was a great indication of this steady growth since freshmen through seniors all contributed." Those wins highlighted the team-centered attitude of this group of players.

Although failing to make the Patriot League tournament, the team made great strides and is moving towards a more successful 2013 season. Looking toward next season, the Mountain Hawks graduate seven great players who all provided leadership and have left a great blueprint for future success. Coach Leary looks forward to next season positively, "We will return most of our roster, so the team will be ready to make a return to the league playoffs in 2013."

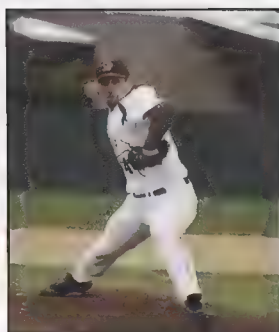

Brandyn Bok '15

Top Row: Assistant Coach John Bisco, Head Coach Sean Leary, Thomas O'Malley '13, Collin Go '14, Luke Porter '12, Josh Flyer '15, Cameron Phillips '13, Dan Ciccone '12, Jordan Smith '15, Conaway '12, Jayme Edwards '14, Alex Jacquez '13, Assistant Coach John Bisco, Assistant Coach Krentzman. **Middle Row:** Nick Stephens '15, Joey McNamara '14, Ryan Gajdos '12, Patrick Walsh, Brandon Wilt '14, Tyler Brong '14, Harris Fanaroff '14, Connor Faust '15, Steven Ball '13, Casey Tu '15, Justin Pacchioli '15, Mike Burke '14, Nick Cassell '14, John Elson '15. **Bottom Row:** Eli Fack '15, Brandon Sady '13, Joe Abein '14, Cory Kent '12, John McCann '14, Lance Kirschenbaum '15, Macalione '15, Tim McKay '15, Rene Tato '15, Brendan McGaheeran '12, Chad Warga

3. Chad Warga '12
4. Brendan McGaheeran '12
5. Joe Conaway '12

Senior Spotlight: Cory Kent

A history major from Wilson, Pa, pitcher Cory Kent has led the Mountain Hawks to many victories throughout his Lehigh career.

Kent's pitching led the team to three wins during his junior year, an outstanding five wins in his senior year, and a total of twenty-two saves during his career at Lehigh. The best memory of Cory's senior year was his time spent in California during the team's spring trip. Reminiscing, Kent says he will miss the guys he spent time with the most, "You cannot replicate the amount of

time you spend with 35 guys and the relationships you get to have across 4 years."

Looking back on his time at Lehigh, Kent states, "I feel and hope that I contributed to the team's success in the future by influencing the younger kids to work hard and get the program to the next level." Kent was named to the Academic All-Patriot League Team. Kent has made a great impact during his time as a Mountain Hawk through his excellent pitching and his leadership on the baseball diamond.

Softball

Top Row: Assistant Coach Dave Bender, Emily Bausher '15, Ashley Quigley '14, Rebecca Bliss '13, Tenley Halaquist '12, Kristin Taft '14, Julie Fernandez '12, Head Coach Fran Troyan. **Middle Row:** Assistant Coach Stephanie Covelle, Liz Lucas '13, Kristen Mitchell '13, Kelsey Lee '14, Cassie Waggy '15, Brandi Hawkins '15, Lizzy Odren '14, Assistant Coach Christa Coppus. **Bottom Row:** Jessica Long '14, Emma Capetz '15, Jennifer Colquhoun '12, Jacqi Kennelly '13, Rosie Roessel '13, Audra Wood '12

1. Jennifer Colquhoun '12

3. Liz Lucas '13
4. Ashley Quigley '14

This year the women's softball team consistently competed at its highest level and earned a team record of 40-19, with a Patriot League record of 18-2. One spotlight of the season came in a 7-6 win in an extra innings battle against a top-ranked Hofstra team. The team also managed to take four straight games against Patriot League rival Colgate. In the postseason, Lehigh softball continued to win the Patriot League tournament after shutting out opponents Lafayette and Army. It then earned a seed in the regional NCAA softball tournament for the seventh time in nine years.

Lehigh unfortunately could not overcome the power of the fourth-seeded Oklahoma Sooners in its first game of the regional tournament. The lady Mountain Hawks' season came to a close in their next game, with a heartfelt loss to Oregon State. Head Coach Fran Troyan felt optimistic, "We feel great about the success of the team this season. Our players have done a tremendous job coming down the stretch."

The softball girls focused this season on making their way back to the NCAA Regional tournament, and successfully achieved their goal. The women's softball team will graduate four seniors, who all had great careers at Lehigh, both on the softball field and inside the classroom. Notably, senior shortstop Jennifer Colquhoun was named to the Capital One Academic All-American Team. Coach Troyan looks forward to next season, "We expect next season's goals and our success to be the same as this season." Hopefully, despite the loss of some talented seniors, Lehigh softball will be able to advance even further in the NCAA tournament in the future.

Brandyn Bok '15

Senior Spotlight: Julie Fernandez

Coming from Moorpark, California, Julie Fernandez quickly became an integral part of the softball time early in her career. At first base, Julie had a perfect fielding percentage and also led her team in hits, RBIs, and batting average during her senior year. The highlight of Julie's career at Lehigh was beating Texas A&M at the Florida Regional her freshman year. "It was an absolutely amazing experience," she said. Julie was named Patriot League Rookie of the Year during her freshman season, Patriot League Player of the Year during her sophomore year, and received All-Patriot League honors during all of her four years at Lehigh.

Julie says she is going to miss the camaraderie amongst the softball girls the most. "My teammates have made my experience at Lehigh great and I will miss them. They have become some of my best friends and I have so many wonderful memories on and off the field with them." Fernandez has made a great impact on her team's performance, and her cleats will be hard to fill.

Men's Lacrosse

The Lehigh University men's lacrosse team had a spectacular 2012 season. Even before the season began, there was talk about how this was the year for the Mountain Hawks to finally win a Patriot League Title. Junior midfielder, Brian Hess stated, "Knowing the players and the chemistry we have now, we definitely have the best chance at winning the PLC this year than my past two years here." This season proved the Mountain Hawks cannot only compete with any team in the country, but they can win.

The Mountain Hawks secured a place in the Patriot League Tournament as their fourth appearance in Lehigh history. "Our mission is to win the Patriot League Championship. We would also like to earn a spot in the NCAA tournament and compete for a National Championship," said Head Coach Kevin Cassese. After suffering their only league loss to Colgate in early April, the Mountain Hawks met the Raiders once again at the Patriot League Championship. During this meeting, the 8-seeded Mountain Hawks were victorious, topping 10-seed Colgate, 16-14, for their first Patriot League Tournament Title.

Fresh off of their Patriot League Title, the 7-seeded team met Maryland at home in front of a facility-record 2,278 fans in their first-ever NCAA tournament game. After erasing a five-goal deficit in the second and third quarters, the Mountain Hawks suffered a crushing defeat as Maryland scored with six seconds remaining in the game, to top Lehigh 10-9.

After a historic season, Lehigh will lose eight seniors. The Mountain Hawks hope to defend their Patriot League Title once again next season; Coach Cassese stated, "Our mission will be the same and our goals will be similar."

Hannah Cochran '12

Top Row: Trainer Jessica Stilwell, Griffin Farha '13, Kevin Donovan, Jr. '12, David DiMaria '13, Brian '13, J.P. Walsh '15, Cody Ferraro '14, Bryson Craft '14, Nathan Hunt '13, Sam Lawrence '15, Sam C. '14, Kyle Stiefel '13, Matt Risk '14, Harrison Lawrence '14, Team Manager Lauren Farrell Row Assistant Coach Tom Compitello, Smith Family Head Lacrosse Coach Kevin Cassese, Director Quality Control Tom Cassese, Conor Murphy '12, Galge Flint '12, Tom Farrell '15, Dan Taylor '15, Fullen '12, Dylan O'Shaughnessy '15, TaShan Mitchell '15, Mike Noone '13, Adam Sands '15, Johnston '12, Dan Carr '13, Noah Molnar '13, Assistant Coach Brendan Callahan, Assistant Coach Wilson, Equipment Manager Tom Waters **Row 2:** Dana Frye '12, Cody Newton '14, Derek Boggs '13, Kyle Sheridan '13, Alan Henderson '15, Ty Souders '14, Chris Rinaldi '13, Kevin Donovan, Andrew Mower '14, Klay Heston '15, Baxter Lanlus '13, Jimmy Cahill '14, Roman Lao-Gosney '12, Bottom Row: Kurtis Kaunas '15, Alex Drake '13, Patrick Corbett '15, Cameron Lao-Gosney '12, Snyder '13, Dante Fantoni '13, Lukas Mikelinich '14, Matt Smith '14, Matt Poillon

Senior Spotlight: Roman Lao-Gosney

Senior midfielder, Roman Lao-Gosney has brought a tremendous amount of talent to the Lehigh Men's Lacrosse team throughout his collegiate career. His improvement from season to season, demonstrated his dedication and commitment to the game and his team.

Lao-Gosney chose three words to describe his team: family, character, and tenacious. "We are the closest team I have ever played on and we would do anything for one another. There is never a dull moment

playing with this team and it takes character to go from being a sub 500 team, to earning a .7 ranking in the nation. We always bring the energy every day, every practice, every game and we will do anything to reach our goals."

The philosophy major has exciting post-graduate plans as well. When asked what he will be doing after graduation, he stated, "After Lehigh I plan on pursuing a career in film and film making."

"I consider all of my teammates as brothers and I have so many great memories of time spent with my team."

Women's Lacrosse

Top Row: Head Coach Jill Redfern, Julie Tatlos '14, Alexandra Fitzpatrick '14, Kenzie Dambach '13, Chelsea Retaleato '14, Carl Sukonik '15, Lauren Murray '12, Anna Patterson '13, Emily Solenberger '15, Scarlett Nawrocki '15, Anna Pierce '12, Lauren Wilcox '15, Associate Coach Kelley Putnam Necloglu
Middle Row: Allison Fayans '15, Leigh Ann Torcivia '12, Michelle Abramczyk '15, Brianna Buysse '15, Alissa Hardiman '13, Kelsey Yenco '15, MaryLeah DiNisco '13
Bottom Row: Julie McBrien '13, Caitlin Keele '14, Megan Kelly '13, Kelly Scott '15

"My favorite part of the year was beating Lafayette for our pink game on a Saturday night. Beating our rivals is always fun and doing it under the lights was awesome and our team played really great after having a rough start to the season."

Lauren Murray '12

The women's lacrosse team finished the season with a record of 7-9, and a Patriot League record of 2-3. The season proved to be a bit of a rollercoaster as the team struggled to consistently win games back to back.

Following an impressive season last year, where they went 5-1 in the Patriot League but lost many seniors, this year's young squad took time to form as a team. Junior Megan Kelly said, "I feel our season didn't pan out as we had expected. We are a young team, but we had time to develop and didn't always play the full 60-minutes to our capability. That being said, we do have a lot of potential for the future."

Although the Mountain Hawks did not make it to the Patriot League Tournament, they have a lot to be proud of, especially the three graduating seniors: Leigh Ann Torcivia, Lauren Murray, and Anna Pierce. "My favorite part of the year so far was when we beat Lafayette for our pink game on a Saturday night. Beating our rivals is always fun and doing it under the lights was awesome and our team played really great after having a rough start to the season," said Murray.

The underclassman will definitely miss the leadership the three seniors possessed and the team will have to step up to fill their shoes. With nine incoming freshmen expected for next season, this young team expects to improve.

Hannah Cochran '12

Senior Spotlight: Leigh Ann Torcivia

Graduating this year is senior captain Leigh Ann Torcivia. She comes from Rumson, New Jersey and has made a lasting impact on Lehigh's lacrosse program. As the 2012 season progressed, Leigh Ann stated "...I have really liked watching our team grow and mature on the field. In the beginning of the season, we weren't having as much success as I thought we would, but as the season went on we were able to gel better as a group and have more success on the field."

Looking back, she remembers the loss at Navy in the 2011 Patriot League Tournament. "If I could do anything over again, I would play Navy again in our PLT last year. I still think we should have beaten them."

When asked about her favorite memory as a Mountain Hawk, she stated "Deciding to try out for the team my freshman year, because these girls have been like family to me and being able to continue my athletic career in college has been very rewarding. To be a student-athlete in college is a unique experience and I'm very fortunate to have lived that experience." Luckily for the Lady Mountain Hawks, Torcivia will be staying to earn her Masters Degree in Education and will serve as a graduate assistant for the team.

3. Julie McBrien '13

Men's Golf

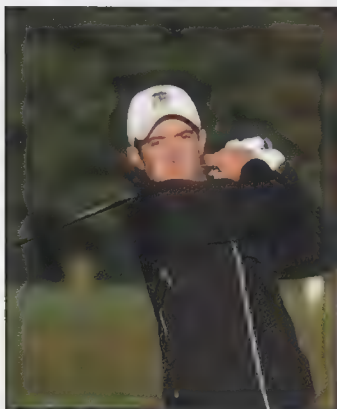

After finishing the fall season with a sixth place finish at the eight-team Lehigh Invitational, the men's golf team stayed strong throughout the 2012 spring season. Seeing much improvement from last season, the team opened up the spring with a fifth place finish in the fifteen-team Quaker Invitational.

The team continued onto the Lafayette Invitational, where it placed sixth, behind second-place Lafayette. Sophomore Andrew Arnold competed as an individual and finished only three shots behind the leaders with a final round 69 to finish at 147. After a disappointing fifteenth-place finish at the Navy Invitational, the team finished second of four teams in Moravian College's Lehigh Valley Collegiate, finishing behind Lafayette.

The Mountain Hawks came out swinging at the Patriot League Championships, hosted at the Bucknell Golf Course. Led by sophomore Andrew Arnold and seniors Doug Marcincin and Tim Rosenhouse, the team finished third of seven teams, finishing ahead of Lafayette, Bucknell, Colgate, and Holy Cross. With this strong finish, the Mountain Hawks have much to look forward to next season.

Jacquelin Botello '14

Senior Spotlight: Tim Rosenhouse

Senior Tim Rosenhouse has been on the golf team since his first year at Lehigh. During his senior year, he led the team at the Patriot League Championships, earning All-League honors for his tenth-place tie. Some of his achievements during his junior year include a tie for 35th place at the spring opening tournament with a 232 (79, 78, 75), shooting a 151 (72, 79) at the Lafayette Invitational finishing in a tie for eleventh place, and scoring a 230 (76, 79, 75) at the Patriot League Championship to tie for twenty-second place. A team leader and committed varsity athlete, Rosenhouse will be missed by the team next season.

Head Coach Henry D'Alberto, Tim Rosenhouse '12, Sean Keller '13, Andrew Arnold '14, Doug Marcincin '12, Alex DiClemente '14, Zach Allinson '15, Carlos Kim-Arredondo '15, Assistant Coach Joe Zelenka

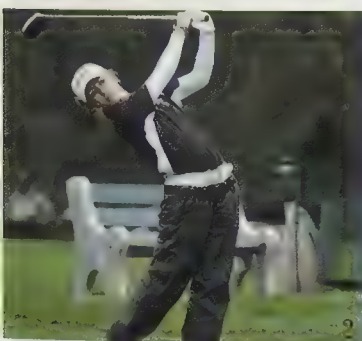

1. Zach Allinson '15
2. Alex DiClemente '14

Women's Golf

Assistant Coach Mary Kate Williams, Crystal Lee '14, Natalie Lansing '13, Chelsea Michalek '13, Ginette Schapira '13, Elizabeth Sander '14, Hannah Kim '15, Alyssa Scheyd '15, Melanie Dickens '15, Kelly Moylan '15, Head Coach Rob Shutte

1. Chelsea Michalek '13
2. Melanie Dickens '15
3. Crystal Lee '14
4. Ginette Schapira '13

The women's golf team opened up their fall season with a fourth place finish at the fifteen-team Bucknell Invitational, with Junior Ginette Schapira leading the team with an individual fourth-place tie. The Lady Mountain Hawks then faced tough competition in the Yale, Princeton, and Penn State Invitational, failing to place in the top half of each event. The team finished the fall season with a fourth place finish at the eight-team Lehigh Invitational.

After a winter of training and preparation, the team opened up the spring season with a first place finish at the ten-team Sunshine Spring Classic in Orlando, Florida. Following its first place finish in Orlando the team placed tenth out of sixteen teams at the C&F Bank Invitational in Williamsburg, Virginia. The team also did exceptionally well at the Spider Intercollegiate by ending up fourth out of fourteen finishing at 961 (319-318-324). Their last strokes of the season were at the Roar-EE Invitational, where the Lady Mountain Hawks finished ninth out of fifteen. The Mountain Hawks had a strong second-round score of 316 to finish ninth in the 14-team field at 648 (332-316). A young team this year, the women's golf team is looking forward to a mature and more competitive team next season.

Jacquelin Botello '14

Player Spotlights: Ginette Schapira & Chelsea Michalek

Juniors Ginette Schapira and Chelsea Michalek emerged as team leaders throughout the year.

Ginette Schapira is a finance major who has been playing golf since high school. During her Lehigh career, she established herself as one of Lehigh's most consistent golfers by tying for 18th place with a score of 122 (81, 41) at the Roar-EE Invitational and shooting a 177 (89, 88) to tie for 78th place at the Hoya Invitational. Some of her achievements include posting three individual top ten finishes, tying for seventh at the Bucknell Invitational (228), and the Nittany Lion Invitational with a total of 224 (76, 71, 77), and opening spring season with a seventh place finish at Sunshine Spring Classic at 162 (81, 81).

Michalek, a marketing major from Illinois, also tied for 18th place at Roar-EE Invitational with a score of 122 (83, 39).

Looking onwards to next season, these two will once again lead the team to victory.

Men's Tennis

The men's tennis team had a season to remember with an overall winning record of 13-8, including a six match winning streak early in the season. The introduction of three freshmen contributed significantly to the team's success, as well as the experience of Coach Shook, who entered his twenty-third season as head coach here at Lehigh.

After entering the season with a non-league loss at Penn State, the team came together and won six consecutive home matches, including a hard-fought 4-3 victory over Delaware. The streak was broken by a forceful Stony Brook University team, but the Mountain Hawks continued to achieve victories all the way into Patriot League competition. Following a decisive 6-1 win over Colgate, the Mountain Hawks defeated Army Black Knights for the first time in 20 years.

The players used their momentum to conquer Bucknell 5-2 and Lafayette 4-3. Their dominance throughout the season earned the team a number two seed in the Patriot League tournament. Traveling to Annapolis, Lehigh defeated Holy Cross 7-0 during the first round then looked to face Army in the semifinals. Unfortunately, the team could not recreate the victory they experienced earlier in the season and Army prevented the Mountain Hawks from making an appearance in the finals for the second year in a row. Coach Shook had only good things to say regarding the last match of the season, "They played really well and we played like the young team we are. It was a good experience for our kids and overall it was a good dual match season."

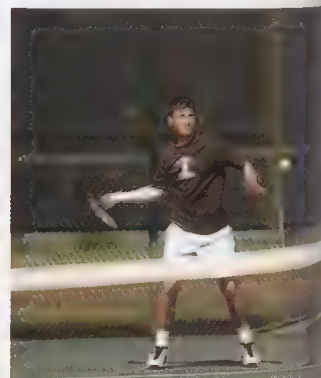

The players' talent was verified by the other coaches in the league as Sophomore Mark Goldberg and freshman Ben Gilman were appointed first team honors and freshman Mitchell Petersen earned second team honors for the Mountain Hawks.

Coach Shook is optimistic for the 2013 season as this young team matures in the hope of gaining a Patriot League championship victory.

Abby Farrell '15

Top Row: Head Coach Dave Shook, Daniel Goldblum '15, Timur Chernykh '14, Matt Savran '13, Gilman '15, Assistant Coach Wouter Hendrix **Bottom Row:** Andrew Krentz '13, Mitchell Petersen '15, Edgars Rauza '12, Mark Goldberg '14

Player Spotlight: Andrew Krentz

Junior Andrew Krentz has been a three-year starter for the Mountain Hawks playing primarily number four singles and three doubles. Krentz presented a decisive 12-8 singles record in the 2012 season, during which time he served as the team co-captain.

Coach Shook has all the confidence that Krentz will contribute to another successful season next year, claiming, "Andrew Krentz is one of the finest young men I have ever had the privilege of coaching."

5. Jill Sloand '14

The women's tennis team entered the season with a team compiled of four freshman, four sophomores and one senior—one of the youngest teams David Shook has seen during his sixteen years coaching the women's team. Shook's experience was key when scheduling pre-league matches against powerful, full-scholarship teams. The competition that Lehigh saw from teams such as Rutgers, Stony Brook and University of Albany provided the Mountain Hawks with beneficial experience, which was especially useful for the freshman. As Shook anticipated, the tough competition brought up the games of all nine players, better preparing Lehigh for Patriot League matches.

The momentum gained from the start of the season carried through into League matches, namely the match against Colgate. Colgate came to the Lewis Tennis Center at Lehigh off a win from Bucknell, and the Mountain Hawks were looking to halt their winning streak. Lehigh battled to take the double point with wins from the top two teams. First and second singles used the momentum to their favor before Lehigh's five singles player clinched the match. Lehigh was unable to capitalize on their winning streak as the team fell to Bucknell, but quickly bounced back by putting all efforts into a 7-0 victory against Lafayette.

Lehigh hosted the Patriot League tournament for the first time in three years, but unfortunately the team could not capitalize on its home court advantage, falling to Bucknell in a first round match-up. Despite a disappointing tournament showing, Coach Shook is optimistic for the 2013 season as this young team gains experience.

Abby Farrell '15

Senior Spotlight: Elizabeth Piscitelli

Originally from New York, Liz Piscitelli was an outstanding contributor to women's tennis during her four years, playing as high as one singles and one doubles during her career. Her best record was 3-1 in the Patriot League at number one doubles as a freshman. She has been described as "a fighter" on the court and as "a leader" off the court. Piscitelli recalls the most important lessons she has encountered, "I learned as a freshman from my captains that supporting each other and having fun with the sport gets you really far." She goes on to say, "I conveyed that to the younger girls this year and last year and hope they continue to have fun and win."

As a journalism and political science major with a business minor, Piscitelli plans to work at the New York Stock Exchange as a business analyst following graduation.

Men's Rowing

While the men's rowing team is considered only a varsity club sport, the rowers do not let that stop them from competing at the top of their game. They have been able to compete with other teams in the Patriot League and keep up the intensity.

In the Lehigh Cup against rival Lafayette, the men's varsity eight was able to clinch the win with an outstanding margin of more than 18 seconds. They started their success in the first regatta of the season, just shy of a sixth place finish needed to qualify for the grand final.

After nearly a month of rest, the men's rowing team entered the prestigious Dad Vail Regatta looking to advance at least to the second round of competition. The varsity eight did just that, advancing directly to the semifinals after an impressive first day finish. In their semifinals match-up, the team fell short of advancing to the final round, but enjoyed a successful showing none the least.

In the coming seasons, the men's Crew Team can look to improve upon the successes that they enjoyed during this spring.

Front Row: Aaron Baek '14, Chris Catalano '15, Brandon Fritz '15, Megan Freed, Amanda Stillwell '14, Emily Hrichak '12

Senior Spotlight: Bryce Hurst

Senior Captain Bryce Hurst has been a team leader both in the boat and out of the river throughout his Lehigh rowing career. During his junior year on the team, Hurst had an impressive showing at a variety of regattas. He was a part of the men's varsity four that came in second place at last year's Lehigh River Cup as well as a part of the varsity eight that won the Neuweiler Plate. He has also shown himself to be a great leader, helping to achieve the goals that the team set for themselves this season. Graduating from Lehigh with a degree in Architecture, Bryce leaves behind an improving Lehigh rowing team.

1. Jonathan Jean-Pierre '15
 2. Joshua Shaak '15

Women's Rowing

This season marked the second year that Coach Brian Conley headed the women's rowing team. When asked about his goals for the team, Coach Conley said, "Our goal as a team is simply to get faster at every practice." He then went on to add, "I think the women have been doing a tremendous job at it all year and have a desire to take the program in a really positive direction."

Throughout the season, the women's crew team made tremendous strides in their work ethic and race performance. The team entered their second regatta of the season, the Neuweiler Plate as the defending champions. Although falling short of another first place finish, the team placed second.

In their annual Lehigh Cup against Lafayette, the women's squad was able to pull off a resounding victory against Lafayette by a margin of over 18 seconds. The team has seen much improvement since Coach Conley has taken over the program and as senior co-captain Ainsley Timmel notes, "our squad is young but very talented this year..."

The team's hard work throughout the season paid off at the Dad Vail Regatta, where the women's freshmen eight captured second place in the finals and the women's varsity eight placed sixth in the semifinals.

Although a young team, the Lady Mountain Hawks' successes this season give hope for an even stronger rowing program in the future.

Megan Hoyt '13

Senior Spotlight: Ainsley Timmel

Senior co-captain Ainsley Timmel first qualified for the varsity squad in her sophomore year, and was named to the Patriot League Academic Honor Roll as a Behavioral Neuroscience major. In her junior year, Timmel was a part of the women's varsity eight that finished sixth at the Patriot League Championships as well as a part of the crew that came in first over rival Lafayette during the Lehigh River Cup. At the beginning of the season, she was excited for the challenges the team faced saying, "Looking at the rest of our schedule, I'm really excited to go and knock out some schools we've never beaten before." Leading the Lady Mountain Hawks through another successful Dad Vail Regatta, Ainsley's leadership and experience will be missed greatly next season.

Top Row: Assistant Coach James Harding, Carly Smith '14, Allison Yrinec '15, Dana Seglem '14, Katherine Menge '14, Rachael Porter '13, Corey Johnson '15, Leah Paulson '14, Head Coach Brian Conley **Middle Row:** Graduate Assistant Coach Ellen Sweet, Adrianna Abreu '13, Ufuoma Anidi '15, Cassie Barker '15, Kimberly Chiu '15, Rebecca Sproul '15, Aymee Suarez '13, Elizabeth Cornell '15, Jacqueline Ogden '12, Krista Schutt '15, Kaitlyn Dennington '14 **Bottom Row:** Rachel Hoff '14, Ainsley Timmel '12, Cara Baskin '12, Monika Martin '15, Elaine Ivy '14, Chelsea Coffey '15, Ravenna Wilkins '13, Cloe Elber '15, Kristen Wilhouski '14, Elizabeth Miller '14

organizations & affinity groups

Academic Organizaions

APM recognizes top junior and senior industrial engineering students for their academic achievements, increases professional development among members, promotes networking among faculty, graduate, and undergraduate students and has fun! In the past, we have planned faculty and student gatherings, co-sponsored a First Year Meet & Greet, an ISE Banquet, an ISE 60th year Anniversary, and a Man-Tech Ribbon Cutting Event.

Alpha Pi Mu

AMSA

LU AMSA (American Medical Student Association) seeks to promote activism on the pre-medical level through increased understanding of our healthcare system. LU AMSA provides students with the opportunity to increase their awareness of local and global health issues by promoting active improvement in medical education. Our emphasis is to promote service for our community and grooming future leader physicians. Over the 2012 Winter Break, a group of our members volunteered in Guatemala. Our group worked in rural and indigenous communities promoting good hygiene and educating the youth on disease transmission. On the last day we had the opportunity to help out in a HIV orphanage where we weighed babies and administered anti-parasitic medication. Our organization touches on both local and global health service.

BCEC

Amid the endless confusion that is the senior job hunt, a select group of students actually find job opportunities in fields that they can see themselves enjoying. These students, the members of Lehigh's Business Careers in Entertainment Club, have found their "dream jobs." Through the club's networking workshops, internship opportunity email-blasts, and off-campus trips, nearly one hundred students were well suited for resume-building, forming professional networks, and interviews. Events throughout the school year saw the club prepare students for the working world, the Rodale Inc. networking trip being particularly helpful. If all goes accordingly, BCEC acts as a breeding ground for the next generation of entertainment industry leaders.

The Dental Society at Lehigh brings pre-dental students together. We are a great resource for guiding younger pre-dental students with advice in ways to make their application stronger, answer any questions about the classes to take, and much more. We volunteer our time with the Bethlehem community. We gave presentations at the Doneghan Elementary school to teach first graders how to brush their teeth properly. We also volunteer our time with the St. Lukes Dental van, chair side assisting dentists. We also brought speakers to come to campus, such as a Lehigh Alum who is a dentist, and also current dental residents.

Dental Society

The Lehigh University Institute of Electrical and Electronics Engineers (IEEE) student branch has a goal to bring students together with a common interest in technology and engineering to provide a way for our members to expand on their ideas. We offer social events, bring in speakers, and provide a channel to network with Lehigh ECE alums. We also sponsor ECE educational programs and electronics build projects throughout the year to compliment our members' education in the ECE department. IEEE strives to build a stronger relationship among faculty and students. We are the first IEEE student branch founded in the world.

Institute of Electric and Electronic Engineers

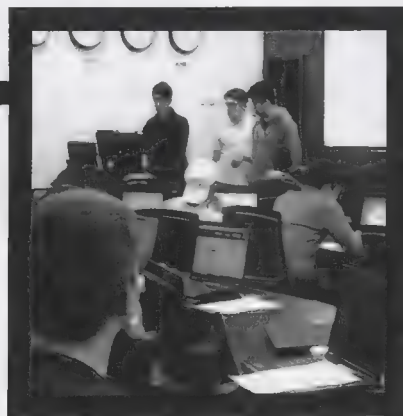

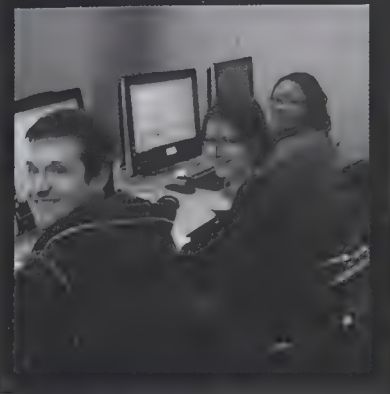

Institute of Industrial Engineers

IIE is the world's largest professional society dedicated solely to the support of the industrial engineering profession and individuals involved with improving quality and productivity. Founded in 1948, IIE is an international, nonprofit association that provides leadership for the application, education, training, research, and development of industrial engineering.

As the Lehigh Chapter of IIE, we hold career workshops for students of all disciplines, and every year we take a trip to a nearby factory to see first hand how a manufacturing process works. This year we took a trip to the Martin Guitar Factory in Nazareth, PA.

Investment Management Group

The Investment Management Group is an organization that provides students the opportunity to understand, evaluate and invest in the financial markets through three Alumni funded portfolios. The group is run by students, and all financial analysis and decisions are undertaken by its members.

The investment management group is unique because it provides its active members real life exposure to the intricacies of the capital markets, which develops skills that provides them with an edge to careers in finance. In addition to evaluating, pitching and managing investments, the Investment Management Group engages in trading simulations, career talks, and mock portfolio competitions.

Lehigh's Microfinance Club is dedicated to supporting microfinance around the world and educating the Lehigh community about how they can contribute to the cause of bringing first world financial institutions such as saving, banking and investment to third world countries. Annually our club runs the Ten Thousand Villages sale, multiple fundraisers for our microfinance account and the Lehigh Valley Microenterprise Expo. We also organize a speaker series, provide members with internship opportunities and take an annual trip to a microfinance organization in NYC. Being a member of the club is not only a great way to learn about micro-financing but also a great way to work on your group, communication and leadership skills.

Microfinance Club

Phi Sigma Pi is a co-ed national honors fraternity based on a tripod of scholarship, leadership and fellowship. The brothers of Delta Chi strive to combine the acquisition of knowledge, the fostering of leadership through service, the fostering of fraternal fellowship and act as a combination of an Honor Society, a Service Club and a Social Fraternity. To improve their minds and friendships the brotherhood attended events such as yoga and meditation, Asian Cultural Extravaganza, friendly soccer games, and bowling. Some of the brothers, to further expand their thrilling lives, have even gone Skydiving and Snowboarding. Delta Chi wishes all of their graduating seniors the best of luck and welcomes the Phi and Chi classes.

Phi Sigma Pi

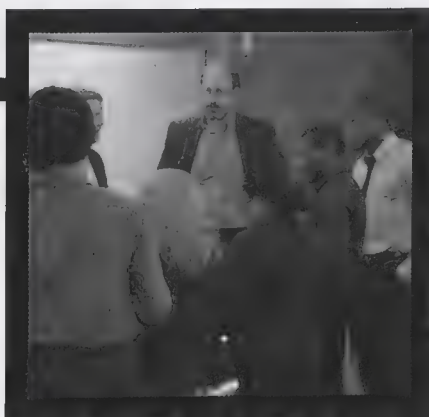

Philosophy

Philosophy Club seeks to engage the world through thought and discussion. Philosophy is the practice of open reflection. It is our intention to simulate the spirit of this practice together, in a friendly environment. Over the course of the year we met in the cozy comfort of the Dialogue Center, trying on many perspectives in a search for understanding, meaning, and, controversially, truth. We sought to fulfill our responsibilities to live the examined life, knowing it to be the only one worth living.

We've had thoughtful brunch discussions on the weekends. We've also been active, visiting Occupy Bethlehem to see democracy in action and watching *Eternal Sunshine of the Spotless Mind* with a live soundtrack by the band XVSK at the ArtsQuest Center at SteelStacks.

NSBE

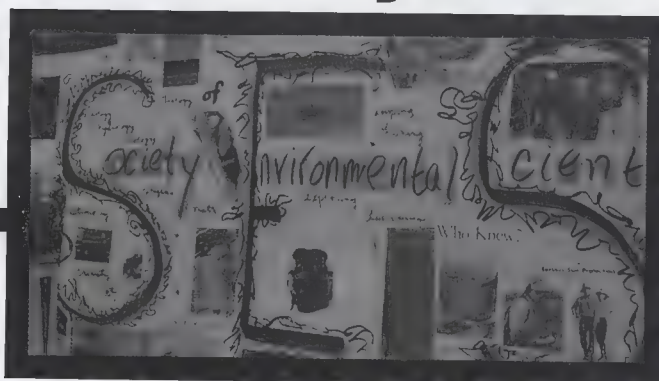

The National Society of Black Engineers is an academic support and professional advancement organization devoted to increasing the number of culturally responsible black engineers who excel academically, succeed professionally and positively impact the community. Lehigh NSBE takes an active role in the Lehigh Valley community by hosting a NSBE Jr. (Pre-college initiative chapter), in which children from local high schools are welcomed on to campus to get tutored and mentored by members of NSBE as well as other volunteers. The goal of this program is to encourage high school students to become interested and succeed in math and sciences as they begin their progression toward higher education. NSBE is relentlessly focused on improving educational opportunities on campus and off.

The Society of Environmental Scientists is a club aimed at mentoring and uniting undergraduates within the Environmental Sciences. Although this club is focused on people majoring in Environmental Science, it is open to all undergraduates who are looking to expand their knowledge in the fields of Ecology and Geology. In order to accomplish our goals, the club holds meetings to discuss opportunities within the department, attends field trips associated with Environmental Science courses and organizes independent field trips such as camping.

Athletic Organizaions

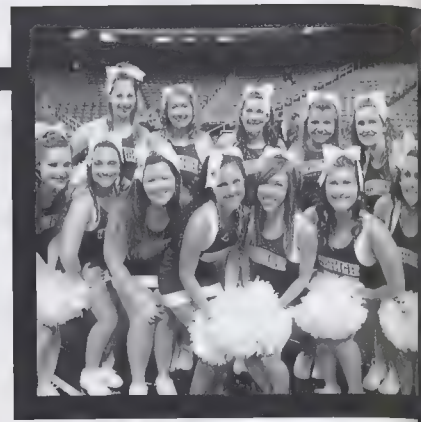

The Lehigh Club Baseball Team has carried the tradition of baseball here at Lehigh that started in 1869. The club is comprised of men who want to still play competitive baseball in college and do not have the time to commit to the varsity program. With a fall and spring season we play teams within Pennsylvania and New Jersey and play other club teams and also D-1 and D-3 varsity teams. Once a year we hold our annual Alumni game and our seasoned vets come back for the one day event and show our current players the traditions that are Lehigh Club Baseball. As one member once said, "We win to play..." though it really does not make sense, it embodies the spirit of competitiveness, camaraderie, and all around good times held by all on the team.

Baseball

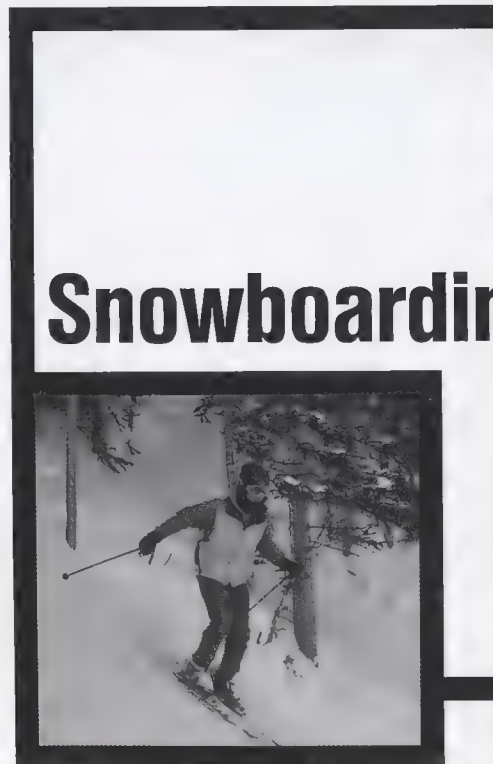

The cheerleading team is one of the most visible groups on Lehigh's campus, cheering at football and basketball games. We also perform at pep rallies and hand out giveaways at campus events such as the Lehigh-Lafayette Bonfire, Unity Week and Founder's Day celebrations. Thanks to the football and men's basketball teams, our season could not have been any more exciting this year. We were able to cheer our teams on as they both advanced to the second rounds of their respective NCAA tournaments. We will never forget cheering courtside on the night that LEHIGH BEAT DUKE! Every year we are also actively involved in the COACH program, which allows us to read with elementary school students and to participate in the Adopt-A-Family holiday gift drive. We hope to see you at all of the games next year!

Cheerleading

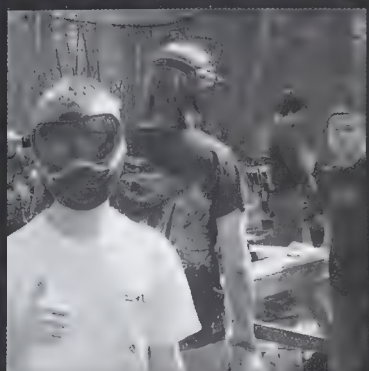

The Lehigh University Snowboard Club is made up of a diverse group of students who all share a passion for skiing and/or snowboarding. The club is open to both skiers and boarders, and promotes interpersonal connections and friendships through having fun on the slopes. Snowboard Club is also open to members of all skill levels, from experts to first-timers. This provides an opportunity for beginners to learn from experts, and for experts to get better by teaching their craft. Snowboard Club provides transportation to and from local ski resorts twice a week every week during the Spring semester (as long as the ski resorts are open), as well as discounted lift tickets to some mountains. The club also provides transportation to and from the annual Pond Skimming Contest at Blue Mountain on the last day the mountain is open in the spring.

Snowboarding Club

Paintball

The Lehigh Paintball Club is dedicated to playing paintball in and around the Lehigh Valley. We have players of all skill levels, from first timers to years of experience. Restarted in 2010, the Paintball Club has almost four hundred members. Our trips focus on getting as much play time as possible, and creating a great experience for our players. We play at LVP South, Skirmish, and take special trips to EMR for games with up to a thousand players. In addition, we usually have a trip to a farm, where we play paintball in a corn maze.

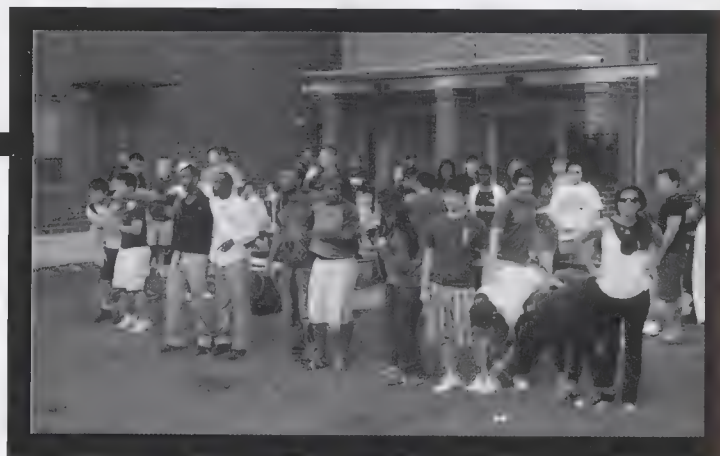

Other Athletic Organizations:

Badminton
Cricket
Cycling
Equestrian
Fencing
Frisbee (M & W)
Ice Hockey
Lacrosse (M & W)

Squash
Tae Kwon Do

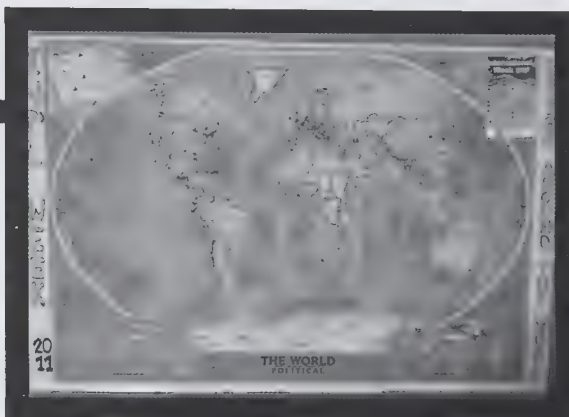

Cultural Organizaions

Asian Cultural Society is an organization at Lehigh University that serves to promote Asian awareness and culture throughout the community. ACS has provided various events throughout the course of the year. During the fall, our club hosts the annual Fusion Show at Lamberton in which various clubs and organizations are invited to perform their culture's dance or talents. In the spring, our club has continued the tradition of going to the annual Asian American Conference called ECAASU. Finally during April, ACS hosts a variety of events for Asian American Pacific Heritage Month, in which we usually bring speakers and performers to educate the community on various issues and to promote Asian awareness. Our club also hosts smaller events during the semesters for members such as BBQs, trip to Asian restaurants as well as celebrating the Chinese New Year.

Asian Cultural Society

Association of International Students

Association of International Students (AIS) is working to promote global awareness and to provide programs that support and serve the needs of international students. The term "international" refers to the cooperative ventures of students from different countries, including the United States. Our first semester events included Lehigh-Lafayette Olympics, Laser Tag trip and two International Week events: World Map Countdown and Kite-Making on the UC Front Lawn for the World Peace. We are still planning for our Spring semester calendar, and we will soon be in the announcements with more exciting events that will continue raising global awareness among the Lehigh community.

Italian Club

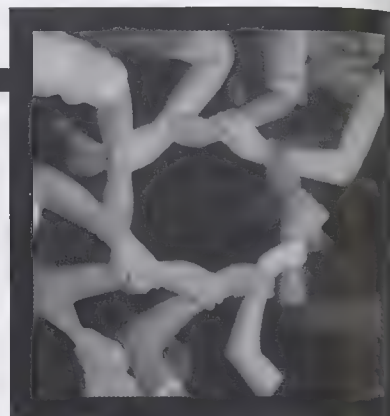

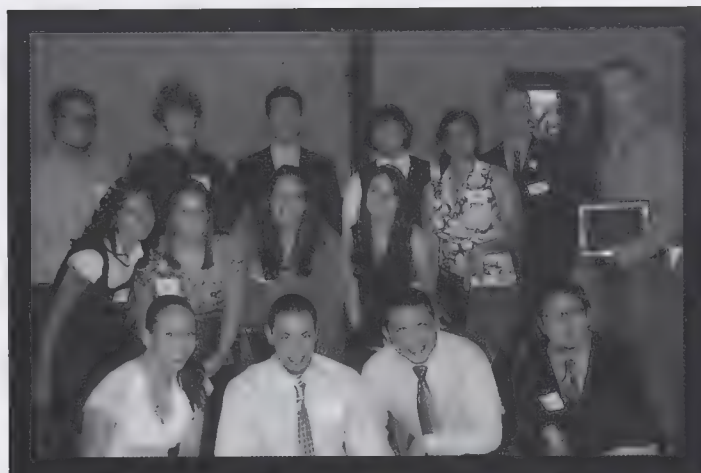

The Italian club at Lehigh University consists of members who value, support and promote Italian culture and traditions on our campus.

We plan on continuing the tradition of weekly Italian lessons held for students having no or little background knowledge in Italian. Additionally, we organize cooking nights, movie nights and last semester, for the first time, we had a tie dye "Show your colors" event that attracted a lot of attention among Lehigh students.

Italian Club is a great resource for students that want to get involved while being exposed to the Italian culture. The events that we attend and organize give comprehensive engagement in Italian values, while the members gain invaluable international experience. We are excited to see you at our next meeting!

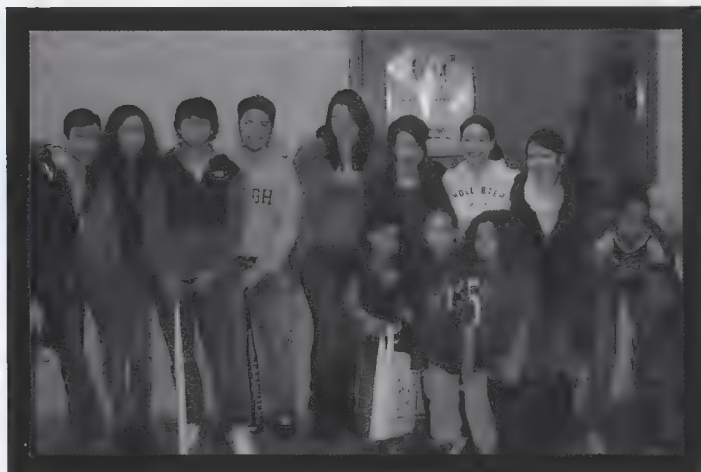

Latino Student Alliance is a student run organization, but more importantly, a community where Latinos are empowered through unity, culture, and academics. Members of LSA have a saying: "LSA is what you make it. It is what you want it to be." LSA is home to hard-working and dedicated student leaders who value a quality education. We strive to expose the Lehigh community to our pride for our cultures in an effort to educate and inspire change. We were a part of starting an official campus celebration of Hispanic/Latino Heritage Month successfully for the first time last year and continue to be a part of this celebration. We have also gained full Student Senate recognition and Global Union membership that has aided in our success and presence on campus.

Latino Student Alliance

Spanish Club is devoted to bringing cultural diversity to Lehigh University. Our goal is to unite those interested in the Spanish language and to allow members to immerse themselves in the culture of the Spanish-speaking world. Fluency is not required. We hope to serve as a good medium for members to practice their Spanish and improve their proficiency. During the 2011-2012 school year, we helped put together Hispanic/Latino Heritage Month, which included events such as Sabado Gigante, World Cup Futbol Tournament, and Latinopalooza. We also hosted Piñata Night at the local Boys & Girls Club of Bethlehem, movie nights, and trips to local restaurants.

Spanish Club

Media & Leisure Organizaions

Known as Anime Eki Animation, we are the stop for Japanese pop culture and animation here at Lehigh. We take an adventure through the rich medium of storytelling through animation. With our weekly meetings, we tread a fine line between enthusiast and an otaku. However, as we move on, old traditions fade away and new ones crop up. We are proud to be featuring showings of different series as well featuring a monthly movie. This year in particular is special as we officially made our first excursion to the New York Anime Festival and Comic Convention. In addition, this year we are saying goodbye to Kenner Theatre which served us well with our movies. Now that fresh blood is taking over, we give thanks and goodbyes to those who got us to where we are today. Arigatou Gozaimasu.

Anime Eki Animation

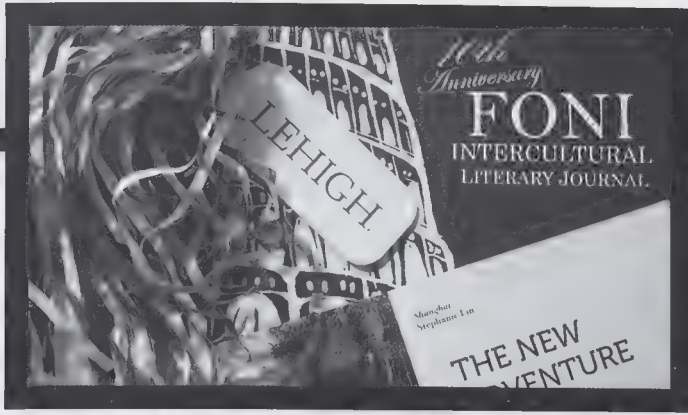

The Brown and White is Lehigh University's student-run newspaper that prints and publishes a new edition every Tuesday and Friday. The newspaper covers issues related to the university, local community and country, keeping Lehigh students, faculty, staff and Bethlehem residents informed. Recently, The Brown and White merged with a local news outlet, The Express Times, and is now featured on The Times' website as a way to reach out to the Bethlehem community more directly. The Brown and White has also updated its website in another way. Instead of publishing material twice a week on the website, The Brown and White editors and reporters publish articles and photographs every day in order to conform to the latest, up-to-date newspaper-industry standards in which news is published daily on the web.

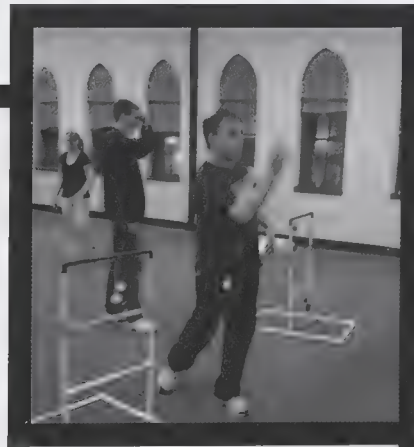

Brown & White

FONI

FONI (Greek for "voice") is a club that represents the diversity of the Lehigh student body. For over 10 years, we have been annually publishing an art and literary journal featuring student works. We welcome works in another language (other than English) as long as the author provides a translation, too. In addition, every year our club organizes exciting and educational events on our campus. This year, we held an event showcasing the rich culture of the Ukraine, complete with teaching a fast-paced Ukrainian dance to the participants. FONI also takes part in the International Bazaar every spring. We are happy to serve as a creative outlet for the LU community!

Tossing Not Throwing

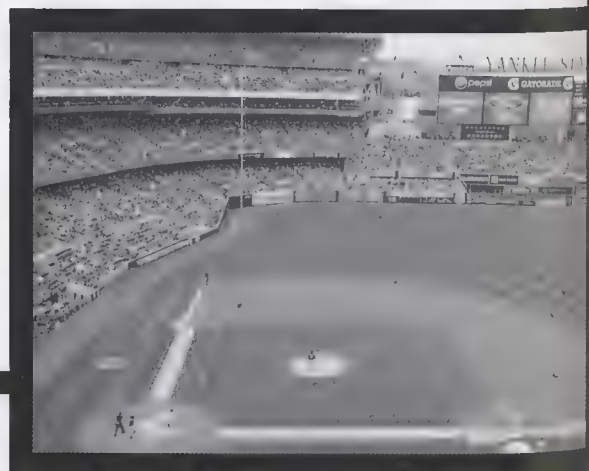

At Tossing Not Throwing, members participate in backyard games that, as our name suggests, are focused on tossing. Every week, we have numerous games from corn hole to horse shoes to ladder ball set up for people to play with. Our meetings are laid back and focused on just having a good time as we encourage others to just have fun and participate in the games. Even though our club hasn't been around long, we have already participated in numerous events over the past year. We've been involved in a charity that raised money for research towards breast cancer. We've helped out with cultural events such as the Martin Luther King Jr. fair and we have participated in other events around campus as well. We hope to do more on campus in the future and we encourage new members to join as we continue to relax, have fun, and toss.

University Productions commonly referred to as UP, is Lehigh University's premiere programming organization. We put on many of the amazing events on and off campus for all students to enjoy. Our events include Sundaze, weekend movies in Kenner Theatre, Broadway shows, and the Thursday Night Comedy Series. This year we have introduced some exciting new events such as, Laser Tag and Lehigh's first student stand-up comedy contest, Lehigh Laugh Off. Our goal is to please as many students as possible with great events that are either free or at a greatly reduced charge. Hope to see you all at an event soon!

Music, Dance, & Theatre Organizations

Belly dancing is very ancient; it is at least 2,000 years old. Belly dancing club at Lehigh that provides students with the opportunity to learn belly dancing through proper instruction, to participate in performances open to the community, and to discover the rich culture from which belly dancing originates. This club is for anyone who likes to dance, regardless of skill level. Come out and shake it! It is definitely an experience unlike any other. In the past, we performed at Dance Fest, International Bazaar, Vagina Monologues Fashion Show and Fusion.

Belly Dancing

Choral Arts

One of the oldest traditions at Lehigh, the Choral Arts remains an active and inspiring force on and off campus. Under the direction of Dr. Steven Sametz and Associate Conductor Debra Field, the Choral Arts consists of four groups: Choral Union, University Choir, the men's choir, Glee Club, and the women's choir, Dolce. Including members of the community, students, and faculty, the Choral Arts boasts an extensive repertoire and has traveled to several different countries on tours. From the annual Vespers service to concerts with multitudes of different themes, the Choral Arts provides music that relates to all types.

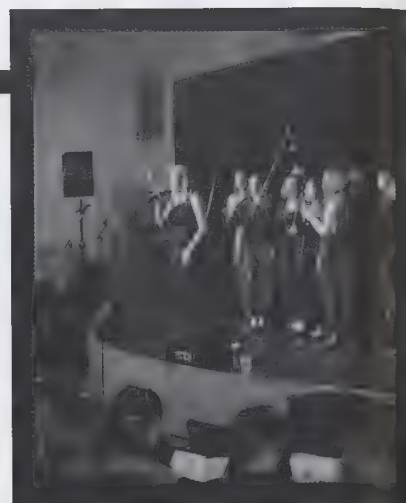

DANCIN', Lehigh's dance club, offers weekly classes in lyrical, ballet, tap, jazz, and hip-hop. All classes are taught by professional dance instructors and are open to anyone interested. Members also choreograph their own numbers and solos for various performances. DANCIN' has a club recital each semester, and also performs in several campus dance showcases throughout the year, including Dancefest, Fusion, The International Bazaar, and various talent shows. The officers for the 2011-2012 school year are President Sabrina Starts, Vice Presidents Kelsey Stocker and Fan Yu, Treasurer Marie Duran, and Secretary Sara Titchner.

DANCIN'

"Dance is the hidden language of the soul." -Martha Graham

Echoes, Lehigh University's all-female a cappella group, was founded in 2003. Eight years later, the group has matured into a fine musical act, performing on and off campus and collaborating with other collegiate a cappella groups. The Echoes' repertoire spans several genres, including pop, indie, hip hop, country, and jazz. In addition to performing in several concerts each year, the Echoes have also lent their voices to campus events such as The Vagina Monologues and Relay for Life. In February 2012, the group also helped plan and performed in the 8th annual A Cappella Invitational, raising money for Shriners Hospital for Children in Philadelphia. In addition to performing with groups from other schools, the Echoes often perform joint concerts with Lehigh's three other a cappella groups.

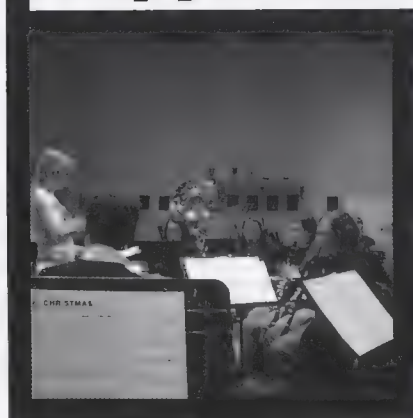

Echoes

Kappa Kappa Psi is a National Honorary Band Fraternity focusing on service to the college band program. In February, we hosted the Central Precinct Meeting for the Northeast District of Kappa Kappa Psi and Tau Beta Sigma, our sister sorority. We welcomed over 200 visitors to campus for a day of workshops and bonding with other chapters. In March, brothers from our chapter traveled to Maryland for the Northeast District Convention, a two-day event with over 500 Brothers and Sisters from 69 chapters in 13 states. Our service projects at Lehigh include helping the Marching 97 prepare for Alumni Weekend and Lehigh-Laf, sorting ensemble music after concerts, and helping the music department. Community projects include giving after-school music lessons at Broughal Middle School and volunteering at USSBA high school band competitions.

Kappa Kappa Psi

LU's Finest

LU's Finest have worked hard this year to expand the organization's mission which is to bring the art of stepping to the Lehigh community. We released a step video to show our spirit for the Lehigh-Lafayette football game that reached almost 2000 views. In the spring semester, we organized the first ever Change the Beat Step Competition by bringing different step teams from the area to showcase their talent. To further create bonds with the Lehigh community, we initiated an after school program with Broughal Middle School to kick-start their own step team. Not forgetting what we have always been known on campus for, we support other organizations' events by performing at Latinopalooza, Fusion, Dancefest and Spectacular Spectacular.

With its unique spirit called "psyche," the Marching 97 provides entertainment for all home football games and sends a delegation of members to away games. The entirely student run band impresses football fans from the field and the stands with a mixture of musical and marching talent. When not at games, the band plays an active role in keeping school spirit and traditions alive. These traditions include the Eco-Flame, in which the band plays fight songs during classes the morning of Lehigh-Lafayette beginning with Eco 1, which the band executes with its usual enthusiasm and energy. This has been a year of achievements for the band, which reached 97 members for the first time in over thirty years.

Marching 97

The LU Melismatics are Lehigh's oldest co-ed a cappella singing group, founded in 2001. Every year, the Melismatics host a fall and spring concert, as well as host the Annual Lehigh A Cappella Invitational with other a cappella groups on campus. Mels also performs at various school functions, competes in the International Competition for Collegiate A Cappella, and performs as a guest group at other colleges. We have placed at the ICCA competition multiple times and have won special awards including Best Arrangement, Best Soloist, and Best Choreography. In 2010, country band Gloriana asked the Melismatics to make a promotional video for the band's Academy of Country Music Awards Top New Artist nomination, and the video circulated on the band's official websites.

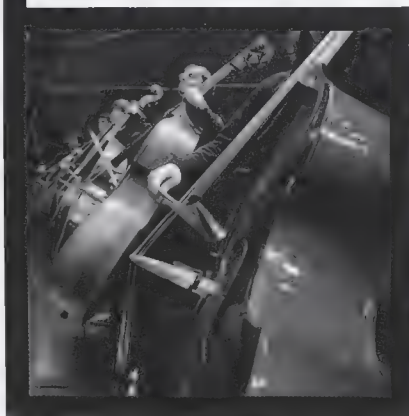

Melismatics

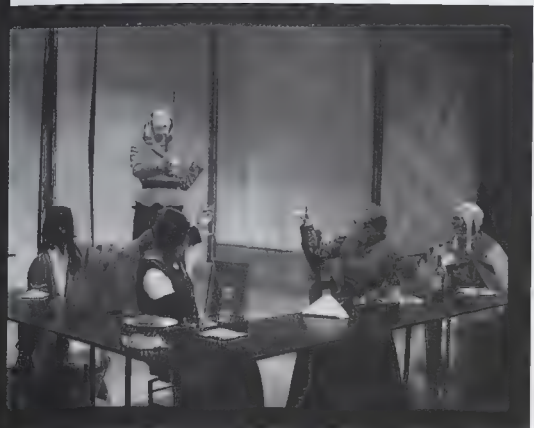

There is never a dull moment with the Philharmonic Orchestra, and this past season proved to be no exception. The talented group performed a wide variety of works by composers such as Beethoven, Dvorák, Hindemith, Tchaikovsky, and Wagner. Huge crowds flocked to see the family-friendly December concert featuring the Nutcracker Suite and a work based on the fairytale The Emperor and the Nightingale. In January, the Orchestra made a trip to Philadelphia to see the Philadelphia Museum of Art, along with a performance by the prestigious Philadelphia Orchestra. The following month, student soloists exhibited their talents in the Concerto Marathon. Whether led by Professor Eugene Albulescu or Dr. Paul Salerni, a synergy circulated amongst the group. The Orchestra adjusted successfully to an influx of new members and achieved its ultimate goal: bringing music to life.

Philharmonic Orchestra

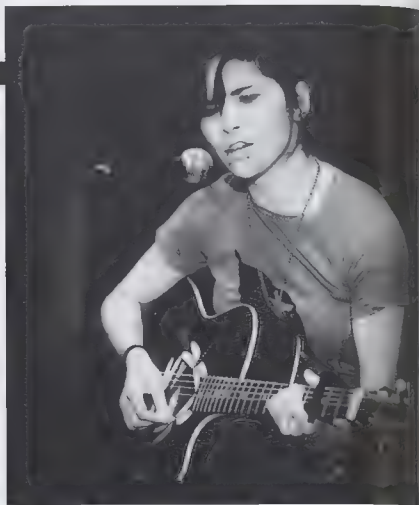

Mustard & Cheese

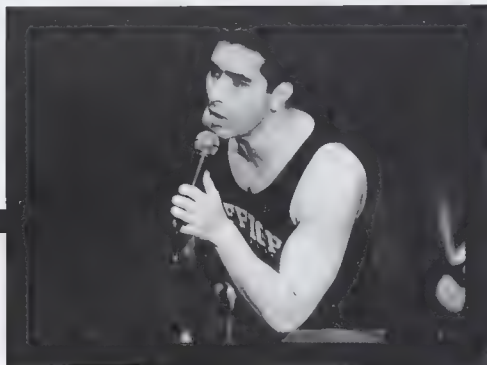

The Mustard and Cheese Drama Society is a club focusing on promoting Theatre at and around Lehigh University's Campus. We have been a club since 1884. We work with the Theatre Department to produce up to four Student Directed Shows a year in the Black Box Theatre. This year we produced *The Listener* by Liz Duffy Adams directed by Andrew Chupa ('13); *Knowing Cairo* by Andrea Stolowitz directed by Brittany Johnson ('13); and finally a showcase of one act plays by Tennessee Williams directed by the students of THTR 144. We also bring in experts in various fields of theatre, this year we did workshops in: New Play Production, Stage Combat, and Improvisational Acting. In addition, we sponsored trips to plays in Philadelphia and New York.

The Music Box was formed in January of spring semester 2011 as a free student led organization that specializes in providing live music entertainment here at Lehigh University. Our mission is to cultivate and create an accessible network of musical talent, to provide a place for these artists to play and practice, and to further enhance our university's music culture. We host "First Saturdays", which is an open mic show on the first Saturday of each month. We have co-hosted events such as Miss Melody with the Women's Center for domestic violence awareness and Turning Point of Lehigh Valley, Rock for Japan with the Black Student Union to fundraise money for victims of the Japan earthquake, among many others.

Music Box

Being famous: it's every person's dream. At Lehigh's student-operated radio station, WLVR-FM, this dream nears reality. Sure, the 91.3FM signal might not be tuned into by every student, but for those that stumbled into the cozy corner station in Ulrich, that "On-Air" sign was iPod-changing. Amid declining record sales, increased piracy, and a downward sloping number of listeners, college radio still acts as the platform for creating stars. Not unlike the student body, LVR's format ranges from punk, rock, indie, house, and hip-hop to talk (and that's all in one afternoon!). With the hard work of dedicated students and station manager A.J. Fritz, LVR was named the Valley's favorite College/Community station at the 13th Annual Lehigh Valley Music Awards. The music world is changing, but as long as LVR exists, free speech persists!

Service/Political Organizations

The Lehigh University College Republicans is an organization dedicated to informing and engaging our members with regard to current events, policy, and politics. The club's open political dialogue is for all political ideologies. This year, as we do every year, the club attended the annual Conservative Political Action Conference in Washington, D.C. While there, participating members took in countless booths on the conference floor and heard speeches from a veritable who's who in conservative politics. As this year comes to a close, the club will also be having Second Amendment Day and a lecture by Michael Behe, among other things.

College Republicans

Colleges Against Cancer

The Lehigh University Chapter of Colleges Against Cancer was incredibly active this year. In October, we won the first ever Rival U Challenge through the American Cancer Society. In November, we executed the Great American Smoke Out, a national effort to convince people to make healthy lifestyle choices and quit smoking. December marked the first ever Purple Week in the Asa Packer Dining Hall to engage faculty and staff in fundraising efforts for the Lehigh University Relay for Life. As a reward for winning the Rival U Challenge, Lehigh will receive the 'Pimp My Relay' prize package from the ACS to increase the 'wow factor' of our event. Four weeks out from our event, we have already registered 600+ participants, 56 teams, and over \$47,000 to donate to the American Cancer Society.

Eco-Reps

LU Eco-Reps was founded by Green Action in Spring 2010 with funds from the Green Fund which is part of LEAG (The Lehigh Environmental Advisory Group). The program started with 12 students in Fall 2010 and in Fall 2011 because of a course in the Environmental Studies department advised by Professor Al Wurth. Residential Services is now funding the groups efforts. 42 Students are involved in the program which focuses on raising awareness about environmental issues and changing student behavior in the residential halls and Greek houses. We put on events such as "Do it in the Dark" Lehigh's annual energy competition, as well as making recycle bins and other fun activities. We also conduct waste audits to determine what students are throwing out and energy audits to see how we can save on energy costs.

Green Action is Lehigh's main environmental activism group on campus. We aim to educate students, faculty, staff, and community members about environmental issues around campus, Bethlehem, the country, and the world. We also work to make Lehigh and Bethlehem a more sustainable community through activism efforts such as community clean ups, volunteer work, and lobbying administrative officials. Despite all of our hard work we still find time to enjoy the world we work so hard to protect on fun outings such as apple picking, hiking trips, and attending environmental conferences.

Green Action

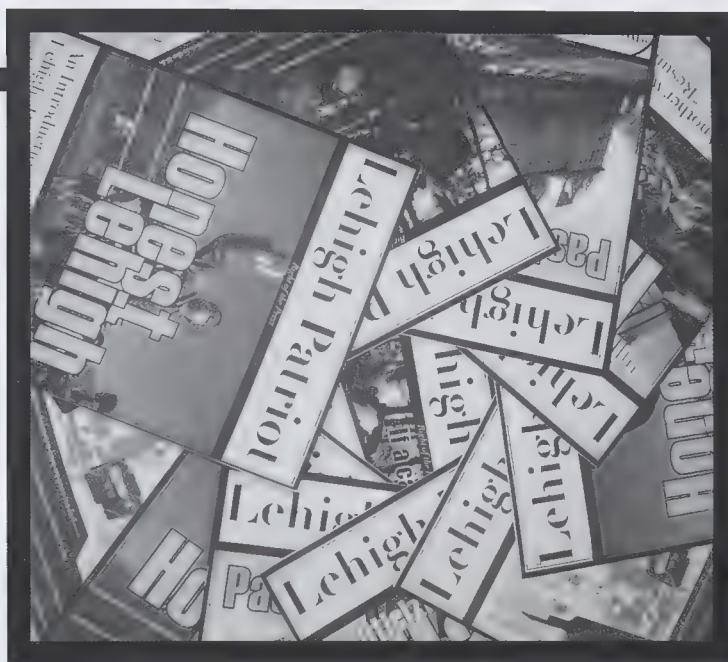

For over 20 years Lehigh University Emergency Medical Services (LUEMS) has been servicing the students, faculty, and staff of the Lehigh University Community. LUEMS is a Pennsylvania Department of Health certified EMS organization and is run and staffed almost exclusively by student volunteers of Lehigh University. We are in service 24/7 during the semester and the goal of all of our EMTs is to provide quality Emergency Care to those in need on Lehigh's campus, free of charge. LUEMS also supplies Standby Crews for many of the University's club sports as well as for some other University events. This year LUEMS welcomes a new response vehicle to our family, thanks to the dedication of many of our volunteers over the past few years along with donations from Alumni and other supporters.

LUEMS

The Lehigh Patriot

The purpose and aim of The Lehigh Patriot shall be to serve as a vehicle for the political and social writings and opinions of Lehigh University, to foster debate and discussion, and to work against political apathy. The Patriot continues its tradition of holding Lehigh's administration accountable to the students they serve, in hopes that students become more cognizant of how their tuition is being spent. As the world changes and classes come and go, so has The Patriot. We have seen better times, and we have seen worse. Yet, through it all our publication staff has strived to keep The Patriot an important part of the Lehigh community. I'd like to thank all of our writers for their tireless dedication and our readers for their continued interest. They've made it a great year!

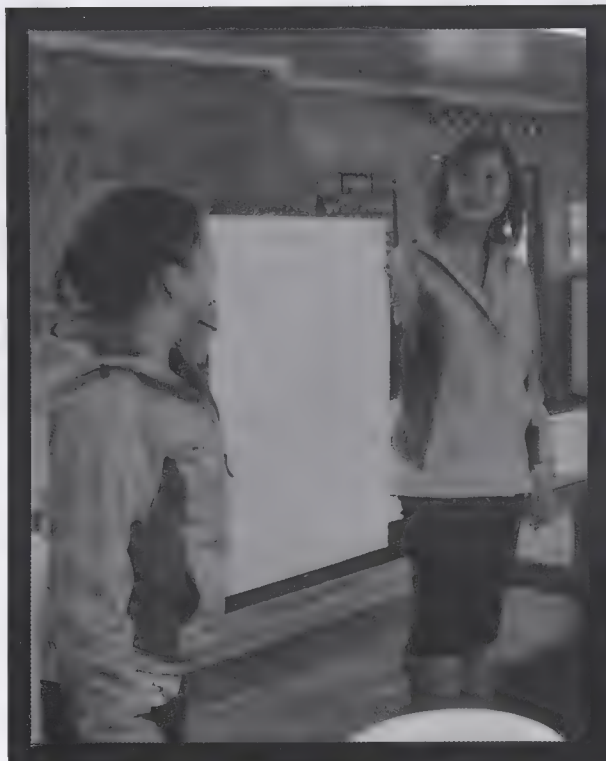

This past year, the Senior Class Gift Campaign aimed to focus on everything that Lehigh has provided the Class of 2012 in the past four years. With that in mind, co-chairs Jena Viviano and Marshall Zhang wanted to unify the senior class to give back to Lehigh as a way to show their appreciation and to "pay it forward" for Lehigh's future generations. The goal was simple: to have at least 700 seniors make a gift of any amount to something that was meaningful to them — financial aid and scholarships, an athletic team, a Greek organization, a club, an academic department, or the arts. It was important to the campaign that the power of collective giving became a focal point, in order to stress that every gift made a difference in helping the Class of 2012 leave their legacy.

With the fantastic help from the rest of the Senior Class Gift Committee - Isadore Carrie, Brendan Hannon, Allison Kowalski, Tyler Piede, & Madeline Schatzman - and the advisors - Lauren Dow and Chad Davis - many events were coordinated in order to educate and excite the seniors about giving back. From the Senior Kickoff Celebration to the "100 Days 'Til Graduation Brunch", seniors were able to help contribute to the goal. In addition, the Parents' Council challenged the committee to reach their 700 donor goal with a \$100,000 donation if the goal was met. Through the efforts and help of the committee, the Senior Class Gift Campaign officially received 712 gifts and raised over \$120,000, making this the campaign with the most participation to date! Not only were records broken, but a legacy was left at Lehigh University.

Senior Class Gift Committee

The mission of Student Senate states, "Through forward thinking, effective communication, and active representation, the Student Senate will develop an integrated community that is empowered to build a greater Lehigh." At our fall retreat we engaged in team building exercises and brainstorming for what we wanted to accomplish in the coming year. This year we have taken our mission statement and goals from the retreat to focus on some great projects to help Lehigh which we call "Campus Life Improvement Projects." This year those projects focus on Safety, Campus Unity, Academic Improvement, Campus Unity and Facilities/Transportation. Besides these projects we also serve as the main governing body for clubs on campus and continue to fund and approve new clubs on campus. This year we have held many successful programs including "Light Up Off-Campus," and "Lunch with your Professors."

Student Senate

Spectrum

Started in 2003, Spectrum is Lehigh University's undergraduate student organization dedicated to providing support, social opportunities, educational outreach, and social change for students who identify as lesbian, gay, bisexual, transgender and queer or questioning—as well as all those who are allies to the community. Events for the 2011-2012 school year have included a trip to "Out in the Park" at Six Flags Great Adventure, a Thanksgiving dinner for the community, social events with other schools' LGBT student groups (including the first ever Lehigh Valley Intercollegiate LGBT Student Retreat), weekly queer movie nights, conference trips, and of course, the annual Illusions Drag Show, which raises funds for an LGBT-related charity or non-profit organization.

Other Service/Political Organizations:

Amnesty International
Best Buddies
College Democrats
Model United Nations
Progressive Students Alliance
Public Health Coalition
Schools for Schools

Religious Organizations

The purpose of the Catholic Student Union (CSU) is to organize and unify the Catholic community at Lehigh University. It assists the members of the Lehigh community in coming to a personal adult expression of the faith, provides a visible student symbol of active Catholic life to all Lehigh students, and establishes a presence within the local community. Our spiritual activities included meeting to pray the Rosary, participating in the March for Life in Washington D.C., a Q&A session on Catholic teachings, Catholic Underground in Philadelphia, and Lenten Retreat. Our social activities included opening and closing picnics, interfaith ice cream social, miniature golfing, a trip to Cathedrals in Philadelphia, and film screenings. Our service activities included serving at Parish dinners, Thanksgiving food drive, participating in Holiday Hope Chests, and helping at Friday Fun Night, which serves local children.

campus life

--	--	--	--	--	--

Living On-Campus

"Lower Cents is awesome, definitely the best dorm on campus. I really like Lehigh, my favorite part would have to be the nightlife and parties."
-Cedric Osborne '15

"I love Lehigh and all the friends that I have been able to make here. Congdon has been the best place to live, it's close to Rathbone and as a hall we are all really close."
-Annie Jones '15

"Living in Richards has been a great experience, the halls are small enough that you can know everyone and it is by far the best freshmen dorm."
-Mark Dipsey '15

"M&M isn't in the best location but there is always someone to hang out with and it's still the best. Next year I'm excited to live in Theta, it will be different living with all girls in the building but it will be a lot of fun."
-Melissa Dizon '15

"Dravo is a nice dorm, it's by itself, it has the woods behind it, and you won't gain the freshmen fifteen."
-Robert Herguner '15

"I wasn't quite sure what to expect when coming to Lehigh, but so far I really like how united the campus is and the amount of pride students have in Lehigh."
-Anna Sternberg '15

"Broadhead is great because it's close to my classes and all the shops and restaurants. Although I will miss having all my meals cooked for me, I am looking forward to personalizing my room off-campus next year."
-Chad Efaw '14

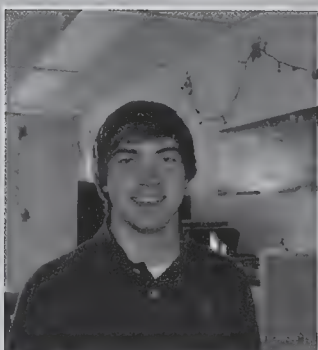

"I lived in Sayre so that I could live with my friends and be able to make my own food. Next year I'll be living off-campus and I'm looking forward to living in an actual house."
-Andrew Zerby '14

"In Campus Square I don't have to worry about going down to the lounge to cook or study. Next year I'll be living off-campus and I'm looking forward to being able to do whatever I want and not having gryphons."
-Pedro Soto '12

"My favorite part of living in Trembley was that it had our own bathroom and I was able to live with people that shared a very similar schedule."
-Matt Golden '14

"This year I was a gryphon in Lower Cents. It was definitely the best place to be a gryphon and I look forward to be a gryphon hear again next year."
-Matt Raborn '13

"Living in dorm-style living for a second year is on no one's priority list. Yet, between the air conditioning, new friends, and Seth the resident-Rabbi, living in Taylor ended up being pretty enjoyable."
-Dave Canfield '14

Living Off-Campus

"The best spot to live off-campus is the lower part of East 5th between Webster and Polk. The houses are pretty shitty but you're close to everything, especially P1."
-Brian Fishman '12

"Living off-campus is more about being on your own where you don't have gryphons telling you what to do. Hillside is the best street because it's fun, full of students, and close to Rauch."
-Lee Clark '12

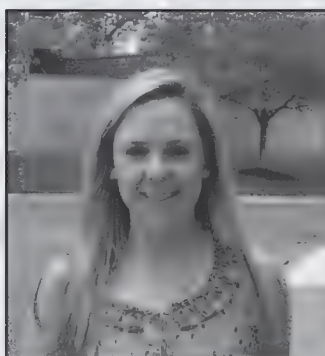

"The best part of living off-campus is the friendly townies that go through your trash and steal your stuff. Living off-campus is sort of like freshmen year all over again where everyone is together again and less divided."
- Xander Berry '12, James Carney '12, Drew Pasternak '12

"East 5th is the best off campus street, Hillside sucks. It's great to live off-campus because all the seniors are together in the same area."
-Mari Freedberg '12

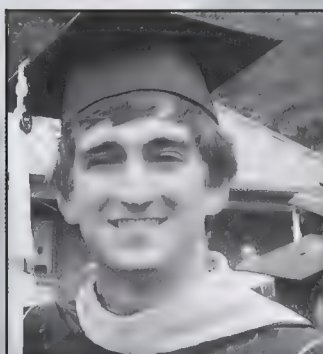

"I've loved living off-campus. East 5th is definitely the best, it has the best location and you get to live right next to a bunch of different people."
-Brittany Reichwein '12

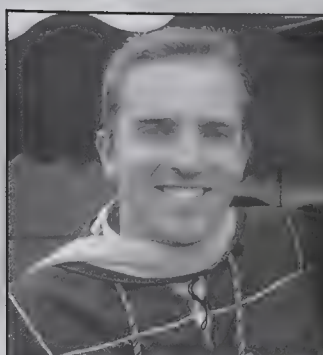

"Having your own house off-campus is a nice change from living on the hill, it's a lot more peaceful and less rowdy. Hillside has been the best because you are right by Rauch and Leon's. Fairmart isn't too far either."
-Sarah Archibald '12

"I loved living off-campus, except for that time I got robbed."
-Kate Phyfe '12

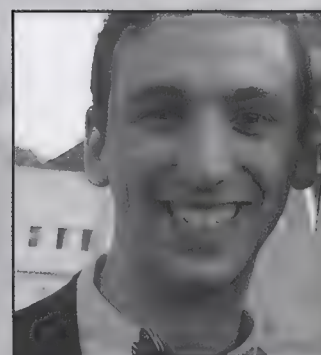

"Living off-campus was great because we had an actual backyard that we could use for barbeques or kan jam."
-Alex Dulmovits '12

"I'm glad I made it through the year without getting mugged or having my house robbed"
-Brian Berzin '12

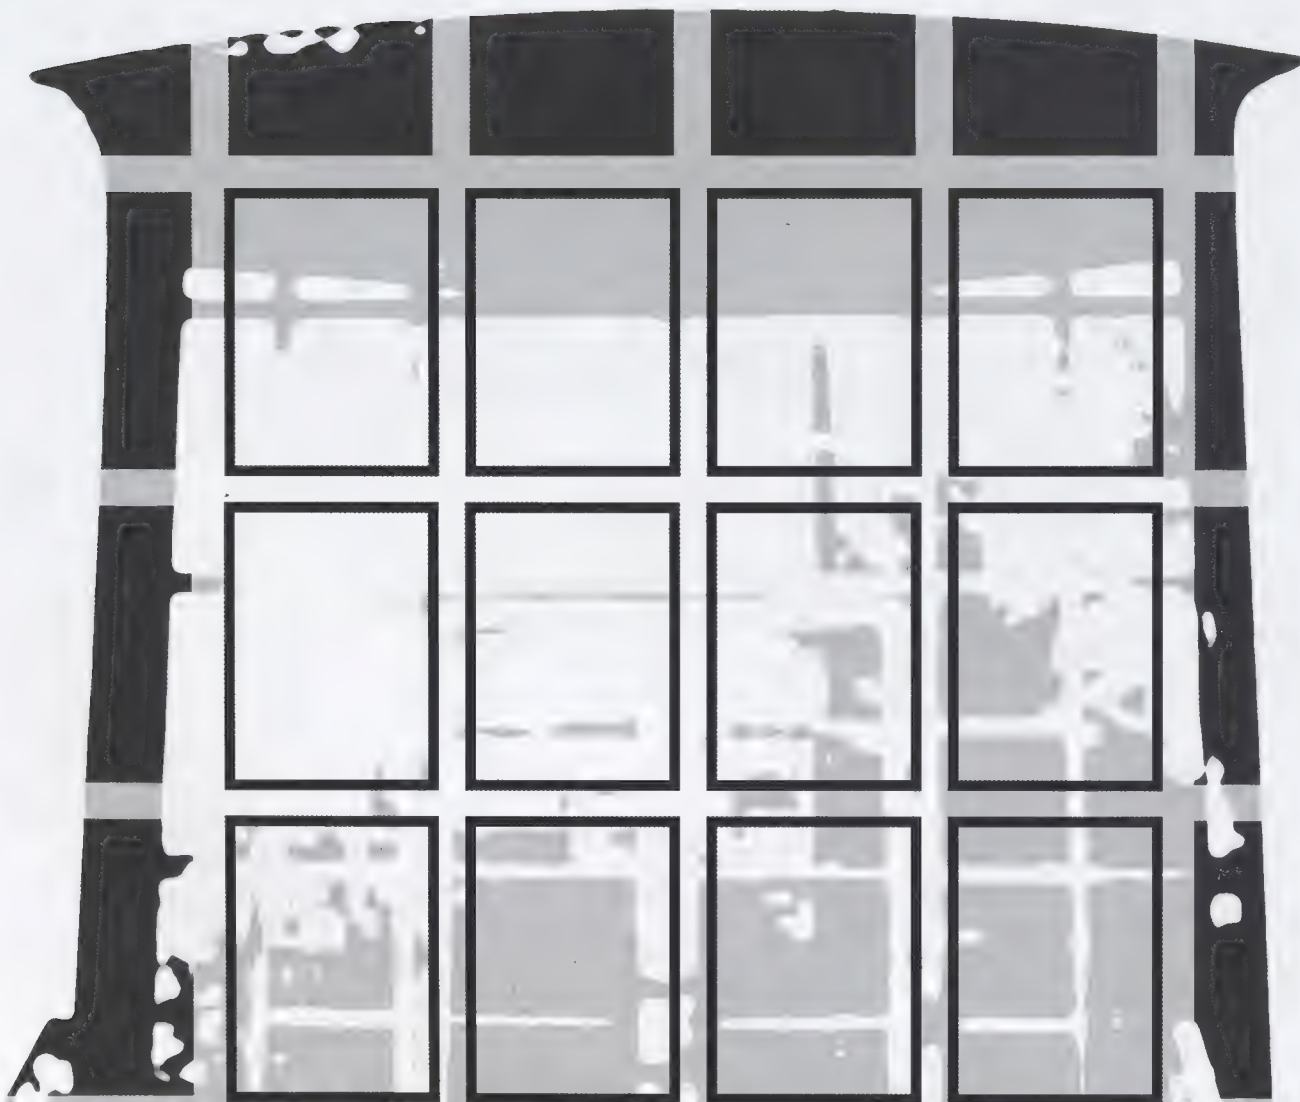

"Every student should live off-campus senior year. It's a great way to transition into the real world, while keeping a strong sense of the Lehigh community. I loved not being labelled by my fraternity affiliation and reconnecting with friends from freshmen year, as well as making many new ones."
-Brendan Hannon '12

"Fifth Street is where it's at! Its like Bourbon Street mixed with the Vegas Strip on crack."
-Asher von Stein '12

"The porch swing changed my life."
-Brittany Rodak '12

greek life

--	--	--	--	--	--

Greek life at Lehigh is rooted in tradition dating back over 100 years, and sororities have proudly been on campus since 1975. The benefits of being part of the Greek community are limitless and foster development in the areas of scholarship, leadership, service to others, sisterhood, and personal growth.

Academics come first while in college, and the undergraduate Greek community is proud to constantly remain in close proximity to the entire student population with our cumulative averages. The greek community collectively earns a higher average GPA than the non-Greek portion of the student body. Each sorority has an academic assistance program put in place to help chapter members maintain a minimum GPA, and many chapters partner with the Center for Academic Success to educate chapter members on study habits, resume building, and career goals.

While chapters are rooted in tradition, concerns about hazing are constantly in mind. Lehigh University has a zero-tolerance hazing policy and this policy is enforced by support from students in the Greek community. Many chapters participate in anti-hazing week each year, which educate students on facts about hazing and proper ways of intervention and advocacy through a well known and professional speaker.

Sororities participate in a multitude of activities throughout the year that define Greek Life at Lehigh. Some activities include fundraising for charity, tutoring students at the local public schools, volunteering at animal shelters, and participating in sisterhood bonding activities such as rock climbing, apple picking, movie night, and events to connect with chapter alumnae.

Joining the Greek community is a great way to make life-long friendships and create meaningful experiences during your time at Lehigh and in the future as an alumnus.

At Lehigh University, IFC consists of student representatives from each of our 19 North-American Interfraternity Conference (NIC) chapters. Our executive council is a board of seven active Greek-affiliated students elected by their peers to ensure the proper guidance of each fraternity chapter on campus. It is the goal of this executive board to provide members of each organization the resources needed to harbor a constructive environment that allows its' affiliates to grow in fellowship, character, and academics.

A Greek organization provides unique responsibilities and leadership roles to those who accept them. Fraternities provide an opportunity to develop leadership skills as an undergraduate and beyond the formal years of college. Each chapter operates through a leadership structure run entirely by its' members. These experiences as president, scholastic chairman, or simply an intramural sports coordinator can provide an outlet for your son's leadership skills to flourish.

While we focus on developing the character of good men, we recognize that a vital step in this process is serving others. Community service is a staple of the Greek community. Every chapter participates in and hosts several fundraising, service, and awareness events throughout the year. Members serve the American Cancer Society, the Boys and Girls Club, and the Breast Cancer Foundation. In the past, fraternity men have donated thousands of pounds of food for the North American Food Drive; participated in Relay for Life; and even played Santa Clause, a fraternity favorite. In partnership with the Lehigh University athletic teams, chapters "Adopt-a-Family" during the holiday season where members shop, purchase, wrap, and give presents to the children and parents of multiple Bethlehem families, offering a helping hand in making certain that all can enjoy the holiday season.

Greek Life is a choice within the Lehigh University experience that prepares men and women with outside-the-classroom life lessons unlike any other on-campus organization. In this Greek community, we all share the common goal of becoming better students, citizens, and friends. Joining a fraternity is a once in a lifetime opportunity that can change your life in a myriad of ways, accelerating your journey to becoming the best man you can be.

"Kappa Sigma has played an integral role in my college experience. From freshmen year until my last day at Lehigh, Kappa Sigma has shaped me into a better person and given me experience that will allow me to handle any obstacles that I might face in my professional career, as well as my social life. Although my time here at Lehigh is over, my affiliation with Kappa Sigma will continue on for the rest of my life. I will remain friends with everyone that I pledged with, as well as the new members that I inducted into Kappa Sigma after I became a brother. When I visit Lehigh as an alumnus, I know that I will always be welcome to stop in and say hi at our house on the hill. I will truly miss these past four years here."

The Graduating

Lehigh's 144th Commencement

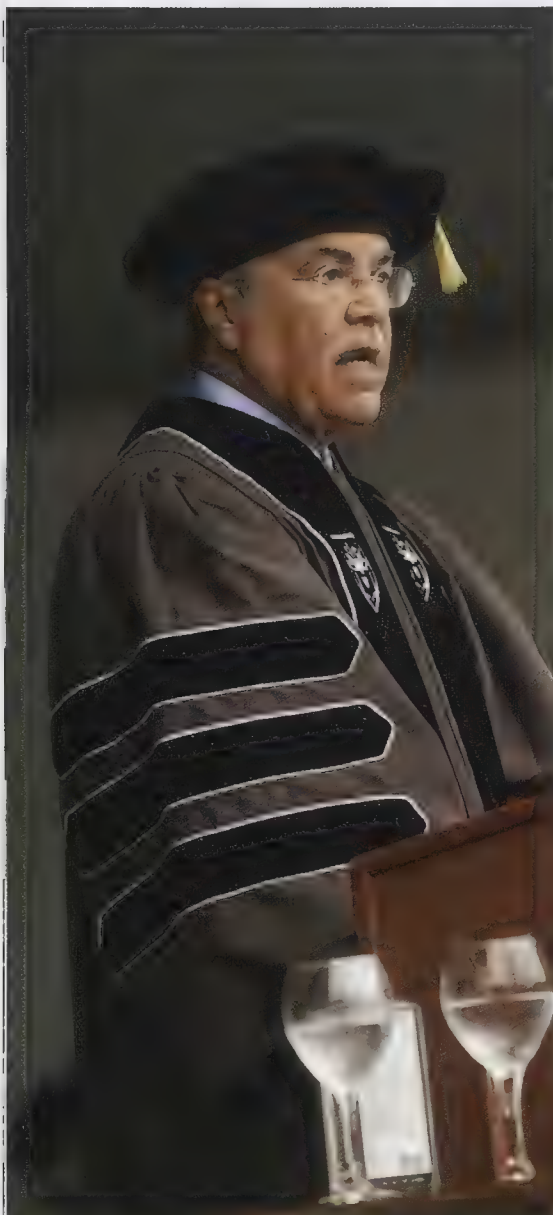

Class of 2012

"Class of 2012, very few people reach the position you have reached here today. With that comes wonderful opportunities. But it also brings responsibilities. A responsibility to use your knowledge, as I have tried to do, to bring about progress and positive change."

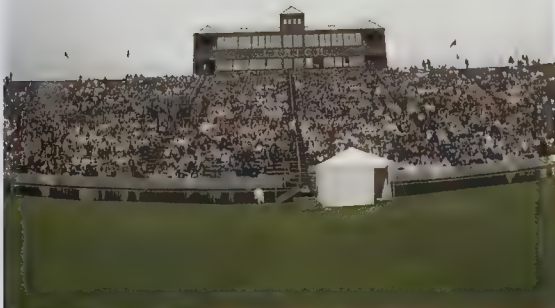

Ali bin Ibrahim Al-Naimi '62 (left), the Saudi Arabian Minister of Petroleum and Mineral Resources, returned to Lehigh on the 50th anniversary of his own graduation to deliver the Commencement address to the Class of 2012.

"Go Make a Difference"

-Al-Naimi

"Trust that the dots will connect, embrace change, rely on your Lehigh experience, and believe that what you've done here has prepared you well because it truly has."

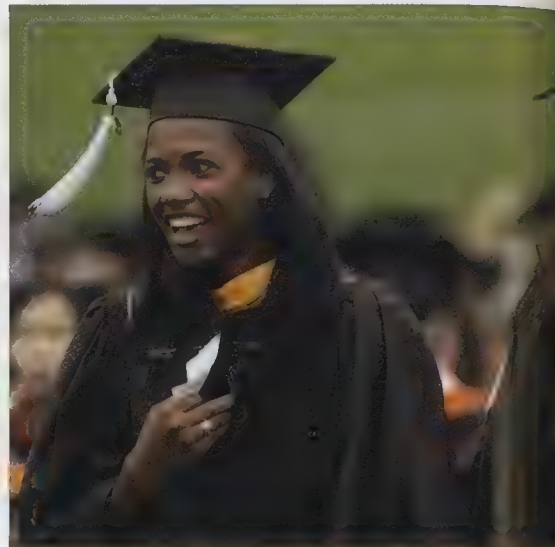

Jane P. Jamieson '75 (left), a member of that first class of 169 female undergraduates who went on to a highly successful career in investment and is now a member of the Lehigh University Board of Trustees recounted her experiences at the Commencement ceremony.

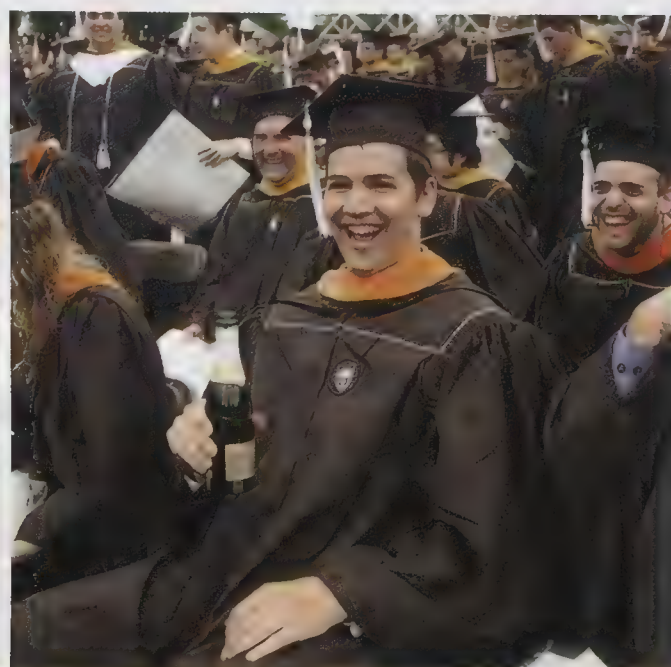

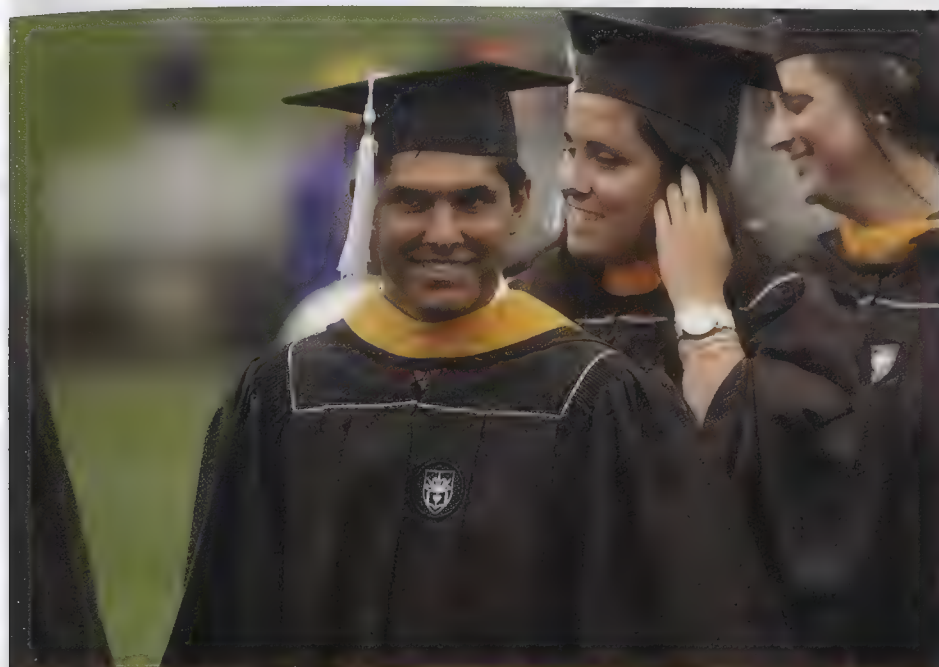

"As we go forth in life, we will face hills, some steep and some Lehigh steep. Don't let these obstacles deter you from achieving your goals."

Alex Gromadzki (above), President of the Class of 2012

"You leave Lehigh as educated citizens who can drive the rational and healthy debate about controversial topics. Use reputable sources and enter into the dialog. Look for the perspectives of others and learn from them. You are on Facebook, Twitter, you write blogs, you have more opportunities than ever before to contribute to dialog, to debate, to confer and to lead change. You have the opportunity and the responsibility to make changes. Be sure that you continue to broaden your horizons as you did at Lehigh, make sure to keep growing intellectually as you did on South Mountain. You are ready to leave our beloved campus and to change the world. Make the most of your days. Welcome change. Embrace change. Initiate change. I wish you a life of happiness and fulfillment. Congratulations."

President Alice P. Gast

A Message from the President

Congratulations, graduates of 2012:

Four years ago, when I first addressed you as a class at your convocation, I urged you to stretch your boundaries by reaching out to, and learning from, fellow students and others whose backgrounds and cultures differ from yours. I asked you to stimulate your curiosity by researching topics beyond your immediate area of interest. Over these past four years, you have accomplished that, and we have all been very impressed with your intellectual curiosity and love of learning. As a class and individually, you have contributed greatly to this wonderful university you will now call your alma mater. These qualities will serve you well as you leave Lehigh to become the leaders the world so desperately needs.

Your time at Lehigh has been eventful. I have been reflecting on a few of the accomplishments and challenges you have so ably faced. You began your studies as the world economy was thrown into a crisis unseen since the days of the Great Depression. This backdrop no doubt had a tremendous impact on your studies, your planning, and your recognition of the competitive workforce you would be entering. Your intelligence and agility will be critical in your success.

Your outpouring of support to the victims of the earthquake in Haiti, and the earthquake, tsunami, and nuclear disaster in the Tohoku region of Japan, showed that you are a class that understands the need to help others in crises. Closer to home, when the "snowpocalypse" in October caused widespread power outages and fallen trees on campus, and forced cancellation of classes for three days, you and your fellow students rose to the occasion and showed countless acts of kindness exemplifying the Lehigh spirit.

The Class of 2012 also has a distinction rare among Lehigh classes: four undefeated years against Lafayette on the football field, and of course, the "Lehigh beats Duke" joy that inspired friends and fans everywhere.

Your senior year was not without its sorrows as your classmate Deborah Pearsall died after a brief illness. All those who had the pleasure of knowing her were inspired by the enthusiasm and the joy she brought to everyone she met. Debbie's smile and laughter will live in our hearts forever.

As I said to you when we first met, the real measure of your success at Lehigh University will be the degree to which you have stretched your intellectual boundaries and maximized your ability to contribute to society and better the world.

I send you off in full confidence that you will contribute to addressing the world's challenges. I encourage you to continue to remain part of this great university and I look forward to welcoming you back as alumni.

Sincerely,

A handwritten signature in black ink that reads "Alice P. Gast". The signature is written in a cursive, flowing style.

Alice P. Gast

Congrats, Suz!

You are on your way to doing great things. We are very proud of you!

Love, Mom & Dad

Suzanne Adam '12

Congratulations, John!

We're all so proud of you!

Lots of love from Mom, Dad, Shane, and Puffer

John A. Birkholz '12

Matt,
Relax, sit back and enjoy your accomplishments! We are so proud of you.

**Love,
Mom, Dad & Lauren**

Matthew Bilsky '12

Dear Peanut,

We are so proud of your achievements at Lehigh. Keep following your dreams....the best is yet to come!

**Love you,
Mom and Dad,
Samantha, Julia,
Lucky and Meow**

Jamie Bleier '12

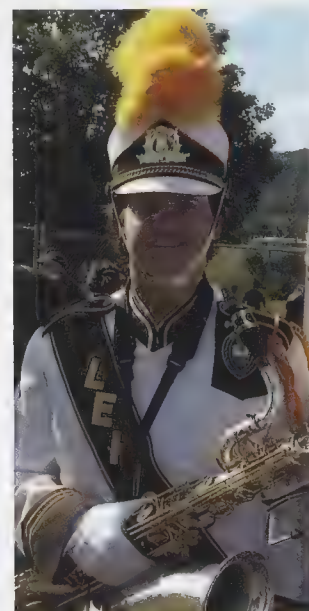

Kelter,

Congratulations!
We are very proud of you.

**Love, Bob, Mom, Anthony,
Antonella and Zack**

Kelter Arellano '12

Chris Bingold

Congratulations Chris and the class of 2012.
We are so proud of you!

Love, Mom, Dad and Jaclyn

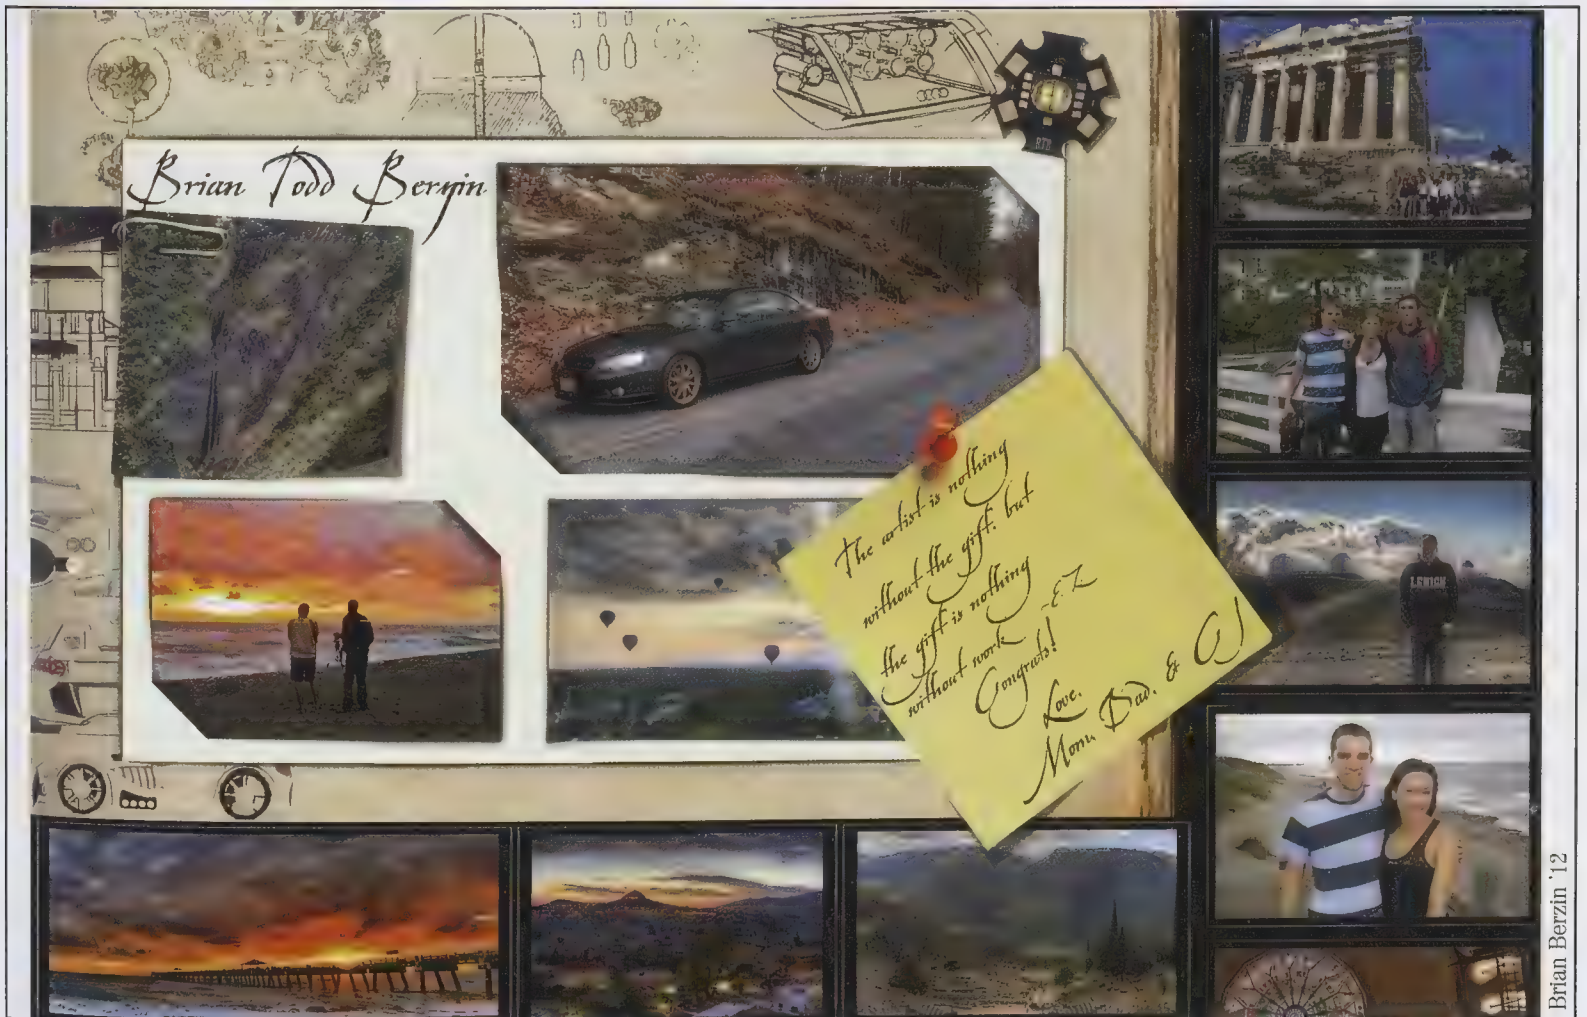

Christopher Bingold '12

You've worked hard and now we proudly celebrate another successful achievement in your life. We cheer alongside you, beaming with joy and encouraging you to believe in your dreams and follow your heart. We are honored to be your parents and are proud of you. Annamaria, we love you sweetheart.

Mom, Dad and Frankie

Annamaria Anselmo '12

Brian Berzin '12

Seth,

"Follow your passions, believe in karma,
and you won't have to chase your dreams,
they will come to you."

- Randy Pausch

We are proud of you and all your hard work.

Congratulations!

Love,

Mom, Dad & Becky

Seth Blumenthal '12

Kevin,

A moment ago, we were waiting for our miracle
baby. Now you have grown into a kind young man.
We are very proud of what you have accomplished
and who you have become. Wishing you love, joy,
happiness, and success in all the moments in your life.

Love Always,

Mom & Dad

Kevin Christopher Cooke '12

When you came into our lives you brought joy,
love, and purpose. You've grown into a
wonderfully bright and warm hearted young man
who we are so proud of today.

We know as you go out into
the world you will shine!

Congratulations David!

Love, Mom and Dad

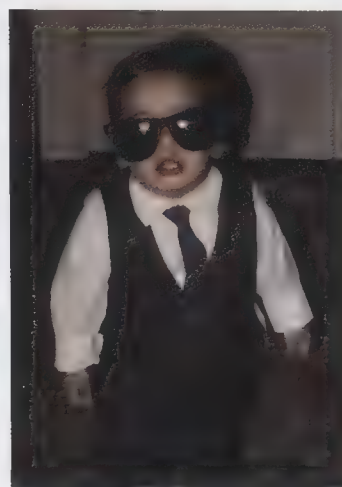

David J. Crowley IV '12

Well it looks like your days of just
hangin' around are over.
Good luck Dan as you climb to new heights!
We love you and are very proud of you.

Love Mom, Dad and Jen

Daniel James Cullen '12

LJ, You Rock!

Live the life you have always dreamed of. We
are so very proud of you. Reach for the stars,
the sky's the limit

Love,

Mom, Dad, Anthony and Casey

Lawrence J. D'Ercole '12

Dear Angelo,

You have touched the lives of so many people throughout your college
years at Lehigh. Your special gifts of courage, grace, determinations and
leadership will help you follow your dreams and take you to
extraordinary places.

Congratulations on your accomplishments which are memorable!

With all our love,

Mom, Dad.....and Nicole

Angelo A. DiGiacinto '12

Dear Nomi,

We can't believe
you're graduating.
We are so proud of you!

Love, Your Family

Naomi David '12

Jill,

We are so
proud of you!
Congratulations on
your graduation!

*Love,
Mom, Dad
and Stephen*

Jill Erbrick '12

Jonathan,

We are so proud of you and all you have
accomplished. As you head into the future continue to
work hard, take your responsibilities seriously, shoot for
the stars, be happy and enjoy life.

*We love you,
Mom, Dad, Russell and Amanda*

Jonathan Dubin '12

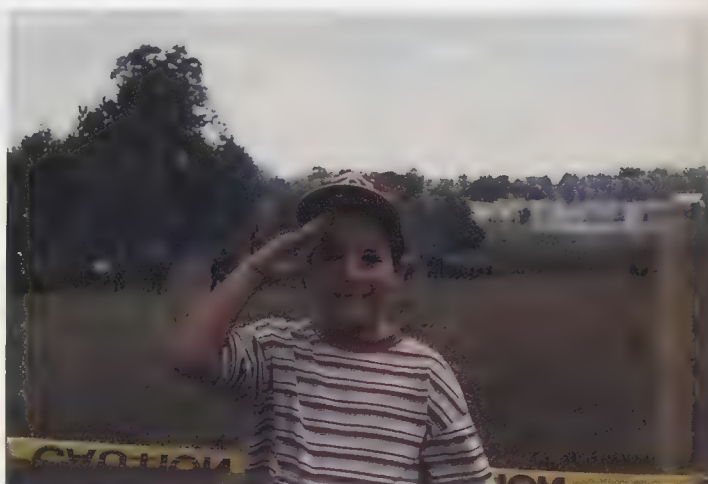

Amanda,

Congratulations on your graduation! We're so
proud of all you have become and wish you a
life filled with health, happiness, success and
much love. You'll always have ours!

Love, Mom & Dad

Amanda Evans '12

¡Enhorabuena, Álvaro!

Ce l'hai fatta!
For us you are simply the best.
Llegarás a donde tú quieras.

Te queremos, Mamã y papá

Alvaro Fernandez '12

Congratulations Kathryn!!

For who you are
and what you have accomplished,
We celebrate this moment in time.
May your future be as
bright as your past.
May you find that same happiness
in your life that you bring to ours.
We are so proud of you.

*All our love,
Mom, Dad and Hayley*

Kathryn D. Dwight '12

Lorand,

Congratulations on all your great achievements, high academics
and for the man you have grown to become. You've always
been our pride and joy. Wherever life takes you, we will be
here for you.

We love you so much and
are very proud of you!
*Your parents and
grandparents*

Lorand Dragu '12

Alexander:

You have come a long way!

Congratulations on
your graduation.

Mom, Dad & Andrew

Alexander Galakatos '12

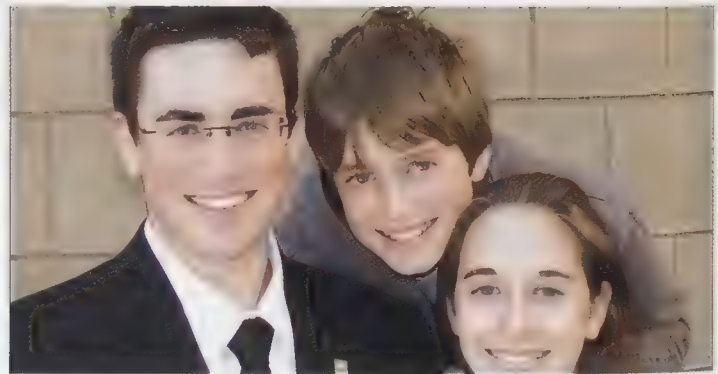

Dear Allen:

So happy that all the things you have
worked so hard for and all the good
things you deserve are coming
true for you.

You have a lot to be proud of.

Yuan (Allen) Gao '12

Dear Dor!

We love you so much! Over the past 4 years we watched
you mature and become a real mentch!

Keep it up, enjoy the time off and then...

Start your next stage in life — the real world.

Hugging, Kissing and so-so proud of you,

Ghivoni, Dahav and Samuel Families

Welcome to adulthood! Now, the adventure begins. **Roy**

Dor, I'm so proud of you! Congratulations on graduating from yet
another 4 year educational institution. I hope the piece of paper you
earned is worth it. I wish you lots of luck in your carefully planned
out future, even though I already know you're prepared to continue
your great success. Just remember that you will continue to learn
throughout your life because in the real world, the
test comes before the lesson.

Mazal Tov! Gal

Dor Ghivoni '12

Dear Maggie,
May all your dreams come true!
Love you madly,
Mom & Dad

Maggie Gordon '12

Dear Laura,
We are very proud of you and you have
certainly earned that bow.
"Do not follow where the path may lead. Go instead, where there is
no path and leave a trail" – Ralph Waldo Emerson
Love Mom, Dad and Adam

Laura Jaclyn Gottlieb '12

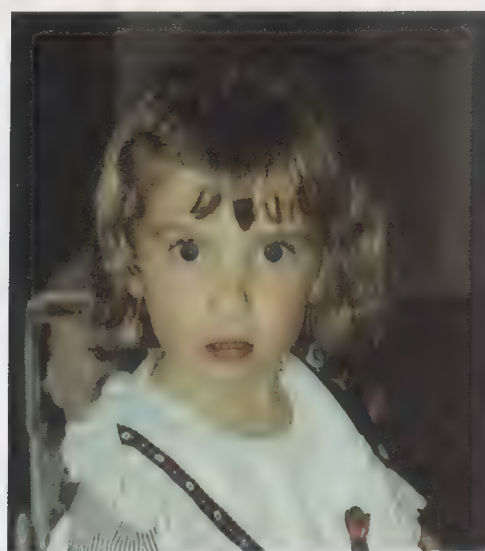

Lydia,

You are totally an amazing, beautiful and
respectful young lady, you make us so proud.
Continue down your path of success but don't
forget to Laugh, Dance and Dream.

Love, Mom, Dad, Kenny and Nick

Lydia Gourley '12

"You have brains in your head. You have feet in your shoes. You can
steer yourself in any direction you choose. You're on your own. And you
know what you know. And YOU are the one who'll decide where to go..."
-Dr. Seuss

We are so proud of your achievements at Lehigh.
You had an amazing journey here and it will continue.
Love, Rick & Cheryl Nadler & David Graves

Taylor Graves '12

"Don't aim for success if you want it; just do what you love and believe in, and it will come naturally." -David Frost

Maxwell Glassman '12

Max,

You will look back at these years at Lehigh as one of the most amazing and exciting times of your life. We are so proud of your personal growth and are confident that you are ready to take on the world.

*We love you,
Mom, Dad, Alex
and Paige*

Maxwell Glassman '12

Congratulations Henry Merrin Greenfield!

PreK, college, to infinity and beyond! Another landmark success achieved with undaunted determination,
a twinkle of the eye, contagious enthusiasm, gracious humility and an indelible smile.

WE ARE SO PROUD OF YOU & LOVE YOU SO MUCH !

Our love has no borders, Mom, Dad, Adam, Tyler and John and your extended family and friends

Henry Merrin Greenfield '12

Very well done, dear
Tenley. We are
extremely proud of you
and love you very much.

*Love,
Mom & Dad*

Tenley A. Halaquist '12

Promise me you'll always remember...

You're BRAVER than you believe,
And STRONGER than you seem,
And SMARTER than you think.

~ Christopher Robin to Pooh

Madison, we love you, and we are so very proud of you!

Madison Ingal '12

María Congratulations!

Best wishes on your
career! We are very
proud of you.

*Love,
Dad, Mom,
Kostas, Analía*

María Hatalis '12

Brendan,

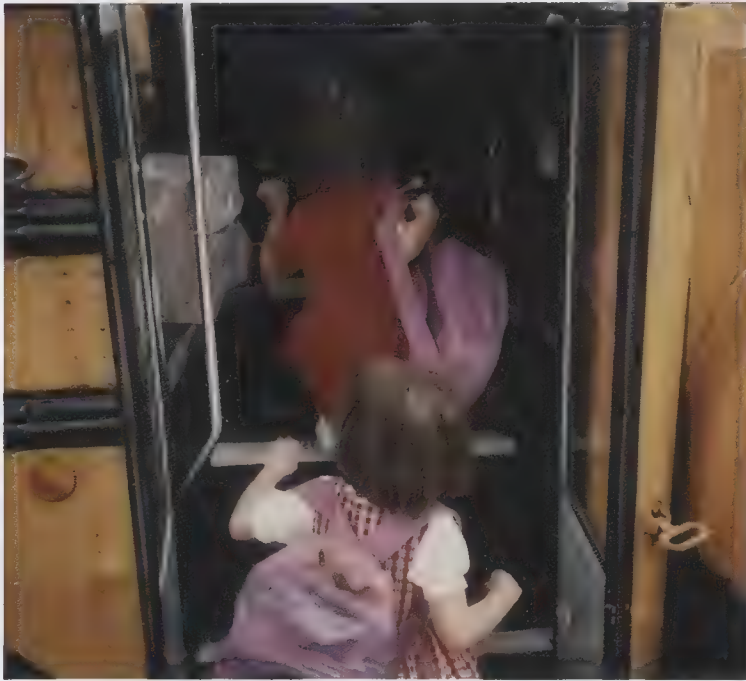

On March 11, 1990, you came into the world and forever changed our lives. We've watched you grow into an amazing young man. We couldn't be more proud of you and all of your accomplishments.

*Congratulations on your graduation! We love you,
Mom, Dad, Sean, Conor and Brian*

Brendan Hannon '12

Dear Paige & Michelle,

From the first day to the last, you've made us so proud! Congratulations!

Love, Mom & Dad

Paige & Michelle Hofman '12

I held him in my arms on
the day he was born
dreamed about his future
and the things that he
would learn
Now he stands before me
a boy almost a man
I find myself reluctant to
let go of his hand
But nothing can diminish the
pride that's in my heart
Least of all the knowledge
that it's time for us to part
So now I give my only son
the space to find his way
and celebrate the future on
his Graduation Day

Kyle B. Holmes '12

Congratulations, Jessie!

With your talent and ambition, your future has no boundaries. Life is an adventure and you are ready! You fill us with infinite pride and joy. We love you so much!

Mom, Dad, and Josh

Jessica Jacobson '12

Congratulations Tyler!

May life always be
full of Wonderment
and Joy.

Love, Mom and Dad

Tyler Kelly '12

Congratulations Taylor!

We are so proud of your accomplishments at Lehigh.

***Love, Mom, Dad,
Willy, Comet and
Bailey***

Taylor Suzanne Kite '12

Kurt,

We are so proud of you! You chose the path less traveled & with your hard work and determination you soared. Life is an adventure. Live it to the fullest.

Keep that smile and gentle heart.

***Love,
Mom & Dad***

Kurt Koerbel '12

Allison,

Congratulations! One more step in God's plan for your life (Jer. 29:11).

***Love you,
Mom & Dad***

Allison A. Miyashita '12

Scott, Congratulations on Graduation.

You have climbed so high and accomplished so much. We are so very proud of you.

Love, Mom, Dad, Andrew

Scott McBeth '12

Dear Andrew,

I am extremely proud of all your accomplishments as you graduate from Lehigh University. You are a very special grandson who is handsome, compassionate and intelligent. Your sense of humor always makes me smile.

I wish you lots of health, happiness and success in your future!

Love,

Grandpa Paul

Andrew D. Klein '12

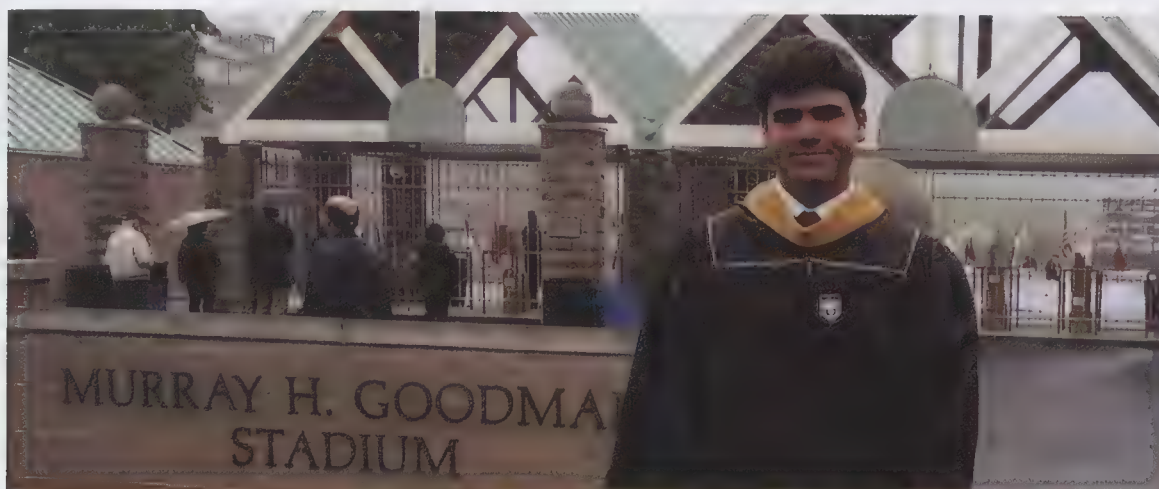

Marissa,

No words can explain how proud we are of you. We will always be here to support and love you. You are a beautiful, intelligent, ambitious, and loving young woman. You continue to amaze us with your accomplishments. Law school is the next chapter in your life where you will make your mark. You have the confidence, ability, and determination to lead a full and successful life.

Congratulations and may the Lord continue to bless you. Remember, stay true to yourself.

•
Marissa Mastroianni '12

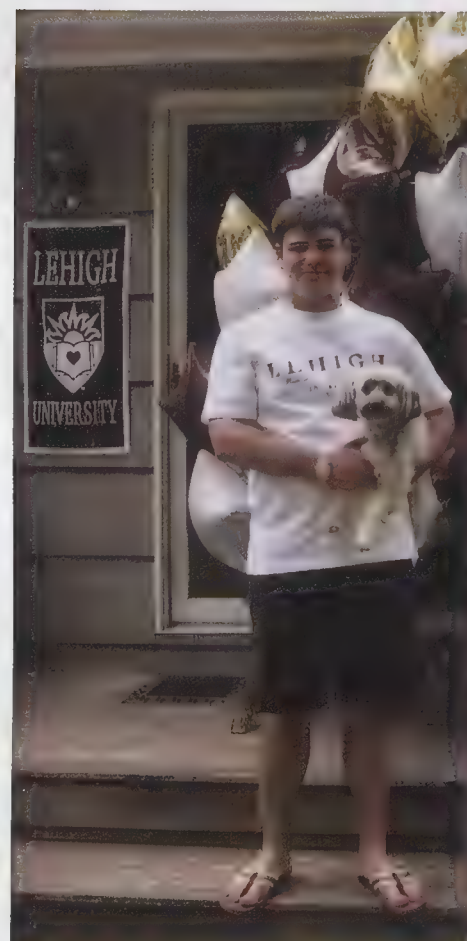

Dear Andrew,

As you graduate from Lehigh University, with a Masters Degree in Accounting, we are filled with pride. Over the past years you have matured into a handsome, confident adult. Your compassion and sincerity, along with your sense of humor, make you so very special.

Your intense perseverance, coupled with your desire to set high goals, have enabled you to excel both academically and professionally. Years dedicated to caddying, along with your passion for golf, exemplify your strong sense of commitment. Being a member of the Sigma Chi Fraternity has afforded you the opportunity to form friendships and memories that you will cherish forever.

This graduation represents the culmination of one phase in your life and the beginning of a new and very exciting one. Throughout your lifelong journey our wish is that it be filled with health and happiness; may all your dreams and aspirations come true. We will always be there to support you and we love you so much!

*Love always,
Mom, Dad, Allison, and Bentley*

Andrew D. Klein '12

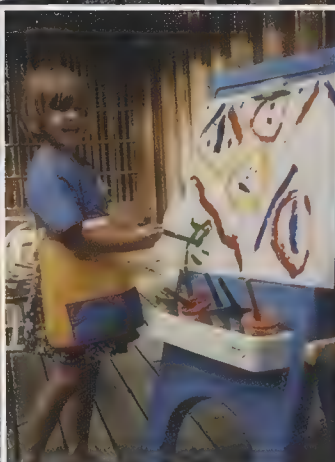

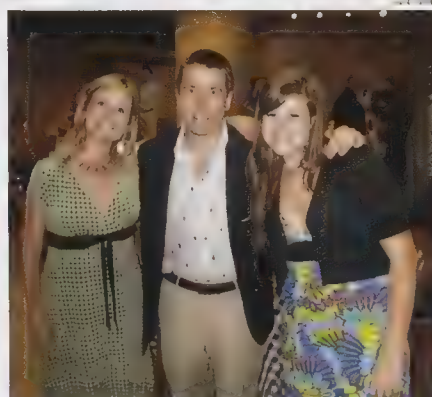

Gabrielle,

We're so proud of all that you have accomplished over the years. Most of all, we're proud of who you are as a person. Keep working hard and being yourself and you will be successful in everything you do. Congratulations!

Love, Mum, Dad, Chantal, Imogen, Rochelle, Kevin and Jennifer.

Gabrielle La Force '12

William, our son, you are the best and most loved
person in our lives since before day one.
We cherish your very being and pray that God will
find you a place in the sun.

Love, Papa and Mama

William H. Neal '12

We are all so very proud of you! As you must be
proud of your accomplishments. You swam for Lehigh,
broke some records and delivered a great GPA. We
know you will have an exciting future full of successes.

Thanks for making it easy to be a parent.

Love, Mom & Dad

Alena A. Pollitt '12

Congratulations Jide!

We are very proud of your accomplishments. Always
remember that life is a journey, so keep on keeping on; the
universe is yours for the taking. This is our favorite verse for you:

*"And the lord answered me, and said,
"Write the vision, and make it plain upon
tables, that he may run that readeth it. ...""
Habakkuk 2 vs 2&3*

THE BEST IS YET TO BE!!!
O SE OMO MI!!!

CONGRATULATIONS 2012 LEHIGH GRADUATE

Heather Kristen Salvach

TRUST IN THE
LORD
WITH ALL YOUR HEART,
AND LEAN NOT ON
YOUR OWN UNDERSTANDING;
IN ALL YOUR WAYS
ACKNOWLEDGE HIM
AND HE WILL MAKE
YOUR PATHS STRAIGHT.

PROVERBS 3:5-6

Dearest Heather,
What you are is God's gift to you,
What you become is your gift to God.
Congratulations and Love
to our precious daughter,
Mom and Dad XOXOXO

Heather Kristen Salvach '12

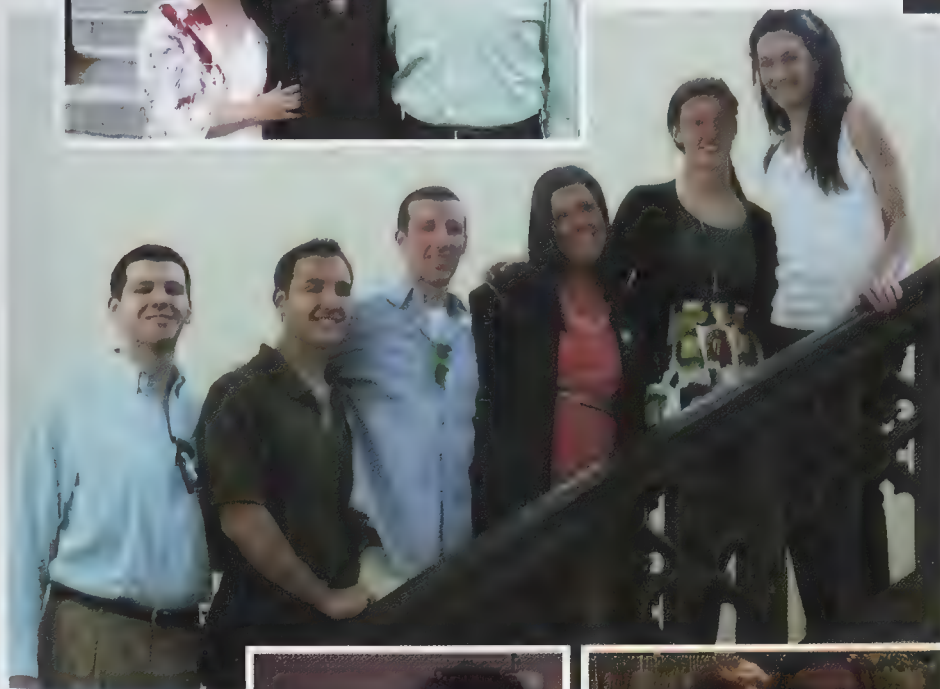

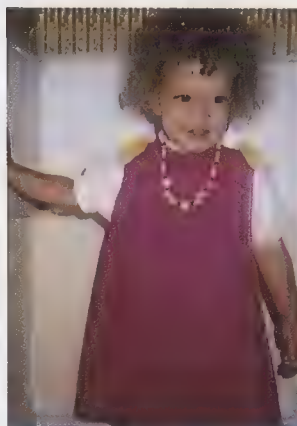

Maddy -

With powerful feelings of love and pride, we congratulate you on all you've accomplished at Lehigh!

You always rose up to meet the challenges of undergraduate life and battled through fatigue, setbacks, sickness and tears to "win the race". Your efforts will "shine forever" in the pages of this beautiful book.

The world awaits your future, which we know will be as bright as your smile!

Always in your corner,
Mom, Dad, Rob, Meg, Steve, Mark & Shannon

Gift

Travel the world and you'll surely come to see
Everything there is a part of you and me
Never let doubt put you in a spin
Everything out is part of in
Everything wants you complete as you can be

We each are meant to share our song
You'll find it sang within you all along
Small but strong

Imagine that world stretching far and wide
Needing that song that you hold inside
Needing your gift to complete a grand design
Offer your gift to the world
And watch it shine!

-From Simeon's Gift

"Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind." -Dr. Seuss

Emily,

Look how far you have come!
Do not doubt your direction, be focused on what
you want and always love the path you choose.

*With much love,
Mom, Dad, Adam, Gram and Pap*

Emily Throne '12

Congratulations Nick!

We are proud of your impressive
accomplishments.

Thank you Lehigh for 4 memorable years

We love you very much,

Mom, Dad, Pete and Anna

Nicholas Toth '12

Ben,

You've overcome so much to be able to
graduate from college. We're very proud of
you and what a wonderful young man you've
become. You deserve the best life has to offer.

Love, Mom, Dad & Lindsay

Benjamin Weiner '12

Max Weinstein

Congratulations, graduate!

How proud we are of your academic achievements and many accomplishments. We wish you a lifetime of happiness and success. Make the most of it... your future is beginning now!

Love, Mom, Dad and Aaron

Max Weinstein '12

Dearest Weencie,

Congratulations! We are VERY proud parents!

Puzzles, Straws and Connecters,

Always wins at Set...

Creative and logical...

The perfect Architect!

Loving you forever and beyond.

Alexandra White '12

Yeah! It's a big world out there!
My wish always is that all doors be open to you, that you look before you leap and that you leap with a courageous heart.

Love, Mom

Michael Alexander White '12

Dear Stephanie,

I am so proud of the accomplished, caring, and beautiful young woman you have grown up to be. As you begin your journey as a Lehigh University graduate take advantage of all opportunities you come across. College graduation is just the beginning of the many achievements you will conquer in life. Always remember to work hard, believe in yourself, and smile.

Congratulations Stephanie and the Class of 2012!

Love, Mom

Stephanie Scalera '12

Congratulations! Kyle Marie Williams

You rocked Lehigh!

Now go out into that great,
big world and show them
what you've got!

Love, Mom and Dad

Kyle Marie Williams '12

*Congratulations,
Gordon!*

We are so proud of you!

*Love,
Mom, Dad and Christina*

Gordon Diggs '12

Dear Jessica,

If you can dream it, you can do it.

Jessica A. Campo '12

To our dear
Anna, we are so
proud of you!

*Mom, Dad,
Becca and Paul*

Anna I. Diefenbach '12

Evan,

It's been said there are 3 types of people: those
who let it happen, those who make it happen, and
those who wonder what happened. You make it
happen! So proud of you!

Love, Mom, Dad, & Jason

Evan Sebo '12

Matthew,

Best of luck in your career
of service to our country.

We love you!

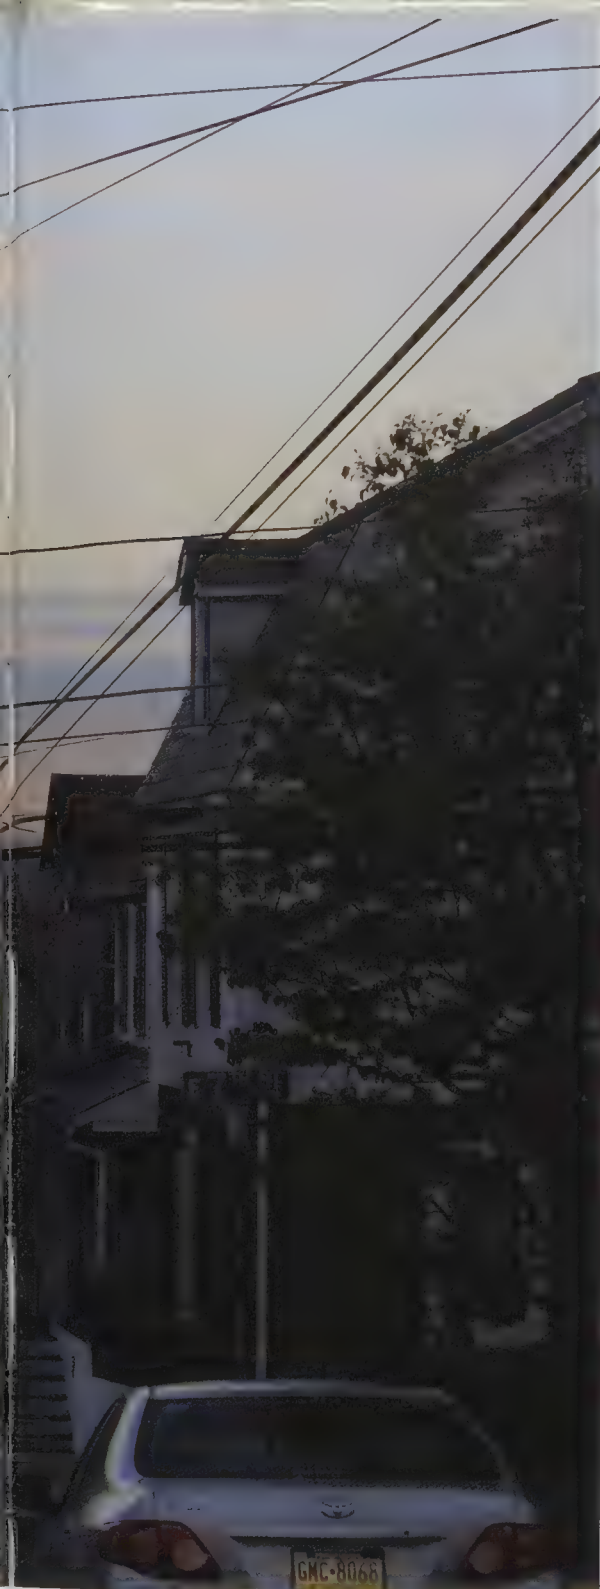

Mom and Dad

Matthew S. Yosua '12

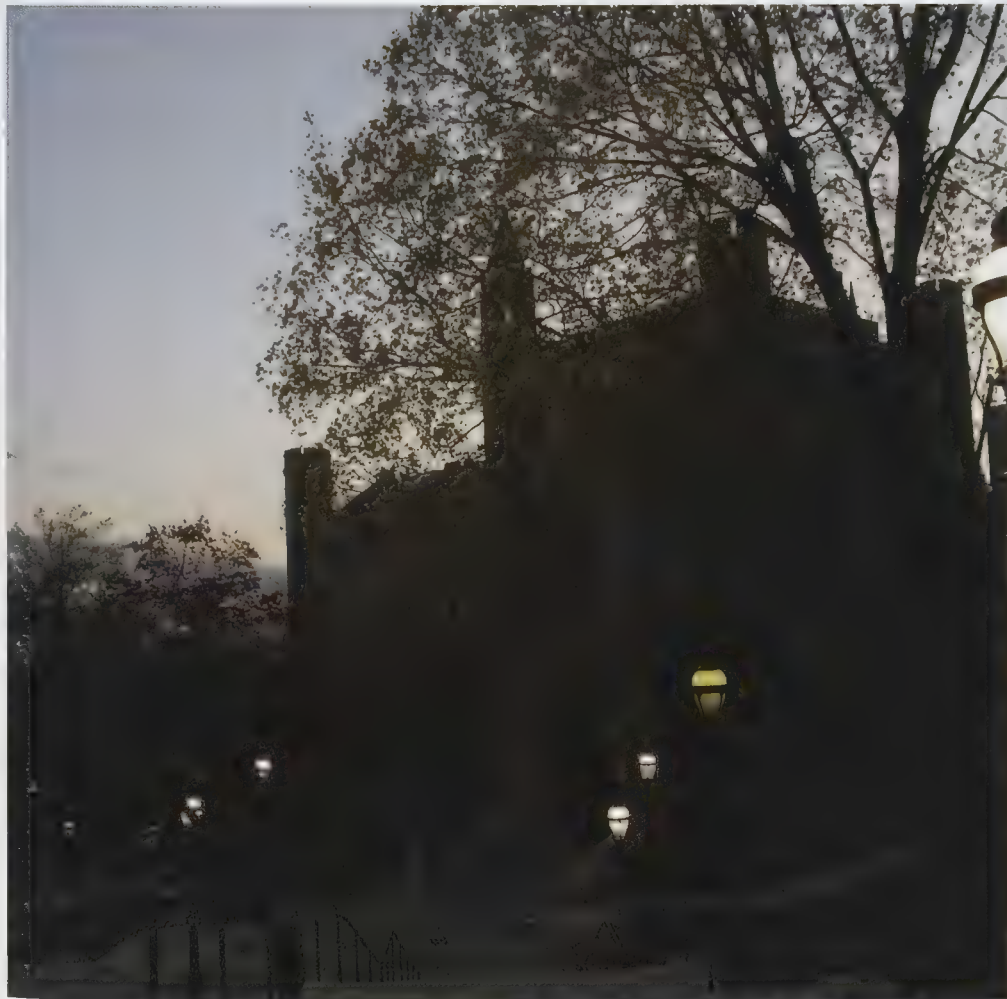

Meagan Patrick '12

Where the Lehigh's rocky rapids
Rush from out the West,
Mid a grove of spreading chestnuts
Walls in ivy dressed.
On the breast of old South Mountain
Reared against the sky,
Stands our noble Alma Mater,
Stands our dear Lehigh.

Like a watchman on the mountain
Stands she grandly bold,
Earth's and Heaven's secret seeking,
Hoarding them like gold.
All she wrests from Nature's storehouse
Naught escapes her eye,
Gives she gladly to her dear ones,
While we bless Lehigh.

We will ever live to love her,
Live to praise her name,
Live to make our lives add luster
To her glorious fame.
Let the glad notes wake the echo,
Joyfully we cry:
Hail to thee, our Alma Mater;
Hail, all hail, Lehigh.

Colophon

Volume 136 of the Epitome yearbook was produced at Lehigh University, 33 Coppee Drive, Bethlehem, PA 18015. It was printed by Taylor publishing of Dallas, Texas: 1550 W. Mockingbird Lane, Dallas, TX 75235. Ed Patrick served as the local sales representative; Stewart Moore served as the account executive. The 2012 Epitome sold for \$80.00. The book consists of 256 pages, and the total press run was 1,000 books.

The content for the 2012 Epitome was provided by the collective efforts of a staff of more than 40 individuals. The sections were edited as follows: Features: Julie Laskin '12; Academics: Kaylyn Swartz '14; Athletics: Alison Schwartz '13 & Dave Canfield '14; Clubs & Organizations: Jamie Kalafut '14; Residence & Greek Life: Kimberly Parsons '12 & Gabrielle LaForce '12.

Responsibility for initial proofing falls on a respective section's editor(s). The following round

of proofing was done by the Edit Board. Each page was also collectively proofed by Emily Throne '12, Kathy Throne, assistant to the advisor, and Linda Lipko, our advisor.

Photography for the 2012 Epitome was entirely digital with work provided collectively by Meagan Patrick '12, Gina Mason '12, Morgan Hembarsky '13, Samantha Scott '14, Dalisbeth Galvez '14, Dave Canfield '14, and Kaitlyn Schwab '15. Photos were also provided by Davor (a division of Herff-Jones). A very special acknowledgement to Leah Kulp '12, Meagan Patrick '12, and Dave Canfield '14 who are responsible for the beautiful cover photos. Dave took the first, fourth, and fifth photo; Meagan took the second photo; and Leah took the third and sixth. The sketches in the Greek section were done by Max Gilbert '12.

Design for the 2012 Epitome was a collective effort of Edit Board members Madeline Schatzman

'12, Dave Canfield '14, and Jessica Morgan '13. Our editorial consultant, Trevor Drummond '10, provided a tremendous amount of support; he was an integral part of designing the cover, endsheets, and section dividers.

The Cover is an Embossed 4-Color Tip On. The Base Material is Skivertext Cambric Cream #5408 on a #145 Binders Board. The applied Silkscreened color is Brown #883. The Endsheets were designed using Rainbow Sand #80 Stock with a Sepia ink printing the design. All pages excluding endsheets are 100 lb Dull Enamel paper stock. The Epitome was printed with Komori Super Perfector presses.

The 2012 Epitome was assembled and designed with Studioworks, Taylor Publishing's proprietary online service. Some elements were created in Adobe Illustrator CS5. Adobe Photoshop CS5 was used to process photographs for the 2012 Epitome.

Letter from the Editor

It's hard to believe my days working on the Epitome have come to an end—three great years contributing to Lehigh's oldest existing publication. It was truly an honor to be this year's editor-in-chief. Although challenging at times, working on the Epitome was one of my favorite and most rewarding experiences at Lehigh.

The yearbook is a team effort. There are so many people who contributed to this publication and the gratitude I feel is overwhelming because my words alone cannot give enough praise to all those involved.

To my edit board, Dave Canfield and Jess Morgan—thank you for all your hard work and dedication to this book. For being my steadfast comrades throughout the year and helping me lead and manage our ambitious staff. I enjoyed working with you both and appreciate the long hours you spent designing spreads, editing photos and copy, and sometimes just procrastinating with me in our little office. We certainly never went hungry in there (thanks to Linda and our trips to Wegmans). For your honesty, humor, persistence and lightheartedness there are not enough accolades. I will certainly miss working with you both and wish you all the best for continued success.

To my dear friend, Trevor Drummond, Class of 2010 and 2010 Epitome Editor-in-chief—I could not have completed this book without you. You were an invaluable asset, not just because half way through the year you helped me completely revamp the style of the book, but because you always reminded me why I love yearbook and being part of the Epitome. For your support, advice, and friendship, I am eternally grateful. I will always look back on our yearbook workshop trips to Kansas City and NOLA, as well as our Saturday afternoon work sessions, with fond memories and laughter.

To Linda Lipko, our advisor—thank you for your love and support. For always providing the encouragement we needed and never letting our efforts go unnoticed. Thank you for always having your door wide open and assisting us whenever we hit a roadblock. For being our business manager, taking care of all financial and marketing functions, so that we could focus on creating and constructing the book. It was such a pleasure working with you and I will undoubtedly miss having you as my advisor.

To Kathy Throne, Linda's assistant—thank you for your enthusiasm and never hesitating to help when we ran into difficulties. For all the emails you sent and editing you did throughout the year, which was so vital to the Epitome. I very much enjoyed working with you and will always remember you as our "Rookie of the Year."

To my staff and section editors—thank you for your hard work and commitment throughout the year. For your idea generation, event attendance, sending millions of emails, writing stories, conducting interviews and surveys, and taking pictures—you are the nuts and bolts of our operation. A special acknowledgement to Marc Weiner and Tamara Huson for rising to the occasion and helping Dave complete the Parent Ads section.

To my photographers—Meagan Patrick, Gina Mason, Morgan Hemmbarsky, Dalis Galvez, Samantha Scott, Kaitlyn Schwab, and Dave Canfield—thank you for your talents, dedication, and passion. Every time our campus was impacted by harsh weather and everyone ran for cover, this team ran for their cameras to capture the rain, snow, sleet, and hail. I would also like to extend a distinct acknowledgement to a few very gifted photographers who were not on the staff but made significant photographic contribution to this book. They include Nick Anshant '11, Matt Brietel '12, and Leah Kulp '12—thank you for sharing your talents with the Epitome.

Ed Patrick and Stewart Moore, our publishing representative and technical support, respectively, at Taylor Publishing, deserve a special thank you for their support and immediate assistance whenever needed.

Mark Huff, our photography liaison with Lifetouch, also deserves a heartfelt thank you for not only providing us with stunning, high-quality campus, event, and sports photos, but also for leading an incredibly informative and interactive photography training session at the beginning of the year.

Over time, I hope this Epitome becomes a treasure chest filled with wonderful memories of our shared shining moments. At a minimum, it will serve as a piece of history for those who would like to see what the year 2011-2012 was like at Lehigh University.

Sincerely,

Madeline A. Schatzman
Editor-in-chief
